These old servants of the county are entitled to some such recognition before they pass on to a more fitting reward. Who will start the ball rolling?

Y. P. S. Concert

The Young People's Society of St. John's United church, Flesherton gave a most enjoyable concert on Friday evening of last week.

A sing song, led by Dr. Bryce, opened the program and everybody joined in to see who could sing the best, and left everybody in a happy frame of mind to enjoy the program. Rev. W. J. Scott gave an address and congratulated Miss Hazel Inkster, the president, on the wonderful success of the Young People's Society. The male quartette sang four lovely spiritual selections at different intervals on the program, and Mrs. E. C. Murray gave a reading, entitled "The Courtship of George and Alice." Six of the junior members of the Sunday school sang a couple of song, accompanied by Miss Jean Wolstencroft at the piano, followed by a saxaphone selection by Mr. Royden McDonald, accompanied by Miss Betty Murray. Miss Aleda Mitchell sang "Angel Land" which was enjoyed very much. The Piper orchestra gave several splendid selections throughout the evening. Two moving pictures were then enjoyed, the first being "The Clinic", the second, "Rob Roy," a scene from the works of Sir Walter Scott. Both of the pictures were enjoyed to the utmost.

At the close of the entertainment Mr. Scott tendered a vote of thanks to Mr. T. S. Cooper of Markdale for his assistance in providing the amusement for the evening. He also thanked Mr. Wright, who was successful in securing the other picture from Toronto, and also the other members who took part in the program. The receipts for the evening after expenses were paid would amount to about $20.00.

North Grey Tories

We note that our friend, Jimmie Jackson, is head of the North Grey Liberal-Conservative Assn. This would indicate that the hard-working farmer member for North Grey, Mr. Vic Porteous, will find a more loyal bunch of workers behind him than has been. Mr. Jackson carries on a prosperous retail grocery business in the county capital and naturally is a supporter of action from the price-spread affair.

The recent Provincial affair has already begun to come back in favor of the Conservatives, and dismissals from office of efficient men has arroused resentment even among decent Liberals. Interference with law enforcement and even reaching out after the Old Age Pension and Mother's Allowance administration, the local board of strategy are getting in wrong with the best men of their own party. It is a safe bet in Owen Sound, that were the elections held today, the verdict would be much different. The party seems much encouraged in going into the Dominion Election—feeling confident of easily carrying the riding with Osprey, Euphrasia and Holland, added, the chances are certainly improved.

UNEXPECTEDLY

The other day we noticed the folloling modern version of Gray's "Elegy":

"The curfew tolls the knell of parting day,
The line of cars winds swiftly o'er the lea,
The pedestrian plods his absent-minded way
And leaves the world quite unexpectedly."

Wm. Moore Died Monday Afternoon

Was Stricken While At The Station — Resident Here For 45 Years

With tragic suddenness word was flashed through the village on Monday afternoon that William Moore had passed away suddenly at Ceylon while in the discharge of his duties as mail carrier. He had left town for the four train apparently in his usual health and when he arrived at Ceylon he was stricken with a heart attack and passed away in the station house in the presence of the doctor only about ten minutes after his arrival at the station. Dr. Milne stated that death was due to a stroke. Apparently he had taken the stroke while on the road and drove his car until he reached his destination and was only able to leave the car and stand on the station platform. Mr. Archie Sinclair, C.P.R. agent, assisted him inside the building and called the doctor, who was unable to aid him. The late Mr. Moore was 66 years of age and was born in Normanby township, the son of the late Mr. and Mrs. Geo. Moore. He learned the harness making business with the late Thos. Smith of Durham and 45 years ago came to Flesherton and for a number of years conducted a harness business, which he had purchased from the late David Clayton selling his business 27 years ago to Mr. O. W. Phillips. Since then Mr. Moore has been carrying the mail and express to and from Flesherton Station. He was widely known throughout the district and was highly regarded by all who knew him.

He was married 33 years ago to Miss Margaret J. Irwin, who survives him, also two brothers, Mr. James Moore of Indio, Calif., and Dr. J. O. Moore of Wilson, N.Y., and two sisters, Mrs. Chas. Petty of Durham and Mrs. Jas. Morice of Lancer, Sask. He was a member of St. John's United church, Flesherton, and also Dundalk Lodge, I.O.O.F.

The funeral is taking place this Wednesday afternoon when the service will be held in St. John's United church, Flesherton, at 2 p.m., with interment in Flesherton cemetery.

A Remarkable Holstein

A 13-year-old Holstein cow that on November 23rd gave birth to her 13th lively calf, and that has in her lifetime produced 107,750 pounds of milk and 4,395 pounds of butter, is something worth while to talk about and much more worth while to see.

This is the record of Colantha Toitilla O.A.C. 1118 9 G.M., a cow bred at the O.A.C., Guelph, and still in the college herd along with seven of her own daughters. Three times she has borne twins and seven times single calves.

Colantha Toitilla represents several generations of college breeding. Her sire, Sir Paul Colanthus, was former herd sire at the O.A.C. and was a double grandson of the famous foundation cow, Pauline Colantha Posch Her dam was a college bred cow, Toitilla Rue II., with a four-year-old record of 15,253 pounds of milk and 554 pounds of butter fat, and was sired by Johanna Rue IV's Lad.

This cow is a splendid example of a combination of production and reproduction. She and her offspring will be much in evidence in the demonstrations during the agricultural conference and short course at the college, January 2nd to 11th, when scores of Ontario's best young farmers will convene to discuss their problems and to enjoy ten days of real college life.

Bought Grocery Business

Tuesday evening of this week Mr Ken G. Betts purchased the grocery, flour and feed business in Flesherton from Mr. Jas. A. Stewart. Jim has conducted the business for the past 13 years and has given good service to his many customers, who are sorry to see him retire from the business life of the village. At the same time a welcome is tendered to Mr. Betts and that success will crown his efforts in his new business.

Telling the truth is one business where there is not much competition.

You can fool everybody except a small boy and a dog.

Cheap Feed For Crate Finishing Of Poultry

In experiments in crate finishing of poultry, it has been found that buckwheat screenings or standard recleaned screenings, a by-product from the grain elevators consisting largely of wild buckwheat and broken wheat with a small admixture of wild oats, flaxseed and other weed seeds, give excellent results both to quality and quality of flesh. It was also shown in these experiments that small unmarketable potatoes may be used to advantage in crate feeding. Fed in conjunction with home-grown grains these potatoes gave as economical gains as corn, producing better color and finer quality in skin and flesh. The potatoes may be fed either boiled and mashed, or raw and finely chopped, and mixed with the ground grains and milk.

A SUFFICIENT REASON

One of the clerks at the employment agency was a bit of a wit, and he was preparing to gain a laugh at the expense of the next in line.

"Where were you born?" he asked the man, a Scotchman.

"Glasca'," was the reply.

"Glasgaw. Whatever for?" continued the funny one.

"I wanted to be near my mother," said the other with devastating meekness.

Had Enjoyable Time At Toronto Social

A large crowd attended the annual "At Home" of the Flesherton Old Boys' and Girls' Association held in the King Edward Hotel, Toronto, on Thursday evening of last week, but attendance was lower than last year and the committee will be fortunate in meeting expenses. However those who attended had a most enjoyable evening meeting with old friends, but many others who usually attend the gatherings were missed and their places could not be filled by others. A splendid delegation attended from Flesherton, among the number being Mr. and Mrs. G. B. Welton, Mrs. Chas. Ball, Mrs. Mark Wilson, Mr. and Mrs. Frank Duncan, Mr. and Mrs. C. J. Bellamy, Mr. and Mrs. G. A. McTavish, Mr. and Mrs. F. J. Thurston, Mr. Chas. Stewart, Carl Carruthers, Mrs. W. E. Morgan, Vernon Stewart, Miss Dewar, Mrs. Jas. Beatty, Miss Irene Martin, Mr. Geo. Mitchell and Miss Aleda, and Mr. and Mrs. Wm. Hill.

Dancing was indulged in by most of those in attendance, among those present being Hon. I. B. Lucas, Dr E. K. Richardson, Alex. Gibson, Chas. McTavish, Mr. and Mrs. Ben Wilson of St. Catharines, Will McFarland, the active workers of the Association and a host of others who formerly resided in these parts, but space will not permit renumerations. Besides the dancing, progressive euchre was held and Mr. E. Elliker won the men's prize with Mr. Jas. Field taking second prize. Mrs. Jas. Field went Jim one better and took first prize with Miss Jean McLennan second. Dr. Meldrum Legard and Miss Isabelle McDonald were the winners of the lucky partner dance. Don Romanelli's orchestra played for the dancing and Frank Phillips called for the square dancing.

The weather was fine for the delegation from Flesherton and most of them were home by 5 a.m., but we will not state when they were fit for their business duties. The evening was greatly enjoyed by those present and many remarks were heard that the event was the best yet held.

Show Here Monday

Hurrah! Here comes the show troupe. Paddy and Mickey Brown are bringing their show to town next week, the advertisement of which, appears in this issue. This is the company that have been playing all around us, Durham, Feversham, Chatsworth, etc. From all accounts they put on a wonderful entertainment of singing, dancing, cartooning, and above all things, good clean comedy. This is strictly a show for the entire family. They do not sell medicine, nor waste time on boring lectures. When Paddy and Mickey come to town the folks get two hours of solid fun every night for a week. The first show is free, but in the words of Paddy, himself, "If it hurts you to laugh, don't come."

School Concerts

Advertisements under this heading will be charged for at the rate of two insertions for 35c or one insertion for 25c.

Don't miss Portlaw school concert on Thursday, December 20. Admission 15 and 10 cents.
