Mrs. Wilbert Poole is at Rev. F. Dean's. Mrs. Dean is taking care of her as she has had a severe sick spell.

Mr. John Smith has had his snow car out on trial, but it is not very satisfactory yet. It is driven by a propeller like an aeroplane, but John says "Yes sir, she will go."

EARLY SOWING OF TOMATOES

The Dominion Horticulturist recommends early sowing of tomatoes and the use of early maturing, good varieties. Sowing should be done in time to have stocky. well grown plants in bloom and ready for planting out at the sign of settled weather. Soils with low nitrogen and high phosphoric acid content and a medium amount of potash are essential.

CARD OF THANKS

Relatives of the late Mary Anne Hopper Eugenia wish to express their sincere thanks to the friends and neighbors for the many acts of kindness shown them in their recent sad bereavement.

The driver of an auto had his car pushed 1000 feet along the tracks by a railway engine at St. Thomas before the engine stopped. St. Thomas once became famous because something like that happened to Jumbo.

Rev. Bushell preached a fine sermon on Sunday, taking as his text, "Our Father who art in Heaven." Next Sunday his address will be based on the second petition of the Lord's Prayer, "Hallowed be Thy name." Each Sunday throughout the Lenten Season the sermons will be on a part of the Lord's Prayer. We hope there are good attendances as these sermons are very interesting.

The Y.P.S. met on Wednesday evening of last week. Owing to the absence of Miss Annietta Turner, devotional convener, Mr. Ted Campbell presided and took the discussion period. Scripture passages were read by Rowena Magee, Phyllis Graham, Ida Benson and Evelyn Campbell. Mrs. C. Martin took the worship period. Miss Rowena Magee acted as organist, owing to the absence of Miss Hazel Turner.

The topic for discussion at this week's Y.P.S. meeting will be "The Land of the Humming Bird." There will be a St. Patrick social evening this Wednesday.

WHO WINS—AND DOES IT MATTER?

How do you rate the various occupations and professions from social standpoint? You never figured it out? Well, neither did we, but Dr. George Hartman of the University of Pennsylvania recently did some research on the subject, and here's the result in order to their rating: doctors, senators, professors, lawyers, civil enschool teachers factory managers merchants, salesmen, nurses, actors mail carriers, etc., with miners, barbers, cooks and fishermen at the bottom. People in these occupations ranked them just about the same socially as did those outside. Assuming that in this instance the word society means "the more cultured portion of any community in its social relations and influence" (pro Webster), what's your social selection?

Holder of $35,000,000 worth of city of Vancouver debentures have caused it to be known they are opposed to cutting the interest rates in two. Even on a dull day that could hardly qualify as a bit of news.

IN MEMORIAM

In loving memory of our dear mother, Mrs. James Milne, who passed away March 9, 1931.

Four years have passed since that sad day,
When one we loved was called away,
God took her home, it was His will,
Within our hearts she liveth still.
Beyond the waves of earthly strife,
Beyond the pain and cares of life
Where all is peaceful, bright and fair,
Some day, dear Mother, we'll meet you there.

—Lovingly remembered by Husband and Daughters.

PROTON STATION

In the Orange Hall, on Wednesday evening of last week the McDougall Trophy was officially presented to the Proton Station hockey team. A large audience was present in honor of the event and in a neat speech the presentation was made by Mr. John McVicar of Priceville, president of the Semi-Pro Hockey League. Mr. Arnold Hergott, the new manager of the Bears, made a fitting reply in their behalf and at his suggestion the company stood with reverently bowed heads in two minutes of silence in respect for the doner of the cup, the late Mr. McDougall, who so sadly met his death in the train wreck on last Christmas eve. The Proton Bears will hold the trophy a year. Next season it will be put into the field for another scheduled contest.

1935 Chevrolets Master and Standard Announced

BEAUTY, STYLE AND PERFORMANCE EMPHASIZED

New 1935 Master and Standard models have just been announced by Chevrolet. The Master models depart distinctly from previous Chevrolets in body design and the solid-steel Turret-Top body by Fisher is one of the striking improvements. Above is shown, the Chevrolet Master 2-passenger coupe. Centre panels show, on the right, the beautifully streamlined rear quarter of the new bodies; and on the left, a view of the solid-steel Turret-Top roof. Below is shown, Chevrolet Standard Coach, which achieves virtually the same performance as the Master. There are six models in the Standard line and ten in the Master line.
