The Flesherton Advance.

VOL. 55: NO. 2 | WEDNESDAY, JUNE 12, 1935 | W. H. Thurston & Son, Proprietors

NORTH GREY TORIES NAME VIC. PORTEOUS

V. C. Porteous, Conservative member for North Grey for the past five years was again chosen for the riding at a convention here on Saturday. More than 550 delegates attended.

Mr. Porteous was the unanimous choice of the convention, five others nominated withdrawing in his favour James Jackson, President of the North Grey Conservative Association, occupied the chair.

Mr. Porteous paid tribute to the sincerity of Prime Minister R. B. Bennett. The candidate declared the capitalistic system must be reformed.

"I do not believe that any man can earn several million dollars by the sweat of his brow; the system needs reform, and I am all for it," he said.

John R. MacNicol, M.P. for Toronto Northwest, declared Mr. Porteous was one of the best agriculturists in Parliament. The Bennett tariff policy had been the "saving grace" of the Dominion, he said.

The Prime Minister had lived up to his promises, and the Ottawa agreements were aiding farmers, were other remarks of Mr. MacNicol. The Liberals were in for a battle in the coming election, he declared.

J. H. Myers, M.P. for Queens, P.E.I., also defended the policies of the Bennett Government with regard to trade and tariffs. He said the Government had opened up markets of the world to Canadian goods.

New Doctor At Dromore

Since the departure of Dr. Harold Mountain to Holstein, the countryside surrounding Dromore has been without medical skill at home. This is something Dromore does not like, for they have been served so well and long by Dr. Sneath and Dr. Mountain that the citizens feel lost when a doctor is not in their midst. But former conditions are again to prevail as on July 1st Dr. Pim, recent interne in Western Hospitatl, Toronto, will take up general medical practice at Dromore. With wife and child, the Doctor will occupy the former Robert Renwick residence.—Review.

Hatchery Soon To Open

Work on the government hatchery to be erected in Sullivan township, as as announced by Hon. H. C. Nixon, some time ago, is expected to get under way in a short time. It is understood that the Government officials in charge of this work are engaged elsewhere in the province at the present time, but expect to complete the work there in a short time, and will then give their attention to Grey county hatchery. There is considable work to be done on the property before actual construction can com. mence, but the information is that every effort wil lbe made to get the hatchery in good working order before the cold weather sets in this coming fall.

A GOOD APPEARANCE

(Kincardine News)

There is nothing wihch adds more to a town than a good appearance. How often in your travels throughout Ontario has your attention been centred on the various stores in the sections you pass through. It seems that the general appearance of the main street of a town gives the traveller his impression of what the town really is. It is our belief that there is no town in which the merchants take more pride in their windows than Kinrardine. A clean tidy and well-dressed window means that the merchant has just that kind of stock in his store and it is his desire to serve his clientele with it. We have often notice that the merchants of the town change their windows every few days thereby presenting a new picture of what they have for sale. The probability is that a merchant dresses his windows for his own benefit, but the benefit also reflects on the town and the kind of people in it.

The same goes for the general appearance of the streets. This is a matter in which the council are especially interested and they, as well as the men who have done the work are to be congratulated on their accomplishments.

Making the bank bills smaller may be a convenience, but if the process of making them smaller isn't gone about faster it will be a case of little convenience and much nuisance.

Fishermen Guilty Of Trespassing

Charged with trespassing on the Beaver Valley Fishing Club property Messrs. E. L. Woodward and J. A. LeGard, both of Toronto were found guilty and were given srspended sentence, by magistrate E. C. Spereman, with the payment of the costs of the court which were $3.40 each. Court was held in Markdale.

Information was laid by Mr. Wm. Kaitting, overseer of the property and deputy game warden, that on May 5th both the men were fishing and trespassing on the preserve. Mr. Woodward acknowledgd that he was fishing the river but did not know that it was prohibited where he had been, as there were no fences to mark any boundary. Magistrate Spereman pointed out that the law has been changed and places where signs are displayed do not have to be fenced. Before the law was passed in the Legislature several trespassing cases from the same reserve had been dismissed, C. C. Midlebro of Owen Sound prosecuted, but neither Mr. Woodward nor Mr. Legard were represented by counsel.

In talking over the case afterwards with Mr. Kaitting he informed us hat he does not desire to prosecute any person but that fishing has to be stopped on the reserve. He has warned many trespassers away but the time has come when drastic measures have to be used to preserve the fishing.

Prince Arthur Officers

Installation of officers of Prince Arthur Lodge No. 333, A.F.&A.M., was held Tuesday evening of this week, when the following assumed officers for the coming year:.

I.P.M.—Roy Piper.
W. M.—Alex. Cameron
J. W.—Alfred Down
Chaplain—Geo. Mitchell
Secretary—H. A. McCauley
Treasurer—F. H. W. Hickling
D. of C.—A. E. Bellamy
S. D.—Richard Clark
J. D.—Albert Blackburn
I. G.—E. J. Bennett
S. S.—Wm. G. McBride
J. S.—Ross Smith
Tyler—H, L. Eubank

Wor. Bro. Thos. Henry acted as the Master and was assisted in the work by Wor. Bros. Peter Muir, Geo. Mitchell, Wm. Meads, Ray Pedlar, C. N. Richardson, George Banks and Roy Piper. It was decided to continue the work of the Lodge throughout July and August.

THE PEDLAR

The following poem appeard in the Neepewa, Man., Press and refers to Mr. Chas. T. Pedlar, an old Artemesia boy, who is the Chevrolet agency in that town.

The old-time Pedlar went on foot,
And travelled near and far,
And carried pack upon his back,
He never had a car.

But Pedlars like the times have changed,
And gone one better yet,
He travels round now like a lord,
In a fine new Chevrolet.

The grat success, till now he's had
Is very seldom seen.
He tells the world the cars he's sold
Now number seventeen.

Said he, it's really just a start,
You people now take heed,
Just watch my smoke when once I get
From low to higher speed.

To help him speed up faster yet,
He now has got a man,
And Curly Halford's on the job,
To help him all he can.

For Curly, he can take a car,
And tune it up like new,
Or sell to you a Chevrolet,
Or maybe even two.

He talks in terms of spark and coil,
And volts and things like that,
He has the 'lectric juice down fine,
From ohm to kilowatt.

And has he got the gift of gab,
He beats all that I have met.
He'd sell to Henry Ford in sight,
A brand new Chevrolet.

Nont so unattentive as they who are simply bursting with something they want to say themselvs.

Even the clock, living by its tick alone, has its human imitators. Every business men's ledger has some proof of this.

GAS PRICES DROP AS TAX INCREASES

The sale of gasoline represents approximately five per cent. of the total retail trade of Canada and while the cost of this commodity has declined steadily since 1924, the average tax per gallon collected by provincial Govermens has increased twenty-fold in the same period.

Figures recently compiled for 1933, the latest available, show the total retail trade amounted to $1,776,884,000. Of this, it is estimated $98,323,095 ws spent on gasoline.

Mrs. Geo. White Died on Sunday

Mrs. George W. White, life-long resident of this vicinity, passed away at the Markdale Hospital on Sunday at the age of 53. Deceased had been in delicate health for some time past and had undergone an operation on Saturday which was successful, but a stroke is said to have caused her death.

The late Mrs. White, whose maiden name was Harriet Elizabeth Johnson, was a daughter of the late Margaret Sharpe and George Johnson and was born two and a half miles south of Flesherton. Thirty one years ago she was united in marriage to George W. White of Saugeen Junction and they made their home south of the village, in Artemesia Township.

Besides her sorrowing husband the late Mrs. White leaves to mourn her passing three children, Wesley of Fort Severn, Willie and Elsie both at home. Another son, Fred passed away thirteen years ago and two babies died in infancy. Also surviving are two brothers, George and William, both of Flesherton and two sisters, Annie, Mrs. Lyons, of Dundalk and Jennie, Mrs. John Parker, of Flesherton. Another brother, Robert, died twenty years ago. Her mother predeceased her ten weeks ago to the day.

In religion the late Mrs. White was a member of St. Johns United Church here. She was well known and highly esteemed throughout the district and her many friends will learn of her passing with deep regret. The funeral was held on Tuesday with a service at her late residence at 3 p. m. Interment took place in Flesherton Cemetery, and was largely attended.

Ten Years of Union

The decennial of the United Church of Canada was observed here in St. John's church on Sunday afternoon by a record congregation, which filled the church. Rev. W. J. Scott, pastor, occupied the pulpit and with him were two former pastors beloved by their congregations, Rev. H. E. Wellwood of Weston and Rev. Joseph Harrower of MacTier. The latter delivered a very searching address from the text "Whom say ye that I am?" Rev. Wellwood reviewed the success of the Union of the three churches which took place ten years ago. The addresses of both these beloved pastors of former years were listened to with keen interest.

The congregation sang with happy gusto and the choir rendered special music. Mr. Murray Inkster of Toronto rendered a baritone solo and Messrs. Robertson, Murray, Eubank and Cairns, a quartette. Rev. Wellwood came to minister to the Methodist church from Chatsworth 26 years ago and Rev. Harrower came to the Presbyterian church about twelve years ago and was the first pastor of the combined churches.

It is announced that Herbert Hoover will not be a candidate for presidency of United States in 1936. That is not exactly news as the same thing can be said of several million other people.

DANCE

will be held in the Orange Hall
PROTON STATION

Friday, June 21st

under the auspices of the Hockey Club
Dance to commence at 9 p.m.

Dorothy Foster and Blackburn Orchestra

ADMISSION:
Gentlemen 25c; Ladies 15c
Ladies with lunch admitted free.

Marie Stinson Killed When Struck By Car

On the morning of June 5th, the entire community of Victoria Corners mourned the sudden passing of little Edith Marie Stinson, elder and dearly beloved child of Earnest A. Stinson and granddaughter of Mr. and Mrs. A. Stinson of that place and of Mr. and Mrs. Edward Richardson of Laurel.

The accident occurred shortly before nine o'clock Thursday morning, when the little girl had been given a ride to school by a neighbor, Mr. Milton Bannon, who stopped the car at the corner to allow the children to alight. It is alleged that Marie ran around the rear of the car directly into the path of a car owned and driven by Ernest Woods of Orangeville, and to which was fastened a trailer carrying a sheep clipping outfit. With Woods as a passenger was Louis Watts of Caledon Lake. Marie was placed in Mr. Bannon's car and rushed to the office of Dr. Frank Martin at Dundalk where she passed away a few moments after being admitted without regaining consciousness.

Marie was a bright child, nearly eight years old, headed her class at school, and it was her delight to attend school. She was also a member with her sister Anne, of Proton United Church Sunday School.

Our deepest sympathy is extended to the bereaved ones who have suffered this great loss, especially to the kind and loving grandmother, their faher's mother, who so tenderly cared for the children since the passing of their mother, nearly two and a half years ago.

On Saturday afternoon at 2 p.m. the neighbors and friends from far and near gathered for the funeral service which was conducted by the Rev. Wilkinson of Dundalk, assisted by the Rev. F. Dunlop of Laurel, and held at the home and graveside in the Flesherton Cemetery.

The little casket was borne by six little girls, Beth Stinson, Arlene Whyte, Lucille Goetz, Muriel Talbot, Kathleen Bannon and Winnie Awde. The flower bearers were boys and girls, all school mates, and was placed beside her mother.

"She is not dead, the child of our affection,
But gone unto that school
Where she no longer needs our poor protection,
And Christ, himself, doth rule."

The floral tributes were beautiful and many: pillow, Daddy, Anne, Granny and Granddad; sheaf, Aunt Edith and Uncle Melvin, Aunt Peggy and Uncle Bill; spray, Mr. and Mrs. Jos. Stinson and family; spray, Beth Stinson; sheaf of roses, W. H. Stinson; bouquet, Beth and Douglas McLure; sheaf, Mr. and Mrs. W. R. Grosskurth, Weston; bouquet, Betty and the boys, Weston; spray, Aunt Jean, Toronto; basket, Dorothy and Herbert; spray, Badgerow family; spray, Ernest Woods and Lewis Watts; spray, her Sunday School teachers and class mates; sheaf, Proton United Church Sunday School; sheaf, Miss Henderson, teacher, S. S No. 4, Artemesia; wreath, School Section No. 4, Artemesia; spray, the neighbors; bouquet, Lockhart family of Clinton; basket, Lillian McQuirk, Dundalk; basket, Mr. and Mrs. A. D. Harrison, Dundalk.

Those from a distance who attended the funeral were: Mr. and Mrs. Wm. Coon, Mr. and Mrs. Warren Grosskurth and Miss Helen Badgerow, all of Toronto; Mr. and Mrs. Melvin Hawes, Bright; W. H. Stinson, Port Dover; Mr. and Mrs. Arthur Richardson, Preston; Mr. and Mrs. Edward Richardson, Mr. and Mrs. Dunlop, Mr. and Mrs. Ernest Richardson, Mr. and Mrs. Fife and other friends from Laurel.

WHEN HE COMES OUT

When a man has ben in prison for five or ten years he has become a victim of routine. He has never had to think about earning a meal or he has never had to worry about where the next meal is coming from. He gets a bath and change of clothing on a certain day. He rises when he is supposed to and gets in when that hour comes. On the day he walks out this changes. He must again do something on his own initiative, and his initiative has become dulled by routien. He must work if he is going to live, and work is hard to find. He must face the handicap that he is an ex-canvict and that narrows down to a small number of people who will give him a chance. We believe the man who leaves a prison has a greater problem on his hands than the man who is in prison.—Stratford Beacon-Herald.

Orange Gathering

Saturday evening Orange circles in Artemesia District were honored with the presence of Aughrim Rose of Derry Lodge No. 2159 at a special meeting held in the Franternity Hall, Flesherton. Six candidates were present from Eugenia to take the Blue Degree and also took the Arch Degree along with one candidate from Flesherton. The visiting degree team, led by Wor. Bro. R. H. Leslie gave the two degrees in a faultless manner that received high praise from the large number of members present.

Wor. Bro. W. Wellwood, Master of the County of East Grey, attended, along with Wor. Bro. Parker, past County Master of North Grey, and Wor. Bro. E. A. Fennell, past District Master of East Toronto District, besides a number of past District and County Masters of our own County.

Lunch was served to the visitors who journeyed here by truck and a most enjoyable evening was spent by the member of the Orange Association.

Timothy Seed Production

In the past five years Canada's position regarding timohy seed supply has been changed from that of a heavy importer to that of a large producer, with production, in 1934, amounting to almost enough for Canadian needs. This is particularly fortunate at the present time when there are only small supplies available for importation from other countries, owing to their greatly reduced production as a result of drought in 1934.

Timothy seed production in Canada has increased from few hundred thousand pounds in 1929 to more than five million pounds in 1934. The importance of last year's Canadian crop is not alone because of volume for the price per pound to the grower is about 16 cents. This is twice the average price for the five years previous when world production was normal. This rapid development and increase of the timothy seed industry in Canada could not have come at a more favourable time for the seed growers. Even greater production may be expected in Canada this year but there is still ample room for further expansion, as any surplus seed produced in Canada find a ready market abroad.

Sunday School Convention

Arrangements have been completed for the annual Sunday School convention for Artemesia, Markdale and Flesherton, to be held in Priceville on Wednesday, June 19th. A fine Program will be provided. The speakers will be Mrs. J. J. Eaton of Toronto, Rev. A. H. Ferry, B.D. Phc.-M.M. of Corbetton and Rev. A. Bushell of Maxwell. Mrs. Eaton, who is the Provincial Representative is an expert in Sunday School work and comes highly recommended, Messrs. Ferry and Bushell are fine speakers and the convention should be exceptionally interesting.

All superintendants should see that reports from their schools are sent to the township secretary immediately.

Lawn Bowling Now For Local Citizens

A meeting was held in the Munshaw House Monday evening for the purpose of organizing a bowling club, headed by Wm. F. Patter, who spoke before a large number of those who are interested. Messrs. Geo. Linley Geo. Hanbury and M. E. Harrington, executive of the Dundalk Bowling Club attended the meeting to render any assistance possible. Plans were submitted to the meeting for financing, lighting and general business and approved, with the result of an enthusiastic bowling club being formed in Flesherton.

Mr. Walter Akitt's lot adjoining his home was accepted as a suitable location, having been built for a bowling green, which was kindly given gratis to the club for the current year, after which an argreement was made to lease the land to the club for five or ten years, with an option of buying at any time Mr. Akitt desired to sell. The lot is of sufficient width for four greens and it was also believed that another four greens could be built in the rear. A discussion took place in reference to the lighting system and was eventually referred to the grounds committee, when appointed as the maximum estimate obtained was sixty dollars for any form of lighting.

Mr. Harrington spoke on our most favorable position and advantages, stating that the site was all that could be desired; and that when Dundalk club started, it was necessary to build from the rough and drainage was necessary; where we have a natural drainage.

The meeting was then open for discussion, after which the following executive was elected:

President—Wm. F. Potter.
Vice Pres.—Dr. A. E. Little.
Sec-Treas.—Wm. Miller.
Grounds Com. — Messrs. Potter, Little and Miller.
Tournament Com. — J. O. Dargavel Geo. McTavish and E. Bennett.
Club Welfare Com. — G. B. Welton, Dr. Milne and J. O. Dargavel.

The Finance Committee is composed of the first three officers.

Membership fees for resident members were set at $5.00 and non-resident $3.00. Donations to the club are expected to be forthcoming from a few who, for various reasons, are unable to join this year. These will be accepted as associate members.

Twenty-three residents and one non-rsident members signed up for the current year, but more are expected to be added to the list before the opening, which will be early in July.

A meeting of members will be called for next week, after which the necessary operations will commence for the needed lighting equipment etc.

In all, the meeting was highly successful and closed with a vote of thanks for the assistance from the visiting members from Dundalk.

LADIES' BOWLING

A meeting will be held at Wm. F. Potter's store and residence for the purpose of organizing a ladies bowling club on Monday, July 17th at 8 p.m. Estimated seasons fee $2.00. All interested please attend.

St. John's United Church
FLESHERTON

Services, June 16, 1935
