THIS OFFICE Insures against Loss or Damage by Fire, all descriptions of Buildings, including Mill and Manufactories, and the Goods, Wares and Merchandise in the same; Ships in harbor or in dock; Craft on navigable rivers and canals, and the Goods laden on the same; and Farming Stock of all descriptions.

The "Equitable" Fire Office will by a constant analysis of its own experience from time to time adopt such rates of Premiums as the nature of the risk may justify.

With this view, an annual investigation will be made into each class of risk, and a return of one moiety—or fifty per cent—of the nett excess will be made to all classes of Insurers, whose Policies have been in force for three years.

The engagements of the Equitable are guaranteed by a responsible proprietary, and an ample subscribed Capital. The insured are free from the liabilities of a Mutual Insurance Society, and entitled, according to the plan of the Company, to a return of half the profits.

Losses are made good, without deduction or discount, and are adjusted and paid in Montreal, without reference to London.

☞ By a resolution of the Court in London, PREMIUMS ARE RETAINED IN MONTREAL to pay Losses and ACCUMULATE a FUND of £10,000.
