ENGLISH AND AMERICAN Garden, Field and Flower Seeds.

E. W. PALMER respectfully intimates to Farmers, Gardeners and others, that he has for sale at his Drug Store, Market Square, Kingston, an assortment of the *best, purest* and *freshest* variety of Field, Garden and Flower Seeds that could be procured in the English and American Markets.

The English Seeds were imported in December, direct from the most celebrated Seedsmen in London; and those from the United States were purchased from a Seedsman of twenty years' standing at Flushing, N. Y.

The importation of last year (though much larger than that of the previous one) having been found too limited to supply the greatly increased demand, last Fall's orders were much extended; several new and improved kinds of Cabbage and Turnip Seeds, Peas, &c., added, so that this year it is hoped that all orders may be filled. To secure supplies, however, early application should be made.

The Advertiser, by his seed importations, has greatly contributed to the improvement of Garden Vegetables and Field Root Crops, and he is determined that no exertions will be wanting on his part to extend that improvement.

Country Merchants supplied on the usual liberal terms.

Catalogue furnished on application.

PRACTICAL EXPERIENCE OF DR. GRIES, IN CONSUMPTION.

Magdeburg, 16 Sep., 1853.

My wife, having suffered for years from a pulmonary complaint, became so ill at the beginning of this year, that I looked daily for her dissolution. The remedies which hitherto had relieved her remained now without effect, and the ulcerations of the lungs and night sweats debilitated her fearful. It was in this, evidently the last and hopeless stage of pulmonary consumption, when every Medicine remained powerless in even affording temporary relief—that I was induced by a medical brother from Hanover, who makes pulmonary consumption his special study, and treats it with Du Barry's Revalenta Arabica, to try this strengthening and restorative food, and I am happy to be able to express my astonishment at its effects. My poor wife is now in as perfect a state of health as ever she was, attending to her household affairs and quite happy. It is with pleasure and the most sincere gratitude to God for the restoration of my wife, that I fulfil my duty of making the extraordinary efficacy of Du Barry's Revalenta, in so fearful a complaint, known; and to recommend it to all other sufferers.

GRIES, M. D.

CERTIFICATE FROM DR. GATTIKER.

Zurich, 3rd September, 1853.

I have tried Du Barry's Revalenta Arabica for a complaint which had hitherto resisted all other remedies—viz.: CANCER OF THE STOMACH; and I am happy to say, with the most successful result. This soothing remedy has the effect, not only of arresting the vomiting, which is so fearfully distressing in cancer of the stomach, but also of restoring perfect digestion and assimilation. The same satisfactory influence of this excellent remedy I have found in all complaints of the digestive organs; it has also proved effectual in a most obstinate case of habitual flatulence and colic of many years standing. I look upon this delicious Food as the most excellent restorative gift of nature.

DR. GATTIKER.

Plymouth, May 9th, 1851.

For the last ten years I have been suffering from dyspepsia, headaches, nervousness, low spirits, sleeplessness, and delusions, and swallowed an incredible amount of medicine without relief. I am happy to say that your Food has cured me, and I am now enjoying better health than I have had for many years past.

J. S. NEWTON.

Devon Cottage, Bromley,
Middlesex, March 31, 1849.

GENTLEMEN,—The lady for whom I ordered your food is six months advanced in pregnancy, and was suffering severely from indigestion, constipation, throwing up her meals shortly after eating them, having a great deal of heartburn, and being constantly obliged to have recourse to physic or the enema, and sometimes to both—I am happy to inform you that your food produced immediate relief. She has never been sick since, had but little heartburn, and the functions are more regular, &c.

DR. WURZER'S TESTIMONIAL.

Bonn, 19th July, 1853.

This light and pleasant Farina is one of the most excellent, nourishing, and restorative remedies, and supersedes, in many cases, all kinds of medicines. It is particularly useful in confined habit of body, as also in diarrhœa, bowel complaints, affections of the kidneys and bladder, such as stone or gravel; inflammatory irritation and cramp of the urethra, cramp of the kidneys and bladder, strictures and hemorrhoids. This really invaluable remedy is employed with the most satisfactory result, not only in bronchial and pulmonary complaints, where irritation and pain are to be removed, but also in pulmonary and bronchial consumption, in which it counteracts effectually the troublesome cough; and I am enabled with perfect truth to express the conviction that Du Barry's Revalenta Arabica is adapted to the cure of incipient heetic complaints and consumption. GREAT ENGLISH REMEDY!

THE MOST VALUABLE
Spring and Summer Medicine in the World!!

DR. HALSEY'S
FOREST WINE!

Patronized by the Nobility and Medical Faculty of England, and esteemed the most extraordinary Medicine in the World.

MEDICINES containing molasses or liquorice, like the boasted Sarsaparillas, require many large bottles to produce the slightest change in health. The FOREST WINE is altogether a different article. It contains no syrup to give it consistency, but acquires its excellent flavor, and powerful medicinal properties from the vegetable plants of which it is composed. The FOREST WINE combines the virtues of

Wild Cherry, Dandelion, Yellow Dock, and Sarsaparilla!

with other valuable plants whose properties are still more effective.

Its high concentration renders it one of the most efficient medicines now in use. Sometimes less than a single bottle restores the lingering patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The FOREST WINE is recommended in the strongest terms, for all complaints of the

☞ Stomach, Liver, Kidneys, Nervous Disorders, Bilious Affections, Dropsy, Dyspepsia, Loss of Appetite, Jaundice, Female Complaints, Scrofula, and all Disorders arising from Bad Blood and impure habit of the system.

SAVED FROM DEATH.

estimony of Mr. Nathan Mathews, a highly respectable and wealthy citizen of Newark, N.J.

DR. G. W. HALSEY:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them I laid at the point of death, with Dropsy, Piles, and Asthma. My physicians had given me over as past cure, and my family had lost all hopes of my recovery. While in this dreadful situation, your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age. Yours, respectfully,

N MATHEWS.

Newark, N. J., Dec. 19, 1847

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING.

New York, Jan. 5th, 1848.

DR. HALSEY, *Dear Sir*:—Having taken your Forest Wine and Pills to remove a disease of the liver, from which I have suffered severely for upwards of ten years; and having adhered closely to the directions which accompany the medicines, I have recovered my health notwithstanding all who know me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke despairingly of my case and tried to persuade me from making use of any advertised remedies; and, I doubt not, but what there are hundreds who are discouraged from taking your excellent medicines, in consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled men, in flaming advertisements. But, what a pity it is, that the deception used by others, should be the means of dissuading many laboring under disease, from making trial and being cured by your excellent remedies. Humanly speaking, they have saved my life; when I commenced making use of them, I was in a wretched condition but began to experience their good effects in less than three days; and in six weeks from the time I purchased the medicines, to the great surprise of all my friends, I was entirely cured, and had increased fifteen pounds in weight, having taken one box of the Pills, and two bottles of the Wine. Would to God that every poor sufferer would avail himself of the same remedies. Yours, &c.,

JAMES WILSON.

NERVOUS DISORDERS

Are diseases of the mind as well as of the body, are usually brought on by troubles and affliction, and are most common to persons of delicate constitutions and sensitive minds. Low spirits, melancholy, frightful dreams, and fearful anticipations of evil from the slightest causes, generally accompany nervous disorders. The Forest Wine and Pills are an energetic remedy in these complaints.

Extract of a letter from Mr. Joseph C. Paulding, dated

DR. G. W. HALSEY: Philadelphia Sept 7, 1848.

Dear Sir, your Forest Wine and Pills have cured my wife of a dreadful Nervous disorder, with which she had been affected for many years. Her body was almost wasted away. She was frequently disturbed in her sleep by frightful dreams, awakening quite exhausted and covered with perspiration, and at times laboring under the delusion that something dreadful was about to happen to her. By the use of four bottles of the Wine and a box of the Pills, she is now in perfect health. She has regained her flesh and color, and enjoys society as well as ever.

J. C. PAULDING.

DR. DAVID MARVIN, a celebrated practitioner of New York, declared publicly, that one bottle of Halsey's Forest Wine contained more virtues than fifty of the large bottles of Sarsaparilla. Messrs. S. S. LAPMAN & Co., one of the largest and most respectable Druggists in Syracuse, in a letter, says: "From what they have heard and seen of Halsey's Forest Wine, it is an excellent and good medicine, and will undoubtedly become the leading medicine of the day."

The Forest Wine is put up in large square bottles, with Dr. Halsey's name blown in the glass; $1 per bottle, or six bottles for $5. Gum-coated Pills, 25 Cents per box. Agents are authorized to retail as well as to wholesale on as favorable conditions as the proprietor, No. 131 Duane St., corner of Hudson, N. York. Appointed Agents.

It gets its ingredients from the beds of substances which it passes over in its secret channel. They are blended together in such a form as to defy all human competition. The Petroleum in this respect is like Mineral Waters, whose virtues in most chronic diseases, are acknowledged, not only by Physicians, but by the community at large.

Rheumatism, Neuralgia, White Swelling, Sore Eyes, Deafness, Burns, Scalds and Piles, are all cured by this Natural Remedy.

It is also a sure cure for Chilblains on the feet, and Scratches on Horses.

PUNDERSON'S CONDITION POWDERS,
For Horses and Horned Cattle.

THE change of weather and season with the change of use and feed, have a very great effect upon the blood and animal fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Botts, &c. All of which will be prevented by giving one of these powders once a year, either Spring or Fall, and will, at any time, cure when any symptoms of disease appears, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed.

One or two Powders will perfectly cure a recent Foundre in 6 or 8 days without leaving the least effect in the feet, if no blood is let, and nothing else done, only to give the powder as directed. Bleeding changes the inflammation from acute to chronic, and settles in the feet. In Horse Distemper, they allay the fever and promote a healthy termination of the disease.

One Powder will in all cases cure the Horse Distemper in a cow, without boring the horns or doing anything more than to give the Powder as directed for a horse. An ox will sometimes require a double dose, or 2 Powders. Every cow should have one Powder given her after calving, it carries off all fever, and humors, cleans her well, and makes her milk rich and abundant through the season. Their effect is the same on all Herbivorous animals.

As there are many imitations and counterfeits see that you get "PUNDERSON'S CONDITION POWDERS." Agents for this City, E. W. PALMER, Chemist, and G. BAKER & Co.
