The Late Thos. Genoe

EUGENIA

Another of our esteemed pioneer residents has answered the last roll call in the person of Mr. Thos. Genoe, who passed away about 10 o'clock Thursday morning, January 30. The late Mr. Genoe who was in his 81st year, was a son of the late Mr. and Mrs. Wm. Genoe. He had been critically ill a couple of months ago but overcame this and seemed to be regaining his health again. A few days prior to his death he did not seem quite so well again and passed suddenly and peacefully away. His wife whose maiden name was Miss Maggie Hislop, predeceased him about two years ago. They resided nearly all their lives in Artemesia with the exception of a year or so when they lived in United States. Together with patience they met the trials and troubles of pioneer life, residing for a number of years on the 10th Line, farm, later moving to the village. They raised a family of five children, viz.— Adam of Meaford, Thos. of Ceylon, Dave of Eugenia, north and Ray of the home in the village. A daughter, Belle, (Mrs. Fred Wickens) predeceased him over 20 years ago. In religion Mr. Genoe was a member of the Cedarville Mission, Toronto, but often attended the Baptist church at Rock Mills and Flesherton.

On Saturday afternoon the funeral was held from his late residence to Flesherton cemetery, Rev. Wolstencroft, Baptist minister of Flesherton, officiated. He spoke words showing high respect for the deceased and was assured that he had gained life eternal. The hymns that were sung were:— Jesus, lover of my Soul, and Safe in the Arms of Jesus. The pallbearers were: Messrs Fred Wickens, John Hislop, Jack Campbell, Wilfred Magee, Louis Teeter and Louis Genoe.

After the death of his wife, his son, Ray and wife and family lived with him, making life more pleasant for him during his last days. Besides his family he leaves in sad bereavement, one sister, Mary Ann (Mrs. Dave Wright) of Winnipeg, Manitoba, who is over 90 years of age. To the bereaved friends and relatives we extend our sincere sympathy and may God comfort them in their sad hours.

It is not death to those that sleep in Jesus,
'Tis but to leave the earthly house of clay,
To be with Christ, our risen glorious Saviour,
In yon bright land of never fading day.

Why should we mourn for those who sleep in Jesus?
What we call death is but the gate of bliss,
Ours is the loss but theirs the gain eternal.
While here on earth the dear ones oft we miss.

Thus mid our tears our hearts can only praise Him,
Our loved ones in His keeping are secure,
Till he shall come, then glorious, grand re-union
A blessed home so certain and so sure.

VALVE-IN-HEAD ENGINE *Completes* ITS VALUE

TESTS bring *facts* to light . . . and every test of Chevrolet performance adds further confirmation to the fact that the Valve-in-Head engine is the very best kind for a low-priced car. Two reasons tell why. First, the inherent design of this type of engine (used on racing cars, airplanes, speedboats) produces *extra power.* Second, the shaping of the cylinder head forces fuel to burn evenly and completely, *saving you money on gas.* Conventional engines can't do both these things at the same time; engineers agree you *must* have a Valve-in-Head engine to get this matchless power-economy *combination.* But let your own driving test furnish the proof. Drop in and drive a Chevrolet today. Easy 7% GMAC time payments.
