# HOCKEY GAMES

## Flesherton 6, Proton 2

Flesherton, apparently nettled at and squelshed Proton by a 6—2 score, on the Monday night previous, made up for lost time on Thursday night and squelshed Prton by a 6—2 score leaving Proton in a not too healthy or satisfied mood.

In the first period, Flesherton piled up a score of three by Smith, while Proton was favoured with one by Acheson, leaving Flesherton with a lead of 3—1.

The second period was a red hot series of scraps, slugging and scores, with Acheson and Lyons of Proton, both hot under the collar, and Hopkins of Flesherton, getting major penalties for mixing things up, but Acheson before the bout, was able to place the puck in the Flesherton net, bringing the score to 3—2 for Flesherton. This score was immediately followed up with one by Piper and another by Dargavel, two of Flesherton's starring forwards. The period ended with a tally of 5—2 for Flesherton.

The third period, calm to the second was still a considerably fast game , both teams riled by the several mix-ups, and Proton, more so by the disappointment of the apparent defeat ahead of them, played with all the power and speed available, Flesherton were able to raise their total one more, when Dargavel, played a wonderful game throughout, laid up one more coin in the box to end the scoring game at Flesherton 6, Proton 2.

Beckler of Dundalk, refereed the game.

PROTON—Goal, Blackburn; Def., Lyons and Hodgins; Forwards, R. Acheson, G. Acheson and H. Sims; Alt., White, McCannel, Lyons and Sims.

FLESHERTON—Goal, Ferris; Def., Akitt and McKillop; Forwards, L. Piper and Smith; Alt., M. Piper, Gibson and Hopkins.

## Proton 2, Flesherton 0

One of the largest crowds ever to watch a hockey game in the Flesherton arena, saw Proton cut Flesherton down to the size of a 2—0 defeat. The game was a hard fought affair, with tough ice, that just didn't let the boys get at it. There was many a chance for both teams to raise the tally considerably had it not been for the wonderful work done by both Blackburn of Proton and Ferris of Flesherton, both playing a most remarkable game throughout, with Blackburn getting the first shut out of the Semi-pro finals.

With cheers and boos, the teams entered into the game with all their heart, but they were soon slowed down to a more or less uninteresting pace. The first period saw but one score, by Acheson, Proton forward, this being the only score made by either side until the third period, when Acheson again scored for Proton to end the game at 2—0 for Proton. The game was considered fairly clean throughout, with little slashing or squabbling of any account. Proton and Flesherton will meet again for the 4th game of the finals on Wednesday, March 11, if conditions permit.

Beckler of Dundalk acted as referee for the game.

The line line up was the same as in the previous games.

## Flesherton 4, Dundalk 2

Flesherton seniors added another scalp to their belts, when they defeated Dundalk 4—2 on Friday last in a spectacular game. Both goalies figured greatly in the maintaining of the small score. Ferris of Flesherton has lost but one game so far, playing goal for both the senior and the semi-pro clubs. This was due partly to a great shortage of men on the semi-pro finals with Proton.

The first and second periods of the game were slow and draggy, neither team being able to break from the tight checking of the other, but Bill Patton of Flesherton was able to count one in both the first and second periods and Lyons of Dundalk one in the second leaving a score of 2—1 for Flesherton at the end of the second period.

The third period made up for the dragging of the 1st and 2nd, with fast and clever hockey played by both teams. Flesherton was able to break away with one more goal before Dundalk counted the 2nd and last score by Livermore, then Dargavel tallied the 4th and last of the frame for Flesherton, ending the game with a 4—2 victory for Flesherton.

Beckler of Dundalk refereed the game.

DUNDALK — Goal, McCullough, Defence, Lyons and M. Thompson; Forwards, R. McGuyrk, Livermore and McGuyrk; Alternates, C. Thompson, Dunn, Ross and Acheson.

FLESHERTON—Goal, Ferris; Defence, McCutcheon and Johnson; Forwards, Sled, Phillips and B. Patton; Alternates, Dargavel, Smith, Boyd, Piper and F. Patton.
