ENGLISH AND AMERICAN
Garden, Field and Flower Seeds.

E. W. PALMER respectfully intimates to Farmers, Gardeners and others, that he has for sale at his Drug Store, Market Square, Kingston, an assortment of the *best, purest* and *freshest* variety of Field, Garden and Flower Seeds that could be procured in the English and American Markets.

The English Seeds were imported in December, direct from the most celebrated Seedsmen in London; and those from the United States were purchased from a Seedsman of twenty years' standing at Flushing, N. Y.

The importation of last year (though much larger than that of the previous one) having been found too limited to supply the greatly increased demand, last Fall's orders were much extended; several new and improved kinds of Cabbage and Turnip Seeds, Peas, &c., added, so that this year it is hoped that all orders may be filled. To secure supplies, however, early application should be made.

The Advertiser, by his seed importations, has greatly contributed to the improvement of Garden Vegetables and Field Root Crops and he is determined that no exertions will be wanting on his part to extend that improvement.

Country Merchants supplied on the usual liberal terms.

Catalogue furnished on application.

FREDERICK R. STARR,
General Agent B. N. A. Colonies;
JAMES B. CHIPMAN,
Accountant and Cashier.

THIS OFFICE Insures against Loss or Damage by Fire, all descriptions of Buildings, including Mill and Manufactories, and the Goods, Wares and Merchandise in the same; Ships in harbor or in dock; Craft on navigable rivers and canals, and the Goods laden on the same; and Farming Stock of all descriptions.

The "Equitable" Fire Office will by a constant analysis of its own experience from time to time adopt such rates of Premiums as the nature of the risk may justify.

With this view, an annual investigation will be made into each class of risk, and a return of one moiety—or fifty per cent—of the nett excess will be made to all classes of Insurers, whose Policies have been in force for three years.

The engagements of the Equitable are guaranteed by a responsible proprietary, and an ample subscribed Capital. The insured are free from the liabilities of a Mutual Insurance Society, and entitled, according to the plan of the Company, to a return of half the profits.

Losses are made good, without deduction or discount, and are adjusted and paid in Montreal, without reference to London.

☞ By a resolution of the Court in London, PREMIUMS ARE RETAINED IN MONTREAL to pay Losses and ACCUMULATE a FUND of £10,000.

The undersigned has been appointed Agent for the above Company in Kingston, and is prepared to receive applications for Insurance at his Office, in King Street East, one door North of the Office of the Hon. John A. Macdonald.

HURD'S GOLDEN GLOSS

FOR THE HAIR.—Among the many preparations for the growth of the Hair, this GOLDEN GLOSS takes the lead.—Three reasons will be given why it is so universally used and preferred to all others.—1st. Because it has proved the most effectual in Baldness. 2nd. Because it imparts a beautiful dark gloss and delightful perfume to the Hair. 3rd. Because the Ladies, with fine discrimination, which they all possess, have adopted it. Many other reasons could be given why it is a great favorite, but those who want more have only to give it a trial.—Price 25 cents in large bottles.
