GREAT ENGLISH REMEDY!

THE MOST VALUABLE Spring and Summer Medicine in the World!!

DR. HALSEY'S
FOREST WINE!
Patronized by the Nobility and Medical Faculty of England, and esteemed the most extraordinary Medicine in the World.

MEDICINES containing molasses or liquorice, like the boasted Sarsaparillas, require many large bottles to produce the slightest change in health. The FOREST WINE is altogether a different article. It contains no syrups to give it consistency, but acquires its excellent flavor, and powerful medicinal properties from the vegetable plants of which it is composed. The FOREST WINE combines the virtues of

Wild Cherry, Dandelion, Yellow Dock, and Sarsaparilla!

with other valuable plants whose properties are still more effective.

Its high concentration renders it one of the most efficient medicines now in use. Sometimes less than a single bottle restores the lingering patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The FOREST WINE is recommended in the strongest terms, for all complaints of the

☞ Stomach, Liver, Kidneys, Nervous Disorders, Bilious Affections, Dropsy, Dyspepsia, Loss of Appetite, Jaundice, Female Complaints, Scrofula, and all Disorders arising from BAD BLOOD and impure habit of the system.

SAVED FROM DEATH,

Testimony of Mr. Nathon Mathews, a highly respectable and wealthy citizen of Newark, N.J.

DR. G. W. HALSEY:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them I laid at the point of death, with Dropsy, Piles, and Asthma. My physicians had given me over as past cure, and my family had lost all hopes of my recovery. While in this dreadful situation, your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age.

Yours, respectfully,
N MATHEWS.

Newark, N. J., Dec. 19, 1847

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING.

New York, Jan. 9th, 1848.

DR. HALSEY, *Dear Sir:*—Having taken your Forest Wine and Pills to remove a disease of the Liver, from which I have suffered severely for upwards of ten years; and having adhered closely to the directions which accompany the medicines, I have recovered my health notwithstanding all who knew me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke despairingly of my case and tried to persuade me from making use of any advertised remedies; and, I doubt not, but what there are hundreds who are dissuaded from taking your excellent medicines, in consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled men, in flaming advertisements. But, what a pity it is, that the deception used by others, should be the means of dissuading many laboring under disease, from making trial and being cured by your excellent remedies. Humanly speaking, they have saved my life; when I commenced making use of them, I was in a wretched condition but began to experience their good effects in less than three days; and in six weeks from the time I purchased the medicines, to the great surprise of all my friends, I was entirely cured, and had increased fifteen pounds in weight, having taken one box of the Pills, and two bottles of the Wine. Would to God that every poor sufferer would avail himself of the same remedies.

Yours, &c.,
JAMES WILSON.

NERVOUS DISORDERS

Are diseases of the mind as well as of the body, are usually brought on by troubles and affliction, and are most common to persons of delicate constitutions and sensitive minds. Low spirits, melancholy, frightful dreams, and fearful anticipations of evil from the slightest causes, generally accompany nervous disorders. The Forest Wine and Pills are an energetic remedy in these complaints.

Extract of a letter from Mr. Joseph C. Paulding, dated

DR. G. W. HALSEY: Philadelphia Sept 7, 1848.

Dear Sir, your Forest Wine and Pills have cured my wife of a dreadful Nervous disorder, with which she had been affected for many years. Her body was almost wasted away. She was frequently disturbed in her sleep by frightful dreams, awakening quite exhausted and covered with perspiration, and at times laboring under the delusion that someting dreadful was about to happen to her. By the use of four bottles of the Wine and a box of the Pills, she is now in perfect health. She has regained her flesh and color, and enjoys society as well as ever.

J. C. PAULDING.

DR. DAVID MARVIN, a celebrated practitioner of New York, declared publicly, that one bottle of Halsey's Forest Wine contained more virtues than fifty of the large bottles of Sarsaparilla. Messrs S. S. LATHAM & Co., one of the largest and most respectable Druggists in Syracuse, in a letter, says: "From what they have heard and seen of Halsey's Forest Wine, it is an excellent and good medicine, and will undoubtedly become the leading medicine of the day."

The Forest Wine is put up in large square bottles, with Dr. Halsey's name blown in the glass; $1 per bottle, or six bottles for $5. Gum-coated Pills, 25 Cents per box. Agents are authorized to retail as well as to wholesale on as favorable conditions as the proprietor, No. 161 Duane St., corner of Hudson, N. York. Appointed Agents.

PEIRS' ROCK OIL, or PETROLEUM.

A NATURAL REMEDY, procured from a Well in Alleghany County, Pa., four hundred feet below the Earth's Surface.

The Petroleum is a natural Remedy—it is put up as it flows from the bosom of the earth, without anything being added to or taken from it.

It gets its ingredients from the beds of substances which it passes over in its secret channel. They are blended together in such a form as to defy all human competition. The Petroleum in this respect is like Mineral Waters, whose virtues in most chronic diseases, are acknowledged, not only by Physicians, but by the community at large.

Rheumatism, Neuralgia, White Swelling, Sore Eyes, Deafness, Burns, Scalds and Piles, are all cured by this Natural Remedy.

It is also a sure cure for Chilblains on the feet, and Scratches on Horses.

Full directions accompany each bottle. Price 2s. 6d.

For sale by the principal Druggists in this city.

PUNDERSON'S
CONDITION POWDERS.
For Horses and Horned Cattle.

THE change of weather and season with the change of use and feed, have a very great effect upon the blood and sinuous fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Rotts, &c. All of which will be prevented by giving one of these powders once a year, either Spring or Fall, and will, at any time, cure when any symptoms of disease appears, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed.

One or two Powders will perfectly cure a recent Founder in 6 or 8 days without leaving the least effect in the feet, if no blood is let, and nothing else done, only to give the powder as directed. Bleeding changes the inflammation from acute to chronic, and settles in the feet. In Horse-Distemper, they allay the fever and promote a healthy termination of the disease.

One Powder will in all cases cure the Horse Distemper in a cow, without boring the horn or doing anything more than to give the Powder as directed for a horse. An ox will sometimes require a double dose, or 2 Powders. Every cow should have one Powder given her after calving, it carries off all fever, and humors, cleans her well, and makes her milk good and abundant through the season. Their effect is the same on all Herbivorous animals.

As there are many imitations and counterfeits, see that you get "PUNDERSON'S CONDITION POWDERS." Agents for this City: E. W. PALMER, CHAS. HEATH and G. BARBER & Co.
