SWINTON PARK

(Intended for Last Week)

Again the weather is warm and looking like rain, which would revive all outside after the frost of last week.

Lots of noise in the Park this Monday morning, Flood's are buzzing wood, Delbert Haw with tractor, tearing up the earth at six o'clock this morning on the Campbell farm, Jim Hardy digging post holes, J. Aldcorn turning the washing machine, and above all this racket, we distinctly hear wedding bells, south and west of us. When Walter Black got married on the second of May, he started something that may need looking into, as it is early in leap year yet, should the young ladies be too persistent. Oswald Dingwall, teacher in the Park has his car along this week, so he can call on someone in the evening.

Next Sunday, Rev. Wm. McIntosh of Dundalk will conduct services in Swinton Park at 3 p.m.

Very sad was the message received by Mrs. George Black last week, telling of the death of her sister, Sarah, wife of the late Thomas Ferris at Oxbow, Saskatchewan, who died on May 4th in her 75th year. Mrs. Ferris was Sarah Haw, youngest daughter of the late William Haw of Swinton Park and sister of Mrs. Black, Albert, John and George Haw of Swinton Park. A few of the old Folk will recall many happy hours spent in the company of Sally Haw at school, in girlhood, and in early married life. She was a great lover of all outside, birds and animals, always cheerful and kindly. About 35 years ago the family went west to Saskatchewan.
