Suggest Bounty For Sheep Killing Dogs

The Osprey Municipal Council met in the Orange Hall at Feversham on Saturday. June 20th, all the members were present with the Reeve, Mr. Lockhart in the chair.

The minutes and proceedings of the last meeting were read and confirmed and the following business was done.

A deputation of ratepayers from the South side of the Township was again on hand to press their claim to having the 30th side road opened; this project has, without doubt, been dealt with by Councils for the past twenty-five years and I expect the same old promises have been made; however, sometime that road will have to be opened.

Another matter brought to the attention of the Council was the expenditures which have been made on the Coutts Drain, as past Financial Statements are supposedl to tell the story, the Clerk was instructed to delve into them and report on his findings.

Sheep-worrying dogs came in for considerable discussion on receipt of Valuers reports to the amount of $358.00. Opinions were expressed by members of the council that a bounty should be paid for the destroying of these marauders, however, it was laid over until the next meeting when it will be thoroughly dealt with.

By-law No 12 (1936) appointing Mr. C. L. Vanwyck as Auditor for the year 1936, at a salary of $75.00 was passed.

General accounts ordered paid were: E. Robinson, stamps $6.00; Osprey Farmers Milling Co.. relief to Knuffs, $6.00; Mrs. Jno Elliott stove for Marsden's $4.00; Robt. Priestly, relief accounts for Adairs $8.00; H. E. Hammil relief account to Adairs, $20.00; Caleb Clayton, sheep claim $230.00; J. A. Davidson, sheep claim $32.00; A. Hutchinson, sheep claim $96.00; L. Cox, valuer $1.50; C. N. Lang, old age application $3.25; members of the council $3.00 each for special meeting.

General road accounts ordered paid were: A. D. Jamieson, $11.60; F. Shortt $9.20; Wm. Davidson $1480; Robt. Spears $9.20; Jas. Essex $8.60; V. Wright $16.20; G. Campbell $17.10; A. Council adjourned to meet at Singhampton on Saturday. July 25th, at 2 p.m. —C. N. LONG. Clerk

TENNIS TILT AT THORNBURY

On Thursday, June 25, several members of the Flesherton Tennis Club journeyed to Thornbury and spent a very enjoyable afternoon as guests of the tennis enthusiasts of that place. Flesherton was lacking in lady players, several of whom were unable to go, but they did the best they could with but four players. At six o'clock the Thornbury club treated the Flesherton club to a lovely lunch and then proceeded till dusk with tennis. At the close, Mr. Carl Carruthers, on behalf of the Flesherton Club thanked the Thornbury people for a wonderful afternoon and extended an invitation for a return visit soon, and was replied to by Mr. Art Ramage of that place. The results of the afternoon were:—

Ladies' Doubles, Flesherton 0, Thornbury 2; Men's Doubles, Flesherton 4, Thornbury 3; Mixed Doubles, Flesherton 3, Thornbury 6; Men's Singles, Flesherton 1, Thornbury 2. Total, Flesheron 8, Thornbury 13.

It isn't the money that talks that worries most of us so much. It is the money that doesn't even look our way or mutter.

Theft of Scrap Iron

Two young men from Toronto were caught on Friday last after they had cleared some scrap iron from a vacant farm in Artemesia township. Mr. Chas. Stafford of Toronto Line North was working on his farm on the west backline and heard what he thought were section men working on the railway. Shortly afterward he heard a motor start up and leave. He became suspicious and upon investigation found where a truck had been present and had left, travelling south. A neighbor had seen the truck on the road heading toward Flesherton and with this information notified Provincial Constable Cooke, who detained the men when they arrived in town with their load. Restitution was made with Mr. Stafford, it is said, when a sum of money was paid over for the old iron, and the young men given a solemn lecture on their act with a warning that their next escapade would not end so quietly.

Memorial Fund Needs Your Help

The Memorial fund had a splendid boost this week from the Toronto branch of the Flesherton Old Boys' and Girls' Association when three subscriptions were sent in from Mr. Burton E. Field the energetic secretary. the names of whom appear in the list below. Flesherton citizens are very backward in sending in their donations. Over one thousand dollars is needed to erect a proper memorial and if everybody will get behind the movement the objective could be reached in a very short time. No matter whether the amount is 25 cents or ten dollars it will be welcome. Don't delay, send in your donation at once to either F. H. W. Hickling, G. A. McTavish or The Advance office.

Grey-Dufferin W.C.T.U. Met At Orangeville

The annual meeting of the Grey and Dufferin Counties W.C.T.U. was held at First Avenue United Church, Orangeville, on Thursday last. The visitors from the visiting Unions were welcomed by Mrs. A. G. Griggs of Orangeville. Miss V. Nicholson of Flesherton gave an appreciative reply. The president of the counties W.C.T.U., Mrs. J. R. Wolstencroft, gave a very inspiring address on "Prayer."

Reports featured both the morning and afternoon sessions. The reports of Loyal Temperance Legions and Scientific Temperance work in the Sunday Schools was particularly encouraging. Mrs. L. B. Danard was the special speaker in the morning. She dealt with the temperance cause from several standpoints. "Why, What and How the Temperance Cause Can be Carried On." Mrs. S. A. Morrison of Meaford spoke during the noontide "Quiet Houd" and gave a very fine outline of the scientific temperance work being accomplished among the Sunday School children.

The special speaker of the afternoon session was Rev. A. H. Ferry of Corbetton. Rev. Mr. Ferry, who is a medical doctor and an analyst, gave one of the most comprehensive addresses his audience was ever privileged to hear. He dealt with the evils of alchohol from a scientific standpoint and gave his hearers much valuable information to use in combatting the use of alcohol.

During the afternoon the election of officers was held. Mrs. Williams of Flesherton was elected president; Mrs. Wise of Orangeville, vice president; Mrs. Bert Carter, Markdale, corresponding secretary; Mrs. F. Ritchie, Markdale, recording secretary; Mrs. L. B. Danard, Owen Sound, treasurer.

She had only run a short distance when she was seen to have suddenly fallen to the round. When she did not rise at once aid rushed to her but it was seen she was dying and nothing could be done. When Dr. R. W. Lindsay of Dundalk arrived on the scene the little girl had expired. The picnic was held at the home of Mr. and Mrs. Manning Dobson, 12th line, Osprey. Dr. Frank Martin, coroner, of Dundalk decided that an inquest was not necessary and stated that death was was due to a heart weakness made acute by extra exertion.

Maxwell School Picnic

Ideal weather greeted the pupils and ratepayers of school section No 9, when they gathered together, on Friday, June 26th, for their first annual picnic which was held on the school grounds at Maxwell.

Heading the list on the sports program was a softball game, the ladies vs the school children. which resulted in an overwhelming victory for the latter, the score being 23—4. The various races were well contested and the children made good showing in their different classes. The young ladies also proved to be good runners with J. Bushell leading. In the young men's race, Milton Shouldice arrived first over the line. The married folk were not to be outdone by the younger set, with Mrs. D. A. Winters taking the laurels for the ladies and Mr. J. Wright for the men; Miss Tillie Kerton had the fleetest feet among the stout ladies; Charlie Grummett took some long leaps to victory in the frog race; Laureen Pedlar was first to bring her peanuts home, and Ted Bushell was best on overcoming obstacles.

A softball game married men vs single men, had been planned but on account of a scarcity of men it resulted in a fsiendly game between two teams chosen from the ranks of ladies and men present. The score was 12—11.

The ladies made lemonade and brought many good things from the depths of the luncheon baskets to abundantly spread the tables arranged under the trees. Rev. Bushell said the blessing after which everyone had a social half hour talking and partaking of the repast. All were liberally treated to ice-cream and Mr. Shouldice treated the children to a peanut scramble.
