EDITORIAL NOTES

In the report of prisons and reformatories for Ontario for 1934—1935 some interesting figures are found. For instance, the commitals to the Ontario Reformatory at Guelph classified according to church affiliations were as follows: Anglicans 91, Baptist 19, Hebrews 12, Roman Catholic 161, Presbyertian 51, United Church 90, others 14.

Among those from here who attended Derry Day celebration at St. Catherines were: Mr. and Mrs. Jim Russell, Mrs. Chas. Newell, Mrs. Alex. English and Jack, Mrs. Sam Fisher and Roy, Mr. and Mrs. Cecil Monaghan, Mrs. Norman MacIllmurray and Lois, Miss Ruby Robertson, Messrs. Lorne Atkinson, George Johnson and Jas. Newell. The party also went to Niagara Falls and saw the illumination of the falls at night which is a very pretty sight.

Prayer meeting will be held this Friday night at the home of Mr. and Mrs. Lorne Atkinson, conducted by Rev. Mr. Dean of Feversham. Everybody welcome.

Mrs. Jos. Croft visited the first of the week with her son, Mr. Merron Croft and family at McIntyre.

LIGHTNING'S PECULIAR FREAK

During an electric storm on Saturday afternoon last lightning struck the line fence between the properties of David Cook and Robert Nixon, Collingwood and St. Vincent townline, setting fire to the rail fence and grass and completely burning up 10 rods of wire (two strands) along the top of same. Not a bit of the wire could be found. The fence was about 10 to 15 rods away from the Nixon house and the fire was put out as soon as noticed. Neighbors, Earl and Corle Londry, assisted in stamping out the fire menace.—Meaford Express.

One of the worries our ancestors didn't have was how to pronounce quintuplets.

Osprey Council

On Saturday, July 25th, the Osprey Municipal Government met for its deliberations of business (routine or otherwise) which might be brought to its attention. The members were all on hand in good time and upon being called to order by Reeve Lockhart any matters pertaining to the welfare of the Municipality were taken up.

Upon the production of the mail bag it was found to contain only a letter from A. E. Wilson & Co. in regard to Public Liability Insurance and Workmen's Compensation Insurance and one from the Relief Officer of the Town of Collingwood for a relief account.

A delegation of officials of the General and Marine Hospital awaited on the council to have some accounts adjusted.

Acting under instructions of a motion of the last meeting the Clerk presented the report of his finding on the 'Coutts' drain, this caused considerable discussion and was laid over until the next meeting when advice will be sought on some of the complaints.

A motion was introduced and passed to apply to the county to allow this municipality to collect its own arrears of taxes. This should prove a distinct advantage, as under the present system it is cumbersome and of no advantage to any one.

By-law No. 13 (1936) authorizing the borrowing of $5000.00 was passed.

General accounts ordered paid were as follows: H. E. Hammil, relief account to Adairs $36.00; R. Priestly, relief account to Adairs, $9.00; A. Adair, wood to Adair $2.00; E. Sullivan, sheep claim, $7.00; G. Campbell, sheep claim, $14.00; J. T. Davidson, sheep claim $10.00; L. Cox, valuer $1.00; Treas. of town of Collingwood, relief account to S. Blackburn $26.81; R.
