THE undersigned will sell by public Auction, on Wednesday, 26th July next—The remaining unsold Lots on the above Streets, the property of the Hon. John A. McDonald and David Shaw, Esq.

Their proximity to the city, being nearly equidistant to the City Hall by either of the main thoroughfares of Princess and Union Streets, or by Johnson Street, which is now being extended, and will intersect the junction of Collingwood and Nelson Streets, renders them in every point of view unsurpassable for city residences. The terms of payment are on the most liberal scale, affording parties who may have fixed incomes, or others, the opportunity, for a small sum per annum, to possess a property which the course of a few years will greatly enhance in value.

GREAT SALE OF CITY LOTS.
THE undersigned offers for sale SEVENTY-NINE TOWN LOTS, each containing about one-fifth of an acre of land. Of these Lots there are are 32 lying between the proposed continuation of UNION and JOHNSON STREETS, and situated on each side of COLLINGWOOD STREET. These Lots are laid out on a gradually ascending ground which offers every advantage of salubrity and prospect, and they front on a well macadamized street.
There are also 30 Lots fronting on Nelson Street, and lying between Johnson and Princess Streets. These lots are also eligibly situated, on high and well drained land and lead directly into Princess Street, the principal avenue of the city.
The remainder of the property consists of seventeen Lots, extending from the North side of Princess Street to the Concession Road, or Rear Street, and lying between the city property and Williamsville.
The whole of the property is bounded on one side by the Ordnance Reserve, which forms, in fact, an airy and handsome Park, and which will prevent the Lots offered for sale from being incommoded by an unpleasant neighbourhood.
The lots are offered on the following terms, viz:—One tenth down, and the remainder in nine equal annual instalments, and interest on the unpaid balance. These terms will enable persons of limited income to purchase without inconvenience, the first deposit being so small, and the subsequent payments extending over so long a period.
Applications for purchase will be received by either of the subscribers.
