GREAT SALE BY AUCTION OF
TOWN LOTS,
ON COLLINGWOOD AND NELSON STREETS.

THE undersigned will sell, by public Auction, on Wednesday, 26th July next—The remaining unsold Lots on the above Streets, the property of the Hon. John A. McDonald and David Shaw, Esq

These lots are delightfully situated on the margin of the Ordnance Land, extending from Rear to Princess, Johnson and Union streets forming the whole of Collingwood and Nelson streets, which, when planted with trees along the entire length of the Ordnance Park, will make one of the finest avenues in the Province.

Their proximity to the city, being nearly equidistant to the City Hall by either of the main thoroughfares of Princess and Union Streets, or by Johnson Street, which is now being extended, and will intersect the junction of Collingwood and Nelson Streets, renders them in every point of view unsurpassable for city residences. The terms of payment are on the most liberal scale, affording parties who may have fixed incomes, or others, the opportunity, for a small sum per annum, to possess a property which the course of a few years will greatly enhance in value.

Terms—One tenth down, the remainder in nine equal instalments with interest.

Plans of the property, and all information can be had on application to Mr. Shaw, or to

VALUABLE
MILL PROPERTY FOR SALE.

THE subscriber offers for sale, either altogether, or in lots to suit purchasers, at Wallaceburgh, on the river Sydenham, all that valuable property, known as lots No. 65 & 66, on the north-east side of Fork street, in the village of Babyville, in Wallaceburg, aforesaid, on which there was lately erected a steam saw mill.

Also, all the machinery, boilers, iron, chimney and other materials of the said saw mill, which remain on the premises in the state in which they were left after the fire which recently destroyed the said mill.

In addition to the above, the subscriber offers four other town lots in Wallaceburg aforesaid, immediately adjoining the above named saw mill property.

It is almost needless to mention that Wallaceburg is rapidly rising into notice, and the great improvements which have taken place, and are being considered, as well in the town as in the surrounding country, have induced a great addition to its commercial, and a large accession to its inhabitants; and the plank and gravelled road (now in course of construction and approaching completion,) between the Bond Eau and the river St. Clair, passing through Wallaceburg, brings that place into easy communications with all intermediate towns, and makes it accessible for all commercial and other purposes.

Its situation is at the confluence of the east and west branches of the river Sydenham, which is navigable for vessels of the largest class, for miles above Wallaceburg, on either branch, and its position in the centre of a fertile country abundantly provided with the best descriptions of walnut, oak, and other valuable timber, renders the opportunity now offered, important to all parties desirous of establishing a business presenting fair prospects of increase and profit.

Terms of payment will be liberal, and any reference to the undersigned at Wallaceburg or to Mr. John McDowell of the town of Chatham, Founder, will meet prompt attention. The same parties can give satisfactory information as to title being indisputable.

Dated at Wallaceburg this 22d day of June, 1854.

BY-LAW

To Provide for the Increasing the Stock held by the City of Kingston in the Wolfe Island Railway and Canal Company.

WHEREAS, the Mayor, Aldermen and Commonalty of the City of Kingston, are holders of one hundred shares of the Stock of the Wolfe Island Railway and Canal Company, amounting to two thousand five hundred pounds paid by Debentures in ten years, from the second day of May, in the year of our Lord one thousand eight hundred and fifty two.

And whereas from unforeseen difficulties in the construction of the work, it has become necessary for the said Company to obtain further subscriptions to their Stock;

And whereas, at a meeting of the Stockholders of the said Company held in the month of February last, it was resolved that the Stockholders in the said Company be requested to increase the Stock held by them respectively, and in pursuance of the said resolution the individual subscribers to the said Stock have subscribed for additional shares of the said Stock;

And whereas an application has been made to this Council, praying that they will increase the Stock held by them;

And whereas it is necessary to secure the interests of the City in the Stock already held, as well as to secure a proper control of the said work after it is completed, that their Stock should be increased, on the condition that the said Canal should be made of a depth of eight feet;

And whereas a large portion of the Canal is now of that depth, and the Company are now proceeding with the work to that depth, by excavating the rock in the marsh and the hard pan in the dry diggings;

Be it enacted by the Mayor, Aldermen and Commonalty of the City of Kingston, in Common Council assembled,—

I. That the Mayor of Kingston, for and on behalf of the Municipality, be hereby authorised and required to subscribe for one hundred additional shares in "The Wolfe Island Railway and Canal Company," at the times, and in manner following, for fifty shares, amounting to the sum of one thousand two hundred and fifty pounds, immediately after the passing of this By-Law, and for the remaining fifty shares amounting to an equal sum, when and not before the said Canal shall be made of the depth of eight feet at low water in all throughout its whole length; provided always that the Debentures here, after mentioned shall be taken in payment of the said shares so subscribed.

II. That Debentures of this Municipality shall be issued, signed by the Mayor, and countersigned by the Chamberlain to the amount of the said subscriptions, namely, two thousand five hundred pounds, payable in ten years after date with legal interest, in the meantime half yearly. The said Debentures may be of any denominations not less than twenty-five pounds each; and one-half of the amount of said Debentures shall bear date on the day of the first subscription hereby authorised, and the remainder thereof at the time of the second subscription; and the said Debentures shall be delivered by the Mayor to the said Company in full payment of the said shares.

III. And whereas, in order to liquidate the said debt, or pay off the said Debentures and the interest thereon, it is necessary that a special rate over and above, and in addition to all other rates for the due payment of the said Debentures and interest should be levied annually according to Law on the whole rateable property of the City of Kingston, which rate for the present and each of the next eight years, will amount to two hundred and seventy-five pounds; and in and for the year one thousand eight hundred and sixty-four, will amount to the sum of one thousand three hundred and seventy-two pounds. And whereas the whole rateable property of the City of Kingston, for the last year, amounts as near as can be ascertained to the sum of sixty-six thousand pounds, yearly value; and therefore as a special rate for the payment of the interests of the said Debentures, and for erecting a Sinking Fund for the payment of the principal of the said Debentures the annual rate of one penny in the pound, upon the said rateable property, will be required for the present and each of the eight following years; and the annual rate of five pence in the pound for the year one thousand eight hundred and sixty-four. Be it therefore enacted, that for the payment of the said Debentures principal and interest, and, so forming the said Sinking Fund, a special note of two hundred and seventy-five pounds, shall be levied in the present and in each of the next eight years, and in the ninth year hereafter a special note of one thousand three hundred and seventy-five pounds on the whole rateable property of the City of Kingston, and that for the purposes aforesaid the annual rate of one penny in the pound in the present and in each of the next eight years, and a rate of five pence in the pound in and for the tenth year hereafter shall be respectively assessed, levied and collected, upon the whole rateable property of the City of Kingston.

GREAT SALE OF CITY LOTS.

THE undersigned offers for sale SEVENTY-NINE TOWN LOTS, each containing about one-fifth of an acre of land. Of these Lots there are 32 lying between the proposed continuation of BAGOT and JOHNSON STREETS, and situated on each side of COLLINGWOOD STREET. These Lots are laid out on a gradually ascending ground which offers every advantage of salubrity and prospect, and they front on a well macadamized street.

There are also 30 Lots fronting on Nelson Street, and lying between Johnson and Princess Streets. These lots are also eligibly situated, on high and well drained land and lead directly into Princess Street, the principal avenue of the city.

The remainder of the property consists of seventeen Lots, extending from the North side of Princess Street to the Concession Road, or Rear Street, and lying between the city property and Williamsville.

The whole of the property is bounded on one side by the Ordnance Reserve, which forms, in fact, an airy and handsome Park, and which will prevent the Lots offered for sale from being incommoded by an unpleasant neighborhood.

The lots are offered on the following terms, viz:—One tenth down, and the remainder in nine equal annual instalments, and interest on the unpaid balance. These terms will enable persons of limited income to purchase without inconvenience, the first deposit being so small, and the subsequent payments extending over so long a period.

Applications for purchase will be received by either of the subscribers.
