## EUGENIA

The Young People's Union visited the Flesherton Y. P. S. on Monday evening of last week and had a very enjoyable time. Mr. McIntyre, the president of the latter, extended a hearty welcome to the visiting society. Rev. Mr. Bushell presided for the devotional and discussion periods, giving a wonderful address based on the text, verse and psalm 119, "Where withal shall a young man cleanse his way? By taking heed thereto according to His word." Suitable hymns were sung during the evening. Miss Doris Magee sang very sweetly, "Beautiful Isle of Somewhere." accompanied on the organ by her sister, Miss Rowena. Mrs. C. Martin gave a missionary reading, entitled, "A Remembered Martyr and Youth's answer." This part of the program was closed in prayer by Rev. Mr. Service, after which the Flesherton Y. P. S. conducted some interesting games and contests. A prize was given to the 13th person finding a shaking hands with a mysterious person in the gathering. Mr. H. Eubank was the mysterious person and Mrs. Martin was the lucky 13th. A sumptuous lunch was served at the close of the recreation period. We appreciated very much the kind hospitality of the Flesherton Y. P. S. They visited our society a year ago, sponsoring a fine program and we hope to have them visit us again at some future date.

## Flesherton 4, Dro'ore 3

Dromore made Flesherton Semi-Pro. team work extra hard on Thursday evening last to win in the last minute of play by the score 4-3 For almost three parts of the game the play was in the Flesherton end of the rink, and most of Flesherton's goals were scored on fast breaking. Dromore opened the scoring when B. Gibson counted after three minutes of play and the score was evened when Smith netted the puck on a solo effort a second before time was called. At the end of the second period the score was tied again when each team counted twice M. Piper and Smith for Flesherton and two goals by L. Gibson. "Dutch" Patton put the local team ahead to win the game when he took a pass from Smith in front of the goal with one minute to go. As play progressed during the game the ice became harder to play on and passing plays failed to click, and over-skating the rubber was common.

Dromore — Goal, F. Cowan; defence, Arnill and B. Gibson; centre, L. Gibson; wings, R. Taylor and R. Hunter; alternates, W. Nelson, Ellis, Watson and Christie.

Flesherton — Goal, Ferris; defence, Akitt and Hopkins; centre, Smith; wings, Dargavel and Patton; alternates, M. and S. Piper, McTavish and McKillop.

Referee — Bert Eccles, Holstein.

### HE TOLD THE TRUTH AT LAST

An old man and his wife were celebrating their golden wedding. Friends, on every hand, congratulated them. One hardy individual asked them the recipe for married harmony.

The old man said, with a twinkle in his eye and a smile: "Well, we did have one rule. When I came home cross, tired and out of sorts, I hung my hat on a certain peg. My wife understood and did not trouble me with the day's calamities. Similarly, when she hung her apron on a certain nail, I trod softly. As you see, we made out fairly well. That was our secret."

## Flesherton Takes 6-4 Overtime Game From Shelburne

Whow, lightning! Well lightning had nothing on the speed in the game between Flesherton and Shelburne on Tuesday night in Flesherton arena. It was one of the most sensational games ever played on local ice. The game opened up almost as soon as the teams stepped on the ice for play, with Fisher slamming one in for the speedy Shelburne boys. Shelburne certainly had it all over the local boys the first chukker, slamming in three before the close of the period, McCauley and Irwin being the other two counters, and Flesherton bringing up the rear of a sorry beginning with but one by Smith. The local boys may consider themselves lucky they had the help of Ferris in goal, who played one of the best games a goalie has ever been known to play on Flesherton ice, one shudders to think of what the score might have been but for his wonderful goal tending. Shots that seemed impossible to save seemed to be right up his alley. The second period however changed the outlook somewhat, as the local boys held the visiting team to a scoreless nightmare, as they after much hard work and breathtaking close calls brought up their end within hearing by one goal to end the second period 3—2 for Shelburne.

The third period was surely a real replica of the San Francisco earthquake, the goals just seemed to open up and swallow the pucks, first McCutcheon breaks the twines, only to be followed up by Rands for Shelburne, then Flesherton followed up with another by Smith just as the bell went to end the third period. The crowd were all agitter, what would happen in the overtime? Well there sure was plenty happened, the boys went wild, nothing could hold them, first a rush on one goal, then one on the other, the tension had to break, and Patton, who seemed to take the skates right off a Shelburne player as he rifled one between his feet was deigned to break it as he brought Flesherton ahead by one counter. Could they hold it? That was the question. Well they did, and not only that but added one more, when Smith caught the Shelburne goalie playing defense, he decided to play goal, and naturally just took the puck in with him to put Flesherton ahead by two, just as the bell rang to end the overtime and the game.

Flesherton — Goal, Ferris; Def., Phillips and McCutcheon; For., McCutcheon, B. Patton and F. Patton; Alt., Smith, Dargavel, Gorrell and Piper.

Shelburne — Goal, Rayburn; Def., Firth and Guchardi; For., Spilker, Irwin and McCauley; Alt., Hall, Banks, Fisher, Rands and Sherring.

The Flesherton Centre Grey Hockey Team wish to take this opportunity of thanking all those who so kindly responded to their appeal for funds during the past week,
