## FEVERSHAM

Mrs. James Legate of Gibraltar, visited with her parents, Mr. and Mrs. J. A. Kernahan recently.

Mr. Speer of Kolopore has been buzzing wood in this neighborhood and has broken all records in the wood buzzing game. We understand that he buzzed 40 cords for a farmer on the 12th line in three hours. Beat that if you can.

We understand that Mr. Sled has bought the garage and will continue to serve the public with motor necessities in his own obliging manner if the weather keeps cold he will soon have his skating rink going again.

Mr. Sproule of Collingwood visited with his sister Mrs. Wm. Davidson Jr. last week.

Mr. Sled has had another disappointment for the weather turned mild on Wednesday night the rain descended and beat upon that ice and it melted into water and ran back into the river from whence it came. Hard luck old boy, after the work you did and money expended.

Mr. Vanwick, official auditor of Owen Sound was a visitor in the village on Thursday.

Mr. and Mrs. H. Alexander visited in Owen Sound last week.

Mr. and Mrs. Richardson and daughter and Mrs. Morden were in Colingwood one day last week.

Pansies blooming in Colquett's garden. Hallow, January, whats wrong with the scenery.

Miss Jean Ross of Maxwell visited with her sister, Mrs. M. Nichol here last week.

Miss Laughlan is visiting with Miss Charlotte Richardson at present.

Mrs. George Ebert (Nee Nellie Coulthard) of Caten Bay is visiting her father, Mr. Henry Coulthard here at present.

Mr. George Burk has been having the remainder of the dry wood at the school piled in the basement of the school just in time to escape the drenching rain of Wednesday night.

Mr. Dougald Stephen has been appointed assessor for Osprey Township for the coming year.

The Stephen Bros. have the contract for the school wood, 50 cords.

Mr. Isaac Ottewell is slowly recovering from a severe sick spell. Ulcers of the stomack was the trouble we hear. Dr. Lindsay of Dundalk is attending him.

Miss Ann Robinson, nurse in Training in the G. and M. Hospital, Collingwood spent a few hours at her home here on Friday afternoon.

### AS GOOD AS A NOD

Ikey had invited his friend to his daughter's twenty-first birthday party, and was delivering the instructions.

"Be sure to kick as hard as you can on the door in case we can't hear you," he warned.

"Why, asked his friend?"

"Well," came the startling reply, "your arms will be too full of presents."

## Restricted Area For Cattle Campaign

Throughout Grey County the greatest interest is being taken in the Restricted Area Campaign now being carried on. Approximately one half of the county has been covered the first time. Exceptionally large meetings were held at Vandeleur, Clarksburg, Ravenna, Meaford, Bognor, Mount Pleasant School, Owen Sound, Kilsyth, Desboro and Durham. Not quite so many were present at Wolseley and Allan Park. They varied from 42 to 86.

The chief objections offered were:

1. That farmers would lose many cattle which might make it difficult. Such objection is without foundation, because the farmers will get sufficient to replenish their herds, because the compensation received and the sale of the animal will recoup the loss.

Moreover, it is not expected the total losses will amount to more than 3 to 5% in Grey County. Farmers have this Restricted Policy in 14 counties now and none have as yet been put off their farms.

2. Difficult and expensive clean-up required. Such again is foundationless. Farmers can do all the work of scraping and whitewashing themselves. They need not have one cent of outlay except for lime and a little disinfectant.

Moreover, not all stables must be cleaned. If a farmer has no reactors he need not clean unless he likes. In Northumberland, where slightly over 4% of cattle were diseased, 3606 herds were tested. Diseased animals were found in only 241 herds or 15 stables out of every 100 had to be cleaned.

**Progress of Campaign**

Although only one week has elapsed since the work was started, there has come to the Grey County Department of Agriculture office at Markdale two complete petitions from S. S. No. 12 Sydenham and S. S. No. 11 Artemesia. The former is signed 100% in favor. This is the first 100% petition to be received with all in favor. The latter has 39 names in favor and only 3 opposed or 39%. This was the first petition to be received. Who will be next. Messrs. G. F. MacDonald and Robert King handled the first petition in Sydenham and Messrs. C. Boland and Councillor E. Warling called on the farmers in S. S. No. 11, Artemesia. The Sydenham campaign is under the direction of Messrs Geo. Bothwell, Ex-Reeve of Sydenham, and Councillor C. Lipsett, Balaclava. They surely are to be congratulated.

Meetings this week are being held in Normanby, Egremont, Glenelg, Osprey, Euphrasia and Holland Townships. Farmers will find these meetings advertised in all local papers serving those townships. Mr. R. H. Graham, Live Stock Branch, Parliament Buildings, Toronto, is the special speaker. He has been through many of the counties that have the restricted area in operation. T. Stewart Cooper is present at all meetings also.

The Ontario Police should wake up. Even Mr. Odette has complaints to make as to the lax way in which they do their duty with regard to keeping the beverage parlors in order. As to slot machines and other devices for looting the public, it is largely a matter for the police to deal with. This was illustrated when a raid was made in Arthur a week or two ago. Not only was the situation cleared up in Arthur, but a scare was put into neighboring places as well, including Mount Forest. Word was quickly circulated, one can guess how, and the gambling devices disappeared like magic, "they folded their tents like Arabs and as silently stole away." It is said almost a dozen dropped out of sight in Mount Forest. Unless vigilance is used they may as silently steal back again when the scare is over.—Confederate.

## HOCKEY DOINGS

Flesherton lost two games in their Centre Grey League schedule the past week, first to Dundalk on Friday evening 4—0 and then to Markdale Monday evening 3—2, both games away from Flesherton. They allowed Dundalk to have an easy victory, but this was only natural as they did not wish Dundalk to lose the first game in their newly-opened arena. Flesherton is at the bottom of the heap at present with only one win and three losses, but most of their remaining games are on home ice, so they should not have to remain there long if they get down to work and play hockey while they are on the ice. McCutcheon and Bill Patton scored the two Flesherton goals against Markdale in the last period.

---

Dundalk plays here this coming Friday night, while Chatsworth will be guests of the local team on Monday evening next. Lets have a big crowd out at both these meets to give the boys greater encouragement to climb the ladder to the top.

---

This Thursday night the local Semi-Pro. entry is supposed to play in Priceville. Their schedule has been greatly handicapped from being played by the absence of ice at Priceville, Dromore and Swinton Park and a new schedule will likely be adopted.

---

Flesherton Semi-Pro. Hockey team defeated Priceville by a score of 9—3 on Tuesday night last in the local arena.

The annual congregational meeting was held in St. Andrew's Church on Monday afternoon. Rev. Wm. McIntosh of Dundalk presided over the meeting. Mrs. Wm. Brown acted as secretary for the p.m. in the the absence of the secretary. The various reports of different organizations were read and had a balance on hand; Miss Margaret McArthur read the Sunday School report and had a balance of $20.78 on hand. Miss Elizabeth Brown was appointed organist and Mrs. Sutherland and Miss Nellie McLean assistants. Rev. A. Sutherland was re-appointed envelope sec. and treasurer; Mrs. Henry Tucker was re-appointed secretary for the congregation. The session are as follows: Messrs. Tom Nichol, Dan Stewart, Colin McLean, Angus Hooper, Hector McLean and John Nichol. The managers are Messrs. Ray McLean, J. A. Nichol, Vic Scheuerman, Allie McLean, Murray Nichol, Archie McArthur, Archie MacCuaig, Alex. Stonehouse and Andrew Hincks. Messrs. Alex. Carson and Wm. Brown were the two new members added and Ben McKenzie and Angus McLachlan retired.

Mr. Neilburt McKenzie resigned as retired and Jack McMeekin resigned as caretaker, so those two matters were left with the managers, also to appoint a chairman for the managing board and to appoint ushers. Considerable other business was transacted and the meeting closed with prayer.

Master Jimmy McArthur had a birthday party on Saturday, when he celebrated his 8th birthday. A delightful supper was served and a birthday cake lighted with candles centred the table.

Miss Marjorie Meuser returned to Owen Sound, after visiting her sister, Mrs. Archie MacCuaig.

### HALLELUJAH

Jesus in clouds will soon come down,
His saints from earth to take,
And we who hear the trumpet sound
Shall from the dead awake.
1st Thes. 4:16—18

And we who shall be yet alive,
And served our Lord with care,
Shall at the marriage feast arrive,
And meet Him in the air.

E'en now we stand on Pisgah's height,
Old Jordan far below;
Its swelling flood does not affright,
It's up we're called to go.
Deut. 34:1 to 6

Jesus will come to earth again,
With all His blood-washed throng,
And evermore with Him we'll reign
And sing the victor's song.
Zech 14:4

Under our vine and figtree rest
None making us afraid.
Shall you and I be with the blest?
Peaceful and undismayed.
Micah 4:3 and 4

Eden shall be again restored
Wherever man is found;
All shall adore and love their Lord
And songs of praise abound.

## Live Stock Report

Monday's cattle market was somewhat draggy as buyers were bidding lower prices and all markets in both Canada and the United States were easier.

Only a very few choice heavy steers made $7.00, with the bulk selling from $6.25 to $6.75; fair to good from $5.50 to $6.15. In the butcher section, prices were considerably lower, choice cattle selling from $5.25 to $5.50; fair to good from $4.75 to $5.25; common and medium $4.00 to $4.60. The cow trade was easier, choice from $3.50 to $3.75, with a few top heifery cows at $4.00; fair to good $3.00 to $3.40; canners and cutters $2.00 to $2.75. Choice heavy bulls made from $3.75 to $4.00 and choice butcher bulls from $4.00 to $4.50; while bolognas brought $3.75.

In the small meats, choice lambs featured the market by advancing to a top of $10.50 and choice sheep from $5.00 to $5.50. Calves were slightly easier, choice from $10.50 to $11.50, with a few fancy up to $12.00; fair to good from $9.00 to $10.25; common and medium $7.00 to $8.50.

The hog market was disappointing, as prices dropped suddenly, due to a severe reaction on other markets, as well as in the Old Country. Monday's sales were mostly on the basis of $8.25 for truck deliveries, and the prospects for the balance of the week do not look better.

It is reported that a Flesherton tenant complained to the landlord that the roof was so bad that it rained on his head. "How long is this going to continue?" the tenant demanded.

"What do you think I am," replied the landlord, "a weather prophet?"

—The elevator was crowded. A young man was close to a beautiful young girl. Suddenly, with no apparent reason, she gave the young man a terrific slap in the face and got off the elevator. A small boy that had not been seen before, said, "I am glad that girl got off, for she stepped on my foot and I gave her a good hard pinch."
