CARE IN FERTILIZERS

Every farmer hopes to obtain the best possible results from the fertilizer which he will buy this spring. The results depend of course on good drainage of the land, the quantity of humus in the soil that will hold moisture, the suitability of the fertilizer for the crop on which it is to be used and the placement of the fertilizer when it is applied.

Experiments disclose that the proper placement of fertilizer is about as important as the plant food content of the fertilizer itself and that when broadcast much waste of plant food is bound to occur. Realization of this fact is becoming more general every day and farmers are advised to study the fertilizer placement question with a view to obtaining better results. Information regarding this may be obtained from Dominion Experimental Farms and the Agricultural Colleges.

Live Stock Report

Monday's cattle market was active and prices steady to a shade higher on all classes of good killing cattle. Choice heavy steers brought from $7.00 to $7.50, with a few tops at slightly higher prices, while those of medium to good quality ranged from $6.00 to $7.00. In the butcher section, there was a good demand for choice handy weight steers and heifers at from $5.75 to $6.25; fair to good from $5.25 to $5.75; common $4.50 to $5.00. Choice baby beeves sold at from $7.00 to $8.00, while those of medium quality brought from $5.50 to $6.50. The cow trade was strong, choice fat cows selling from $4.25 to $4.50, with a few for kosher purposes up to $5.00; medium to good cows $3.50 to $4.00; common to medium $2.50 to $3.00; canners and cutters $1.75 to $2.25. Milch cows and springers were very slow of sale, excepting for a few of the best, which brought from $45.00 to $60.00. Bulls held steady, choice butcher bulls from $4.25 to $4.75; heavy bulls and bolognas $3.50 to $3.75.

Monday's supply of 1500 lambs met with a good trade, those of choice quality selling at $10.00, with others at slightly lower prices accordingly. All classes of sheep held steady, choice from $5.00 to $5.50. The calf market was stronger, choice calves selling at from $9.00 to $9.50, with a few tops at $10.00; fair to good from $7.50 to $8.50; common and medium $5.00 to $6.50.

Although supplies of hogs were not very heavy, the market was slow and prices lower, due to the fact that sales of Canadian bacon in the Old Country are being on a lower level also packers coolers are carying heavy supplies, for which there does not seem to be the necessary outlet. Monday's hogs sold on the basis of from $8.00 to $8.10 for truck deliveries and the prospects for the balance of the week do not look very promising, so far as any recovery in price is concerned.

PRICEVILLE

LATE MRS. J. McKEE AT REST

The funeral of the late Mrs. John McKee, who passed suddenly away at the home of her son, Mr. J. E. McKee, near Priceville, on Tuesday evening March 2, took place on Thursday. Many old friends and neighbors were present to pay the last tribute of respect to one who was held in the highest esteem by all who knew her. Service was conducted at the house, by Rev. H. E. Wright, pastor of Priceville United Church, who after reading the 23rd Psalm and a part of 1 Cor. 15, spoke from the text, "Let me die the death of the righteous, and let my last end be like his." Num. 23-10. In closing he referred briefly to the upright life and quiet Christlike spirit of the deceased. "The Sands of Time Are Sinking," was sung in closing.

The beautiful flowers covering the casket bore silent messages of love and sympathy.

The pallbearers were the five Aldcorn brothers, Messrs. Chas. Walter, Neil, Donald, and Tom and Mr. Roy McDonald.

THE LATE THOMAS NICHOL

This community was shocked and saddened when it became known that Mr. Thos. Nichol had passed away so suddenly, due to heart trouble.

In the late Mr. Thomas Nichol, this district loses one of its most active workers, one, who with the success of this county, always uppermost in his mind, gave unstintingly of his time and energy, that it might prosper. He was one of the best known men in this township. For many years he was a member of the township council, served as reeve, and some time later was the foreman in charge of construction when the county roads were built a few years ago, having had charge of the road building from Hanover to Singhampton, and other roads for the county and township. He also was an agent in the Grey and Bruce Fire Insurance Co. He was a member of the masonic order and a member of the Cemetery Board. He was a member of St. Andrew's Presbyterian Church, and was always at church on Sunday, and the day before he died he attended church service, morning and evening. He was an elder in the church and representative elder for Prceville congregation to Presbytery; he was a director in Agricultural Society and last year was president. For years he served on the managing board and in the choir, and was trustee of the church; he was also a Sunday School Superintendent for a number of years. He will be greatly missed in the church and neighborhood where he was ever ready to lend a helping hand. He was of a cheerful and pleasant disposition and had a smile and handshake for every one he'd meet.

The funeral was held on Wednesday afternoon under masonic auspices, after a short service at the house, a public service was held in St, Andrew's Presbyterian Church, and was one of the largest seen in Priceville. People came from far and near to pay their last tribute of respect to one who had spent his entire life in their midst, and was held in the highest esteem by all who knew him. The church was filled to overflowing and many were unable to gain admittance. The service was conducted by Rev. T. O. Miller of Markdale and Rev. Mr. Stewart of St. Davids; a former pastor here, preaching a comforting message and referring to the many fine qualities of the deceased, of his keen interest in the affairs of the church and community and the pleasant two years he had during his pastorate working with Mr. Nichol, to him the loss was a personal one and he offered sympathy to the immediate family and relatives in their sudden bereavement.

The hymns used were "God is our Refuge and our Guide" and "Unto the hills around do I lift up my longing eyes."

The pall-bearers were personal friends of the deceased and family: Messrs Peter Muir, Colin McLean, Hector McLean, Angus Hooper, John Stothart, Wesley Arnott.

Interment was made in McNeill's Cemetery. At the close of the service at the graveside, the members of Flesherton Masonic Lodge conducted the last rites of the order, assisted by members from Markdale, Dundalk, Durham and other places.

Friends from a distance who attended the funeral were: Rev. Walter Nichol, Plymouth, Mich.; Misses Ena Rebecca and Gretta Nichol of London, Mr. and Mrs. W. Legette and daughter of Buffalo; Mr. and Mrs. Winters, Rev. and Mrs. Bennett; Dr. McNichol and Miss Monica Lambert of Toronto; Mr. and Mrs. Jackson; Mr. and Mrs. McAllister and other friends from Collingwood; Rev. and Mrs. R. G. Stewart of St. Davids, also friends from Stayner, Owen Sound, Maxwell, McIntyre, Badjeros, Mr. and Mrs. Neil Norman, Dundalk, Swinton Park, Durham and Markdale.

The casket was banked with many beautiful floral offerings, which bore silent messages of love, among them being remembrances from the neighbors and many friends, St. Andrew's Presbyterian Church, Cemetery Board, Prince Arthur Lodge No. 333 and the Grey and Bruce Fire Insurance Co.

Deepest sympathy is expressed for the sorrowing wife and family, sisters and brothers, friends and relatives, in their time of sorrow.

NO RESPECT FOR "LIMIT"

Ontario's speed limit of 35 miles an hour on the open road is more honored in the breach than in the observance, but the Ontario Motor League feels that the law is the law, and the speed limit must be so regarded. There is, however, a definite sentiment in favor of a change to a law which would be respected by the average run of drivers, and action in the Legislature to make such a change is fairly certain to be taken. The general manager of the Ontario Safety League, H. G. Fester, is on record as believing that "a maximum speed limit of 50 miles an hour surrounded with suitable restrictions would meet every useful requirement, and if vigorously enforced, would have the support of 95% of the motoring public." Meanwhile, here are the open-country speeds in the other provinces of the Dominion: Prince Edward Island, "Careful and prudent"; Nova Scotia, "reasonable and proper (40); New Brunswick, 40; Quebec, 30; Manitoba, "Careful and prudent"; Saskatchewan, when passing, 35; Alberta 30; British Columbia, 30, or at rates prescribed by highway signs.

To the man who has to work hard from morning until night, the week end is a great institution.
