Games Tied In The Centre Grey League

Flesherton took the second game of a best two out of three series when they won 5-3 from Chatsworth here Tuesday evening in the Centre Grey Hockey League finals. Flesherton had lost 4-1 at Chatsworth Saturday evening. The place and date of the next game has not yet been set as the Secretary could not get away from the fact that Chatsworth would win two straight and a third would not be necessary. Now the series is delayed until an executive meeting of the League is held in Markdale this evening. The only difference in holding the game in Dundalk or Markdale is that there would be larger gate receipts at Dundalk.

Tuesday night's game was one of the best played this year. Flesherton dominated the play the first two periods and at the end of the first enjoyed a lead of 3-0 on goals scored by McCutcheon on a pass from Boyd, Patton on a pass from Smith, who again counted on a hard drive from outside the blue line. Smith made it 4-0 at the start of the second on a pass from Boyd, and Dudgeon shortly afterward prevented a whitewashing when he took a pass from Bell to beat Ferris cleanly. Bob Phillips gave the locals their fifth and last goal on a nice corner shot. Chatsworth added two more in the third when Bell counted first, while Eddie McFarland got the last on a pass from his brother, Mel, Flesherton were given five penalties by Referee Alex. McIntyre of Owen Sound, while Chatsworth only received one penalty.

The next game will be played either in Markdale or Dundalk, so enquire Thursday for the time.

Flesherton Won Semi-Pro Trophy

Flesherton romped home with the McDougal cup as their rightful possession for another year when they defeated the Proton entry 4 to 1 in the last game of the finals, played Monday night at the Markdale arena.

With two games apiece of the final series under their proverbial belts, the play-off looked like anyone's game, and that, it certainly might have been. Proton drew first blood with a goal a little less than half-way through the first period, when Russ McGuirk passed the puck to his brother Frank, who banged it in. Shortly afterwards, Akitt lobbed a shot from almost centre ice that slipped past the Proton goal keeper to even up the score. Many were of the opinion that the team that had the "breaks," as they are so aptly termed, would be the team to win for they were too closely matched to have it otherwise. This goal, it seemed, was the "break" for which the Flesherton team was hoping, for with it came an inspiration that carried them on for a most decisive victory. Penalties awarded in the first period were meted out to Dargavel, M. Piper and R. McGuirk. The second period began with a goal by Dargavel, much disputed but finally authorized. Penalties were numerous with first R. McGuirk, then D. Smith and T. McTavish paying a visit to the penalty box. On an assist from Smith, Johnson scored to make the score 3—1 for Flesherton. One minute later Smith made a lone rush from centre ice that carried him in on top of the Proton goalie whom he foiled with a neat shot into the corner of the net. The second period ended with the score 4—1.

The third and final period saw more close-quarters and aggressive hockey than the other two, which were interspersed with long shots from blue-line to blue-line. We might make mention here of the notable efficiency of the two referees, Beakler and Boyd, who saw to it that no off-sides went unobserved. Dargavel received his second penalty of the game and Smith his third of the season, a one minute rest for batting down a shot on the goal. Despite their determined efforts, the period and game ended with neither team scoring, and Flesherton the victors with the score 4—1.

The players of both teams worked hard, and while it would be difficult to hand out bouquets to any individual, we're sure no one could accuse us of partiality, when we award our orchids to Ferris, the Flesherton goalie. He was "in the game" every minute, for Proton never relented in their attack, but they just couldn't get the puck past that lad, and so the game was lost or won, according to our different opinions. But it was sure a grand struggle.
