The Flesherton Advance.

VOL. 57; NO. 15 — WEDNESDAY, SEPTEMBER 15, 1937 — W. H THURSTON & SON, Proprietors

IN MEMORIAM

WICKENS — In loving memory of a dear wife and mother, Lyda Wickens, who left this world on September 13th, 1935.

Beautiful memories of one so dear,
We cherish still with love sincere;
A day that comes with sad regret,
And one that we will ne'er forget.
—Husband, Daughters and Son.

Conservative Meeting

T. D. Bell, Toronto, will address a meeting in the town hall, Flesherton, on Saturday evening of this week in the interests of Dr. Brad. Jamieson, Liberal-Conservativ candidate. Dr. Jamieson and others will also address the meeting. Everybody welcome.

It is computed that one inch of rainfall represents 113 tons of water for an acre of land.

WHITE—LITTLE

A quiet but pretty wedding was solemnized at the United Church parsonage, Maxwell, on Saturday, September 11th, at high noon, with Rev. S. Elliott officiating, when Evelyn Bernice, only daughter of Mr. and Mrs. Gilbert Little, Proton, became the bride of Elvin Russell White, eldest son of Mr. and Mrs. Thos. White of Proton.

The bride looked lovely in monet blue chiffon dress with matching accessories. Following the ceremony a reception was held at the home of the bride's parents, where a dainty wedding dinner was served, the dining room being decorated with pink and white streamers and white bells.

After the reception the bridal couple left on a motor trip to Toronto, Niagara and Windsor, the bride travelling in black with white accessories. Mr. and Mrs. White will reside on the groom's farm at Saugeen Junction.

Moved to Toronto

Mr. and Mrs. Jas. Robertson left the first of the week for their new home in Toronto, after disposing of their property in Flesherton to Mrs. C. R. Wood. Mr. and Mrs. Robertson have been residents of Flesherton for the past nine years and were highly regarded by a host of friends. They were first class citizens, eager to assist in any good cause and the village is sorry to lose them. Best wishes follow them to their new home with the hope that Mr. Robertson's health will greatly improve.

It MIGHt BE YOU!

Take a good "look" at the picture on page four—it's a verbal one, but it tells the story just the same. Even though you won't like it, still it is something you must face if Ontario's annual highway slaughter is to be stamped out.

It is a gruesome picture—and one that happens every day on our streets and highways. This accident occurred because the driver was careless. He died—his face a grotesque caricature with his skull split open like a cocoanut, his chest a gaping hole where he had been stabbed by the jagged steering column.

His wife was less fortunate—she lived. But every time she looks into a mirror she wishes she had died, too. Modern plastic surgery can perform miracles but it has its limitations. When she looks at herself in the mirror with the eye that isn't glass she still shudders, even though the accident occurred three long years ago.

Their five-year-old daughter lived, too. But she doesn't realize it. Her skull was fractured and her brain injured. It's much more difficult to rebuild a brain than a face.

Don't say it can't happen to you—because it can and you know it! Today's headlines of dead, dying and injured people may be telling a story about you in tomorrow's papers. But you can help to protect yourself. How? **Demand sane and careful driving from every motorist.** Report those you see driving dangerously. And more important—drive sanely and carefully yourself.

Local Schools Will Open September 27

Dr. J. E. Milne, M.O.H. for Flesherton and Artemesia township, has announced that Flesherton schools will remain closed until Monday, September 27th, if no further outbreak of infantile paralysis occur. There have not been any new cases for a week and a half. It appears that the epidemic in this locality has been successfully combatted, but the parents are still urged to observe the same caution as in the past few weeks.

Wonderful Sympathy

During the past week the people of this entire district have shown in no uncertain manner the sympathy which they feel for Mrs. C. R. Wood in the great trouble she has experienced this summer. Canvassers went around and about $300 in cash was collected, besides a quantity of household necessities for her new home to which she moved on Monday. It was a wonderful practical display of sympathy that is a credit to the humanitarian impulses of our citizens. Lois Wood still remains in the Hospital for Sick Children and is bright and cheery despite the paralysis in both legs and arms and her chest. LaVerne was able to be out of bed for the first on Saturday and there will be no permanent disability from his illness.

HOME LEFT STOVELESS IN THE JUNK-HUNTING GAME

Stories are being unfolded in Walkerton in respect to a community campaign which closed a few days ago and in which one of the features was the granting of votes for junk turned in. Most humorous of all the episodes is the one telling of a son, in the absence of other members of the family, selling the kitchen stove of the domicile which was daily doing service in the cooking of meals. A motor truck was brought to the home and the stove loaded thereon and taken to the community junkpile. Other members of the household returned at meal time, only to find the kitchen range gone with the pipes dangling from the ceiling. The father, however, grew suspicious of its possible whereabouts and, visiting the junkpile, found the once-efficient cooking appliance lying in remnants on the heap.

ADDITIONAL LOCALS

Mrs. J. Cargoe is in Toronto. She attended the marriage of her eldest daughter, Loreen, to Mr. Harry Herbert on Saturday of last week.

Mr. and Mrs. W. H. Thurston and Dell, accompanied by Mrs. T. Brady, visited the formers' daughter, Mrs. Shaw, at Lions Head last week. The bass fishing was not very good.

A number from Kimberley motored to Harkaway last week to hear Rev. Donald Sinclair of Hepworth, who is holding evangelistic meetings in his tent there. He was in Kimberley for over three weeks and during that time much good was accomplished. His work is undenominational and for that reason received the support of many members of Kimberley church.

We expect too much of our politicians, an exchange wisely remarks. We expect them to be better than ourselves.

THE FUNERAL CHAPEL

A dignified, personal funeral service. Available in all parts of Toronto and suburbs at prices to suit the income of every family.

Letter of Appreciation

It is with a very grateful heart that I desire, through the medium of The Advance, to express to all, my sincere appreciation for the wonderful way I have been remembered, during my recent sorrow and present trouble.

Please accept my many thanks for all the generous gifts that have been showered upon me, and my family.

Very sincerely,
—ZELLA WOOD

CONSERVATIVE MEETING

A meeting of those interested in the Liberal-Conservative party of Ontario will be held in the town hall, Flesherton on Thursday evening for organization purposes. All welcome.

What with wars and typhoons, life along the China coast is a bit hazardous these days.

Perhaps you already know this—the word "religion" does not appear in the Old Testament.

One job that the machine age hasn't taken from man is that of ringing that city belle.

That LIVE STOCK
OF YOURS IS WORTH REAL MONEY TO YOU

It is false economy to allow your live stock to be loaded on a truck and to be sold any place where there is just one buyer to bid on it.

Help Us in Our Work For You and thus UPHOLD LIVESTOCK PRICES
