The quints are said to know three hundred words already. And think of the turnover.

The law which cost 20 Canadians their jobs on ferries at the border is typical of many frontier regulations which produce nothing but irritation between friendly nations.

FIND 2 SKULLS IN ROADBED

Two skulls, in good preservation considering their age, were found by workmen engaged in the construction of the Orillia to Coldwater road.

They were upturned at the top of "Ghost Hill" where, according to legend, an itinerant pedlar was once murdered and robbed, and his body buried at the side of the road. The ghost of the murdered man was supposed to walk upon occasion and the early settlers were afraid to go near the spot at night.

There seems to be some doubt, however, that the finding of the skulls confirms the old story. The one is said to be from a woman's skeleton. The other is that of an Indian, and the man murdered was a white man.

The skulls were found close together several feet blow the ordinary level of the road. "They were right at the top of the hill," said James Mercer, Orillia reeve, who happened to be passing at the time of the discovery. "They were in the roadbed and from their condition I would say had been there a long time. There isn't much doubt they were skulls of Indians. The teeth were in the best state. The tops were in decay." — Midland Free Press.

No joy equals that of work well done.

Mrs. Ramsdell of New York, lately returned from a visit to California, was an affable pleasant visitor with brother, Mr. John Stothart. Mr. and Mrs. Donaldson are also spending their holidays there.

The many improvements made to St. Columba Church have greatly enhanced its appearance. The tablet showing the name, and the year of its erection, 1888, has been recut to read, St. Columba United Church.

Mr. and Mrs. E. Shantz and baby, arrived at the home of her parents on Saturday noon for his holidays. The winsome Miss Anna McLean took the trip home with them, and left on Sunday evening for her studies at a business college in Toronto.

The exchange of pulpits arranged for Sunday between the United ministers of Elmwood, Crawford and Priceville, was cancelled on account of Infantile Paralysis prevailing near there. The occasion was anniversary services at Crawford. We are looking forward with eager expectation to the 26th instant, when the Rev. G. R. Service of Flesherton will preach here.

St. Columba W. M. S. and W. A. journeyed to North Egremont and held their September meeting at the hospitable home of Mrs. Thos. Harrison, and it was well attended. Miss E. James presided and after a short worship service, led in discussing a fowl supper to be held on October 18th. In the absence of the president and the program convenor, Miss B. Weir presided for the W. M. S. Mrs. Wm. Mather read the lesson; Rev. H. E. Wright introduced two new hymns, Nos. 168 and 531. Other hymns sung were, "Dear Lord and Fother of Mankind," and "Spirit of God descend upon my heart." At the close of the meeting a social half hour was spent and tea was served by the hostess, assisted by Mrs. Elmer Harrison and Miss Edna Harrison and Miss Eva Hooper.

A social time was spent at the manse on Saturday evening to spend a few hours with Mr. Pickering, before leaving the community. He has spent the past four months here and has made many friends in that time. A complimentary address was read by Mrs. Wilfred Watson and the presentation of a dressing set was made by Mrs. J. McMeekin. Mr. Pickering fittingly replied. A dainty lunch was served at the close. All wish Mr. Pickering the best and another successful year at university.

Mr. and Mrs. Colin McLean and Mr. and Mrs. Malcolm McInnis spent a day in Toronto last week.

Mr. Alroy McLean and sister, Nellie, spent a few days with their sister, Mrs. Neil Norman, at Orillia.

Mr. and Mrs. Jim Sturrock and family visited friends at Georgetown recently.

Mr. and Mrs. Henry Tucker and family visited Sunday with friends at Glenmont.

A number from here attended anniversary services on Sunday at Swinton Park.

The W. M. S. and W. Helpers meeting was held on Thursday at the home of Mrs. Dave Nichol, when over 30 were present. Mrs. J. McMeekin presided. The roll call was answered by "What it means to be a good church member." Mrs. Henry Tucker gave a very interesting paper; considerable business was dealt with and the meeting closed with prayer. Mrs. Sutherland presided over the W. M. S. meeting and opened with silent prayer, followed by scripture reading, read responsively, from 7th chapter of Acts. Mrs. J. McMeekin gave a reading and Mrs. Wilf Watson read a chapter from the study book. The meeting closed with a hymn. The next meeting will be held at the home of Mrs. Jack Nichol, Jr. Lunch was then served by the hostess, assisted by Miss May Stewart, Mrs. Henry Tucker and Mrs. Angus Hooper.

Mr. Murray McMillan and Miss Annie McKinnon, Toronto, spent the week end with friends here.

Mr. and Mrs. Alex. Knox and babe returned to Toronto on Friday, after holidaying here for the past two weeks.

Nature arranges things. The fatter you get the farther you are from the table.

The trouble with some floating loans is that they become waterlogged.

At present over 80 per cent. of the tillers of the soil are on relief in Southern Saskatchewan.

A new record has been set up for flying across the United States, nine hours, 36 minutes. There appears to be no end to speed in the air.

A new drug has been developed which causes instant fainting. Husbands who have been presented with bills for new fall outfits for their wives know how it acts.

Premier King has notified the Alberta government that further argument over the disallowance of Alberta's banking legislation is unnnecessary and the majority of Canadians will agree with the Prime Minister.
