### THE NEW YORK TRIBUNE.

DAILY.....$8.
SEMI-WEEKLY.....$3. WEEKLY.....$2.

*Always in Advance.*

THE WEEKLY TRIBUNE commences its XIVth annual volume with the month of September—commences it with a circulation (115,000) larger than was ever before accorded to any general newspaper whatever. This circulation has been gradually and laboriously attained by concentrating upon THE TRIBUNE the best efforts of many editors and correspondents, and by a greater liberality of outlay in each department than was probably ever before risked on any journal. It has been attained, not by sailing smoothly in the current of Opinion before the wind and basking in the smiles of majorities, but by an earnest, fearless devotion to Truth and Progress as above all partisan exigencies, all temporary interests, all momentary illusions of popularity and success. Its thorough advocacy of Temperance and Liquor Prohibition, of Justice to the despised and down trodden, and of the equal and inalienable Rights of the Human Race, irrespective of Sect or Creed or Colour, have from time to time repelled many sunshine friends, whose prejudices or seeming interests were thereby contravened, but have combined to form a character which it will endeavor to maintain, and assign it a position among journals which we feel that it will be henceforth a success not to impair.

The leading ideas to which THE TRIBUNE is devoted may be briefly set forth as follows; 1. FREEDOM, to do whatever is essentially right—not alone for white Americans, or Anglo-Saxons, or Caucasians even—not for one Race to determine whether they will or will not hold another Race in abject bondage—but for every Race and Nation, and every adult rational human being. This Freedom is rightfully absolute in the broad domain of Opinion, and involves the equal and imperative right to Political Franchises: 2. ORDER, or the necessary right of the legally indicated majority to interdict in the sphere of Action all practices which it deems demoralizing, therefore prejudicial to the common weal: 3. BENEFICENCE, or the wisdom and policy of employing the resources and credit of the community to accomplish works of general and unquestioned utility, to which individual means are inadequate or which, though eminently conducive to the public good, do not promise to reimburse by their direct income the outlay required for their construction: 4. INDUSTRIAL DEVELOPEMENT, as the corner-stone of a true and benignant National Policy, counting the naturalization of a new and valuable art or product of the soil as more important than the acquisition of a fresh province or island, and equally within the legitimate sphere of National concern and National aid: 5. PEACE, as a vital condition of true Progress, to be cherished by the most anxious, assiduous study to proffer as readily as we are prone to require redress for every wrong, and never to be suffered red except at the call of endangered Liberty. Such are the chief landmarks by which THE TRIBUNE directs its course.

But a small portion of THE TRIBUNE is allotted to what is currently distinguished as light reading; but Reviews of New Books of decided interest, with choice extracts illustrating their quality, are freely given, while the great body of our paper is devoted to a lucid and careful digest of the News of the Day, with Editorial comments thereon. We have reliable Correspondents in each quarter of the globe, and in nearly all the principal cities of Europe and America, and their letters will aid our readers to a clearer understanding of the causes which are now gradually converting the Old World into one gigantic arena for the death-struggle of rival interests, passions and ambitions.

THE TRIBUNE contains reliable reports of the Markets. Our Cattle Market reports alone are worth more than the price of the paper to those who are engaged in raising and selling Cattle.

No paper involving so great expenses as our Weekly and Semi-Weekly could be afforded at the price of these sheets except in connection with a Daily, nor could our Daily be sustained at its price without the aid of our Country editions. Large as our circulation is, it would involve us in ruinous loss but for the receipts for Advertising. We believe that in THE TRIBUNE is realized the largest variety and extent of solid information concerning the events of the day which has been or can be combined with extreme cheapness; and in that faith we commend it to the favorable regard of the reading public. We offer no premiums for subscribers, tempt none to take it by gambling prospects of winning farms or mansions in a lottery in which tickets are furnished to its patrons, employ no traveling agents to importune people into taking it, and waste none of our rooms in dunning our subscribers for pay.

TERMS OF THE DAILY TRIBUNE:

### *BRITISH PERIODICALS.*

**EARLY COPIES SECURED.**

LEONARD SCOTT & CO., New York, continue to re-publish the following British Periodicals, viz.:

1. THE LONDON QUARTERLY (Conservative).
2. THE EDINBURGH REVIEW (Whig).
3. THE NORTH BRITISH REVIEW (Free Church)
4. THE WESTMINSTER REVIEW (Liberal).
5. BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news-items, crude speculations, and flying rumors of the Daily Journal, and the ponderous Tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

☞ Arrangements are now permanently made for the receipt of EARLY SHEETS from the British Publishers, by which we are enabled to place ALL OUR REPRINTS in the hands of subscribers, about as soon as they can be furnished with the foreign copies. Although this involves a very large outlay on our part, we shall continue to furnish the Periodicals at the same low rates as heretofore, viz.:—

| | Per ann. |

| For any two of the four Reviews.... | 5 00 |
| For any three of the four Reviews.. | 7 00 |
