SPECIAL NOTICE.

THE GREAT AMERICAN HAIR TONIC.

Bogle's Celebrated Hyperion Fluid,

For the Growth and Preservation of the Hair, is well known to be without a rival on this Continent—Hundreds of imitations have started into an ephemeral existence since the introduction of this unrivalled Hair Restorative, and their doom has been sealed, whilst Bogle's Hyperion Fluid, with a popularity never attained by any other article, goes on "conquering and to conquer." There is no malady that can affect the hair but can be cured by this incomparable preparation. To ladies it is invaluable, and on children's heads it lays the foundation of a good head of hair. It is now patronised by Her Majesty the Queen of Great Britain, and commands an extensive sale throughout Europe.

BOGLE'S AMERICAN ELECTRIC HAIR DYE, Converts Red or Gray Hair into a beautiful Black or Brown, the moment it is applied, literally dyeing the hair without staining the skin, and leaves the hair soft and glossy, without injuring its texture in the least—a decided superiority over all other Hair Dyes.

Bogle's Amole Shaving Compound

Renders that usually unpleasant operation (shaving) a decided luxury.

Bogle's Hebeiroma

Removes Freckles and Tan from the face in the shortest possible time, and is acknowledged to be the very best article for Beautifying the Complexion.

To be had, wholesale and retail, of

W. BOGLE,
277 Washington Street, Boston, U. S.

And by all the Druggists and Perfumers throughout Canada, the United States and Great Britain.

CIRCULAR.

CANADA GRAND TRUNK TELEGRAPH COMPANY

TO THE STOCKHOLDERS & THE PUBLIC GENERALLY.

THE undersigned now address themselves to say, that their line of Telegraph is in thorough working order, and that any business entrusted to its officers, will be performed in a manner that must give satisfaction from the promptitude and accuracy which they hope will for the future distinguish this Company's operations.

The Directors have hitherto forborne to solicit business, having preferred to await the completion of arrangements which make their Line the most comprehensive in Canada. It is now joined at Montreal with the British North American Electric Telegraph Association, which leads direct to Halifax, giving the inhabitants of Canada West great facilities for obtaining early intelligence, and for connecting with New Brunswick and Nova Scotia. All business with the United States will receive due attention, it can be sent either by way of Montreal through our connection there with the Vermont and Boston Line, from Prescott by Ogdensburg, or via Buffalo, through our House Printing Line, where may be seen the only working specimens in Canada of this beautiful mode of operation—the instruments for which are considered, in point of mechanism, to be among the greatest triumphs of human skill.

The undersigned will only add that the Grand Trunk Line has been renovated by very great labour and at considerable outlay, which nothing but a large share of business will remunerate. This business they hope to secure from the public, as their intention is to do everything in their power to deserve it.

HOLLOWAY'S OINTMENT

A most Astonishing Cure of Scrofulous Ulcers,—A case certified by the Mayor of Boston.

Copy of a Letter from J. Noble, Esq., Mayor of Boston, Lincolnshire.

To PROFESSOR HOLLOWAY,

Dear Sir,—Mrs. SARAH DIXON of Liquorpond Street, Boston, has this day deposed before me that for a considerable period she was severely afflicted with Scrofulous Sores and Ulcers in her arms, feet, legs, and other parts of her body: and a though the first of medical advice was obtained, at the cost of a large sum of money, she obtained no abatement of suffering, but gradually grew worse. Being recommended by a friend to try your Ointment, she procured a small pot, and a box of the Pills, and before that was all used, symptoms of amendment appeared. By persevering with the medicines for a short time longer, according to the directions, and strictly adhering to your rules as to diet, &c., she was perfectly cured, and now enjoys the best of health. I remain, Dear Sir, yours truly,

(Signed) J. NOBLE.

An Extraordinary and Rapid Cure of Erysipelas in the Leg, after Medical Aid had Failed.

Copy of a Letter from Mrs. Elizabeth Yeates, of the Post Office, Aldwick Road, near Bognor, Sussex, dated Jan. 12th, 1853.

To PROFESSOR HOLLOWAY,

Sir,—I suffered for a considerable period from a severe attack of Erysipelas, which at length settled in my leg, and resisted all medical treatment. My sufferings were very great and I quite despaired of any permanent amendment, when I was advised to have recourse to your Ointment and Pills. I did so without delay, and am happy to say the result was eminently successful, for they effected a radical cure of my leg, and restored me to the enjoyment of health. I shall ever speak with the utmost confidence of your medicines, and have recommended them to others in the neighbourhood similarly afflicted, who derived equal benefit.

I am Sir, your obliged and faithful Servt.,

(Signed) ELIZABETH YEATES.

A Dreadful Diseased Ancle Cured after being given up by the Faculty, at Malta, and Portsmouth Hospitals.

The following important communication has been forwarded to Professor Holloway for publication, by Mr. B. Dixon, Chemist, King st., Norwich.

Copy of a Letter from Captain Smith, of Great Yarmouth, dated January 19th, 1853.

To Mr. DIXON,

Dear Sir,—I send you the particulars of a cure effected by Professor Holloway's invaluable medicines:—Mr. John Walton, late in Her Majesty's Service, in the British Fleet at Malta, had a very bad ulcerated ancle, and after having been in the Malta Hospital for six months, was sent to England as an invalid to Portsmouth Hospital, where he remained an inmate for four months, there, as at Malta, refusing to have the limb amputated, he was turned out incurable. He then came to Yarmouth and was under a medical gentleman for about three months, but his ancle became so much worse that all hope was lost. At this period, by my advice, he tried Holloway's Ointment and Pills, which by unremitted application, healed all the ulcers, and restored him to perfect health and strength.

I remain, Dear Sir, yours very truly,

(Signed) JOHN SMITH.
