Elk Seen Near Portlaw

(By Victoria Corners Corr.)

One morning recently when Mr. Fred Plantt and family of the East Backline were preparing for breakfast the young son, Chester, called his parents' attention to what he thought was a large deer standing within two hundred feet of the house. On closer observance it was found to be an elk, apparently one of those which the government placed on the Bruce Peninsula two years ago. The elk was larger than an ordinary cow, of a deep cream color, with beautiful big antlers and seemed very tame. It stood and watched the family as they gathered outside to have a better view of it. Hoping to see it glide away, one of the family clapped his hands, but the elk turned leisurely away and ambled off without hurry and occasionally stopped to look back. As he came to fences which had been high enough during the summer to keep cattle back, he seemed to just step over them with very little effort. He took his way within a stone's throw of Mr. Jas. Linton's home and when last seen was leisurely heading northward.

Presentation

On Tuesday evennig of last week the Toronto Line North neighbors of Mr. and Mrs. Thos. Sled gathered at their home and spent a few social hours with the recent bride and groom, Mr. and Mrs. George Sled. Games and cards were played and during the course of the evening the young couple was presented with a beautiful pair of blankets, while the following address was read:

Dear Marion and George: We, your former neighbors, have gathered to spend a social evening with you. George, we have known you for a number of years and found you to be a good sport and a true friend. Marion, you are a stranger to us, but we are hoping to know you better sometime in the near future, and we congratulate George on his choice. At this time we ask you to accept these blankets as a token of remembrance and good wishes for a long and happy married life. We hope that they will prove useful in your new home. A hearty invitation is extended to you both to come and visit us and keep old friendships renewed.

Signed on behalf of your friends and neighbors,

—Ethel Irwin, Evelyn Brown and J. Brackenbury.

THE EDITOR AND HIS WIFE

They apparently disagree materially. She sets things to right and he writes things to set. She reads what others write, and he writes what others read. She keeps the devil out of the house to the best of her ability, while he retains him on all occasions and could not go to press without him. She knows more things than she writes and he writes more things than he knows.

Flesherton Conncil Receives Acclamation

For the sixth year in succession Flesherton Village Council was elected by acclamation. The 1938 Council will compose: Reeve, H. A. McCauley; Councillors C. N. Richardson, J. O. Dargavel, A. Down and G. B. Welton. The three members of the Public School Board elected, also by acclamation, were Messrs. W. J. Bellamy, Fred Brown and Wm. Turney. Geo. E. Banks was also returned to the Cemetery Commission for a three year term.

When Mr. John Pedlar, chairman, called the meeting to order, following the nomination, only 12 ratepayers, including all ranks, were in attendance and some stragglers kept coming in, until there were 18 present when the National Anthem was sung. Reeve McCauley stated in his address that the 75 miles of new County highways, taken over at the November session, was the greatest bribery scheme ever put over the people. Since the County was in the red for the operation of the County highways this year the speaker did not know how they would finance the new system. He also stated that the ratepayers could look for a rise in the cost of the operation of the high school, as the new system would bear heavier on the municipalities in which the school was situated.

Messrs. Dargavel and Welton also gave an accounting of their divisions, the former having charge of the roads and the latter the park and fire equipment.

Miss Macphail Home

(By Our Ceylon Corr.)

Miss Macphail stated that she was amazed at the area covered by the mining industry at Timmins. The town of Timmins, the area of which is no larger than Walkerton, supports a population of 25,000 people and there the housing situation is a serious problem. She visited the famous Hollinger mine, 3,800 feet below surface level, where it is a veritable town in itself, with a total of 300 miles of underground railways at the different levels, accommodating the various activities of the machinery employed. The descent into the depth of the mine was made at the rate of 20 miles an hour. Miss Macphail plans on another visit to Timmins.

High School Notes

Under the leadership of Miss Laura Pallett, physical instructess of the girls in Flesherton high school, a party was held in the school auditorium Tuesday afternoon to celebrate the arrival of the new uniforms for the physical training, which the girls will henceforth wear in their P. T. classes. The time was spent in games, marches and relays and refreshments were served during the course of the party. The girls are to be congratulated on the acquisition of their uniforms, for they will now be able to carry on a more intensive training for their greater physical development and for better health. From the standpoint of appearance of the class the uniforms are a decided improvement. Good work, girls!

The Literary meeting was held in the auditorium on Friday, Nov. 26th with 5th form in charge of the program and Geo. Loucks in the chair. Fifth form boys sang "The Song of the Volga Boatman", which was followed by a very amusing play entitled, "A Full House." All the characters took their parts excellently. The high school paper was presented by the editor and it was a good attempt for the first issue and better ones are anticipated. A fair sprinkling of parents and friends enjoyed the program presented by the 5th form and should serve as an inspiration to the other forms, when they present their programs later in the year.

Plans for Commencement are well under way. An outstanding speaker is promised and with the school talent the evening should be an exceptionally interesting one. Commencement will be held on December 21st.

—Bill Jamieson, Editor.

Dundalk Visited Local Y.P.U.

Flesherton Y.P.S. had as their guests on Monday night the Dundalk Y.P.S. The local society, as well as Dundalk, was out in full strength, as this was the first time the two groups had met. The first part of the program was supplied by the visitors, while Flesherton supplied the games and lunch. It is hoped that more meetings of this nature may be held throughout the winter months. Let's have a good crowd every Monday night.

DOG MEETS MAIL MAN

Jacob Deitze, lot 31, Con. 3, Ellice township, owns a collie dog that for the past twelve years has served that household faithfully by delivering the mail from the intersection of the 2nd and 3rd concessions, which is about 200 yards from his home. Rain or shine, the dog, Bruce by name, scampers down to the intersection every day about 9.30 to meet the mail courier, E. A. Townsend, R. R. 5, Stratford, and then trots quite proudly back to the house to deliver the mail. When Mr. Townsend gets about 100 yards from the intersection, he sounds the horn of his car, which is the signal for Bruce to come.

Fort William electors will vote at the coming elections on the desirability of spending $35,000 in establishing an airport. Canadian cities are fast becoming air-minded.

Mrs. Achsah Corrigan

(By Our Ceylon Corr.)

Death removed one of Ceylon's well known citizens early Thursday morning when Mrs. Achsah Corrigan passed away at her home here in her 80th year. The late Mrs. Corigan was the daughter of the late John Hazard and Lovina McKay and was born on what is now the Alcox farm at Orange Valley, later moving with her parents to this locality.

Early Thursday morning she suffered a stroke after a few weeks of severe suffering, passing away at an early hour. The late Mrs. Corrigan is survived by two children, Edgely, with whom she made her home, and Margaret (Mrs. Cooper) of Margo, Sask. She also leaves one brother, Albert Hazard, of Stone's Line, and one sister, Sarah L. (Mrs. Sewell) of Nelson, B.C. Her other brothers, Draper, Jarvis and William John predeceased her, as also did two sisters, Mary (Mrs. Bowers) and Elizabeth, who died some years ago.

The funeral was held from her late residence on Monday afternoon and was largely attended by friends and neighbors. Rev. G. R. Service had charge of the service. Interment was made in Flesherton cemetery.

The pallbearers were: Messrs. J. Nichol, W. Gibson, F. Collinson, R. Purdy, I. B. Whittaker and G. Jaynes.

The flowers were beautiful and bore silent testimony of the high esteem in which deceased was held. They included a pillow from the son, spray from the daughter, an anchor from Mrs. Sewell, her only surviving sister, and a spray from the Ceylon friends and neighbors.

Sincere sympathy is expressed to the sorrowing family and relatives in their bereavement.

834 Carloads to West

The total number of carloads of fruit and vegetables sent for the relief of families in the dried-out areas in the West has now reached 834, according to Rev. D. N. McLachlan, D. D., secretary of the Joint Committee of the Churches for Western Relief.

Dr. McLachlan stated that the original objective was 500 carloads. Sponsored by a joint committee of the churches of Canada, the Presbyterian, the Baptist, the Roman Catholic and the United, the relief movement rapidly took hold in communities throughout Canada and in many instances civic committees aided the churches in filling the cars.

Ontario and Eastern Canada sent 382 carloads westward, it was stated. Carloads sent by other Provinces came from: Saskatchewan, 6; Manitoba, 189; Alberta, 106; British Columbia, 151.

Four thousand bales of clothing have now been shipped to Saskatchewan by United Church congregations, Dr. McLachlan announced.

Fear that it would be a toyless Christmas for many thousands of children in Saskatchewan is felt by many Saskatchewan ministers, according to information received by the Board of Evangelism and Social Service.

LENA LARGE PASSES

Miss Lena Large passed away in the G. and M. hospital in Owen Sound on Monday of this week, after having suffered a stroke about a month ago She was born at Flesherton, the only daughter of the late Mr. and Mrs. John Large, and resided in town until in her 'teens. Many friends here will be sorry to hear of her death.

Group Organized For Young Married Couples

Rev. and Mrs. G. R. Service entertained a number of young married couples on Thursday evening, when a very enjoyable time was spent. During the evening Mr. Service introduced the subject of organizing a young Married Couples' Group. Literature on the subject was read by Mrs. Service, which is outlined chiefly as follows:

"Realizing that the church provides no program to meet the needs of young married couples, but rather that the present church group organization separates husband and wife for most of their activities and experiences in the church, it is recommended that a uniform method and suitable program be provided, so that they have religious, social, service and recreational contacts, together, instead of separately."

After considerable discussion it was decided to organize a Young Married Couples' Group, which is the fifth of its kind in Canada. The election of officers was held with the results, as follows: President, Mr. and Mrs. Bob Carrothers; Vice-President, Mr. and Mrs. Ken Betts; Sec.-Treas., Mr. and Mrs. A. D. McIntyre. Recreational Com., Rev. and Mrs. G. R. Service, Mr. and Mrs. Harold Hutton.

The meetings are to be held every month. Members are to bring ideas for a suitable name for the new group to the next meeting. After a delightful lunch served by the hostess, Mr. Earl Best moved a hearty vote of thanks to Mr. and Mrs. Service for their hospitality. The next meeting will be held at the home of Mr. and Mrs. Ken Betts on Thursday, Dec. 30.

IN MEMORIAM

BETTS — In loving memory of Mrs. Thomas Betts, who passed away so suddenly on Dec. 3rd, 1936.

'Tis lonely here without you, mother,
There is such a vacant place,
Where we never hear your footsteps
Or see your smiling face.
As we loved you, so we miss you,
In our memory you are near,
Loved, remembered, longed for always
Bringing many a silent tear.
Ever remembered by
—Husband and Family.

Conceit is the mysterious something that enables us not to take mirrors too seriously.
