SEAT OF WAR!
Brilliant Achievements in the East.
THE taking of Sebastopol was certainly a very fortunate affair; an achievement not less brilliant than desirable for the united interests and fair fame of the allied Powers. But notwithstanding this, the Bears have not all been slaughtered, for in spite of the *Emperor Nicholas and the Eastern War,* very large importations of Furs continue to be made into these Provinces. Amongst others, D. USE THE
Magic Impression Paper,
FOR WRITING WITHOUT PEN OR INK.
Copying Leaves, Plants, Flowers, Pictures, Patterns for Embroidery, Marking Linen Indelibly, and
MANIFOLD WRITING.
THIS Article is absolutely the best portable Inkstand in the known world, for a small quantity folded and placed in the pocket constitutes a travelling Inkstand, which cannot be broken. No pen is needed, for any stick, sharpened to a point, writes equally as well as the best gold pen in the universe. For drawing, it is indispensable. It is, indeed, the whole Art of Drawing and Printing—taught in ONE LESSON. Any leaf, plant or flower can be transferred to the pages of an album, with a minute and distinct resemblance of nature. With equal facility, pictures and embroidery patterns are taken, and have received the highest eulogiums from the fair sex; and, indeed, a more tasteful present for a lady could not be produced.
This Magic Paper will also mark Linen, or other articles, so as to remain perfectly indelible. All the washing in the world fails to bring it out. Any CHILD can use it with perfect ease. With this Magic Paper, likewise, ONE or FOUR copies of every letter written can be secured without any additional labor whatever, making it the cheapest and most convenient article extant. It is used to great advantage by reporters of the public press, telegraphic operators, and hosts of others.
Each Package contains Four different colors—Black, Blue, Green and Red, with full and printed Instructions, for ALL to use, and will last sufficiently long to obtain Five Hundred distinct Impressions.
It is put up in beautifully enamelled colored Envelopes, with a truthful likeness of the Proprietor attached. Each and every package warranted.
Price $2 a Dozen, or, Five for One Dollar. Single Packages, 25 Cts.
Address, post paid,
N. HUBBELL,
167 Broadway, New York.

OPINIONS OF THE PRESS:

A GREAT & IMPORTANT WORK.
History of the Early Discovery of America, and the Landing of the Pilgrims!
With a Biography of the Indians of North America. By Drake, the Celebrated Antiquarian.
AFTER twenty years of incessant toil and research, the indefatigable author has completed this masterly work of history, which will be quoted as the highest authority, when the once noble and powerful race of Red Men will be known only on the page of history.
Some idea of the value of the work, and the amount of labor bestowed upon it, may be formed from the fact that it contains more than three times the matter of any History on the same subject ever published since the discovery of the American Continent, and in fact is the only complete and reliable work of the kind ever issued.
The work contains five volumes in one, with a valuable Appendix and Index, referring to nearly
3,000 different Celebrated Individuals
Mentioned in the Book, and superbly Illustrated with FINE STEEL ENGRAVINGS!—Bound in embossed leather, marble edges and splendid illuminated backs, and sold at only $3,50.
CANVASSING AGENTS are wanted in Canada, New Brunswick and Nova Scotia, to whom great inducements will be offered, and no man need apply who cannot send a certificate from the highest authority where he resides, as to his thorough business qualifications. Agents will have the right of as much territory as they will thoroughly canvass.

DOCTOR HOOFLAND'S
CELEBRATED
GERMAN BITTERS,
PREPARED BY
DR. C. M. JACKSON,
GERMAN MEDICINE STORE,
No. 120 Arch St., one door below Sixth Philadelphia.
Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.
These Bitters are worthy the attention of Invalids. Possessing great virtues in the rectification of the liver and lesser glands, exercising the most searching power in weakness and affections of the digestive organs, they are withal safe certain and pleasant.
READ THE TESTIMONY:
Capt. Daniel Abbott, Brooklin, Maine, July 1853, says: "I was taken sick one year ago, last April, upon my passage from Havana to Charleston, S. C. At the latter place I took medicine and procured a physician, but for ten days could obtain no relief, no sleep, or appetite. At last taking up a newspaper having your advertisement of "Hoofland's German Bitters" in it, I sent for some immediately, this was about 10 o'clock, at 11 o'clock I took the first dose, and another at 6 o'clock. The effect was so rapid on me that I had a good appetite for supper, and rested well that night, and the next day found me a well man. I have not been without your medicine since, having been sailing between Baltimore, Charleston and the West India Islands ever since. I have now given up going to sea, and reside in this place, where you should have an agency, as you could sell large quantities of it."
Jos. B. Hall & Co., Presque Isle, Aroostook Co., Maine, April 24, 1854, say: "We herewith send you a certificate of a cure performed by the use of *only one bottle* of the German Bitters, we think Mr. CLARK to be a man of veracity, and have no doubt of the truth of his story."
Messrs. Jos. B. Hall & Co.—Gentlemen—In answer to your inquiries I will state that my daughter, aged about 16 years, has been complaining of a pain in her side, for six or seven years, and about the first of January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pains between her shoulders and in her breast. From reading a number of cures performed by "Hoofland's German Bitters" I was induced to try it in her case, and sent to your store and purchased *one bottle.* She had taken it but a few days when she began to improve, and now after taking one bottle, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure entirely to the German Bitters. WILLIAM CLARK,
Salmon Brook, Aroostook Co., Me.
You should bear in mind that these Bitters are ENTIRELY VEGITABLE, thereby possessing advantages over most of the preparations recommended for similar diseases.
For sale by respectable dealers and store keepers generally, and by E. W. PALMER and E. H. PARKER, Kingston.

The great success of this Institution in Europe, and the numerous Policies, issued by the different Agencies in Canada, evidently show that the advantages of Life Assurance are daily becoming more and more appreciated by those who feel the necessity of making some provision for their families, or securing the amount of debts due by or to them in case of premature death.
The income of the Company, independently of the large Subscribed Capital, is about Eighty Thousand Pounds, Sterling, per Annum, and of this a great part is continually accumulating for the payment of losses.
A Party effecting an Assurance with this Company, may do so for a fixed sum, payable at his or her death, without participating in the profits, and thereby secure an *immediate Bonus* by not paying more than is absolutely required to provide for the risk.
Among others, the following Improvements are recommended to the attention of the Public.
A Table (No. 2) of Increasing Rates of Premium, peculiarly advantageous in cases where Assurances are effected by way of securing loans of debts, "a less immediate payment being required on a Policy for the whole term of life than in any other Office; and the holder having the option of paying a periodically increasing rate, or of having the sum assured diminished, according to an equitable scale of reduction."
"A Table (No. 4) of Decreasing Rates of Premium, on a novel and remarkable plan; the Policy-holder having the option of discontinuing the payment of all further Premiums after TWENTY, FIFTEEN, TEN, and even FIVE years; and the Policy still remaining in force,—in the first case for the full amount otiginally assured, and in either of the three other cases, for a portion of the same according to a fixed and equitable scale endorsed upon the Policy.
All claims payable within THREE MONTHS after proof of death.
No proof of Birth is required at the time a claim is made; the age of the Assured being, in every case, admitted in the Policy, cannot under any circumstance, be afterwards called in question.
Policies effected by Parties on their own lives are not rendered void in case of death by Duelling or the hands of Justice. In the event of suicide, if the Policy be assigned to a *bona fide* Creditor, the sum assured will be paid without deduction; if the Policy be not assigned, the full amount of Premiums received thereon will de returned to the family of the Assured.
The necessary forms, and every requisite information, as to the mode of effecting Assurances, may be obtained either by letter or personal application to
