It's so *much easier* to shop by TELEPHONE..

On wet days and snowy days, on days when there is so much housework to be done, on days when you aren't feeling up to scratch yourself or when one of the youngsters is ailing, it's great to be able to shop by telephone. And on fine days too, and when everything else is going right, it saves you an endless amount of tiresome traipsing around. Make the *telephone* your market basket.

Artemesia Voters Discard Statute Labor System

The old members of Artemesia Township were returned to office in the municipal elections held Monday. These were Messrs. Ernest Stinson, N. Hostrawser and Robt. Purvis. They were opposed by George Cairns and I. B. Whittaker in one of the most peculiar elections yet held. When the results first came out Mr. Hostrawser was reported defeated with Mr. Cairns taking his place. Later it was Mr. Purvis who had lost out by three votes, and it was not until Tuesday morning when the Returning Officer, W. J. Bellamy, received the returns from the eight poles that Mr. Purvis was "in" by a substantial majority. The error in reporting Mr. Cairns elected was through an error in giving his vote at Proton Station as 82 in place of eight which he received. The ratepayers of the township decided to do away with statute labor as a method of road maintenance and again take on the government assisted system. This was carried by a vote of 406 to 310. In his own poll Mr. Stinson received 83 votes out of a possible 86 and Mr. Purvis received 115 at Eugenia, a most satisfactory result for them and shows how they stand in their own sections.

Whittaker, I. B.	6	5	13	39	84	4	17	16	— 184

We were pleased to know that Mr. Adam Smith of Eugenia was able to be out and cast his vote once again. Mr. Smith is 95 years of age, the oldest voter to cast his ballot and stated that only for his infirmities he would have been delighted to have been out campaigning for Mr. Purvis.

The group is comprised of five teams; Chatsworth, Markdale, Flesherton, Dundalk and Shelburne. Durham has dropped out of the competition this year. Grand Valley had a representative present, who was eager to enter a team, but it was thought that the distance was too great and they were urged to organize a group and the groups play off for the championship. HEAVY SNOW STORM

Heavy storms this week have piled snow in great drifts along the roads and this Wednesday morning about a foot and a half of snow has fallen and formed drifts. Travel on the highways is difficult although the roads are open.

H. A. McCauley Warden Candidate

The selection of a warden for Grey County is still a month away, but already several candidates have their hats in the field and are campaigning among the members of the County Council. Reeve Howard McCauley of Flesherton is in the running as is Reeve Austin Ball of Hanover, and Reeve David Allan of Shallow Lake. The urban centres are entitled to have their representative sit in the Warden's chair in 1938, and the choice will likely fall to one of these three. Reeve McCauley has been in the County Council for the past six years and has given exceptionally good service on the committees with which he has served. He has a splendid knowledge of the needs of the County and to us would give a good account of himself if elected warden. Reeve Ball has had four years experience at County Council and if elected would be Warden exactly fifty years after his father, the late R. J. Ball, Federal member for South Grey for several years. The contest, no doubt, will be close but we would recommend that Reeve McCauley be elected, as it has been quite a number of years since Flesherton has been honored with a Warden.

Edward Fisher Died Suddenly Tuesday

Edward Fisher, well-known resident of Flesherton, died suddenly at his home here early Tuesday morning. Mr. Fisher arose as usual in the morning and had lighted the fire when he took a weak spell and fell unconscious. He died shortly afterwards. Twelve years ago they returned to Rock Mills where they lived for three years on a farm and then came to Flesherton nine years ago. He had been a driver for an oil company since then and was well known and highly respected by everyone. He was a member of Prince Arthur Lodge A. F and A. Henry Walton Passes

Death came suddenly on Wednesday morning of last week to Mr. Henry Ward Walton at his home in Artemesia township. While he had not been enjoying good health for some time, he was stricken with a heart attack.

The late Mr. Walton was born in Michigan 70 years ago and had resided in the Township of Artemesia for the past 53 years, except for 11 years spent in the West and Northern Ontario. He is survived by two sisters and two brothers, Miss Lucy Walton and Mrs. Robert Wright (Annie), who resided with him, Fred F. Walton of Sault Ste. Marie, Ont., who was present at the funeral, and Hugh A. Walton of Port Hammond, British Columbia.

The funeral was held on Friday, Dec. 3rd, and was largely attended by friends and neighbors. Interment was made in Markdale Cemetery. Services at the house and grave were conducted by Rev. McAuslan, Kimberley.

The pallbearers were near neighbors: Messrs. Rutledge Stafford, Ben Carruthers, Dave Genoe, Albert Ellis, Fred Wickens and Wm. Haines.

Friends from a distance were: Mr. and Mrs. Geo. Smith and Mrs. John Richardson of Barrie, Mr. and Mrs. W. H. Wright, Mrs. J. Galbraith and Mr. and Mrs. A. H. Smith, Clarksburg.

Lois Wood Home

Miss Lois Wood, daughter of Mrs. C. R. Wood of Flesherton, returned home on Wednesday of last week, accompanied by her mother who had been in Toronto receiving instructions on the care of a patient suffering from infantile paralysis. Lois has spent the past four months in the Hospital For Sick Children and the Ontario Orthopaedic Hospital suffering from infantile paralysis. Both her arms and legs were completely paralyzed, but under treatment subscribed by the Toronto medical authorities Lois is now able to move her arms and one leg and is making rapid progress towards complete recovery.

Curling Club Officers

The annual meeting of the Flesherton Curling Club was held on Thursday evening last. A review was made of the splendid year just ended, and prospects are said to be better this year. J. O. Dargavel was again elected president of the Club, a position he has held since the club was formed and the rink erected. R. W. Piper was elected vice-president and F. H. W Hickling was again elected secretary-treasurer, a position he has also held since the Club was organized. It was decided to become a member of the Ontario Curling Association in order to enter rinks in the District Bonspiel and the Ontario Bonspiel. A meeting of the shareholders of the rink will be held this week and also one for organizing for the winter's playing will be held next week, when skips will be appointed and rinks picked.

Mr. Harold McCutcheon has rented the skating rink from Walter Akitt and commenced ice making on Friday last. He expects to have ice for skating by the end of this week if the cold weather holds.

Turkey Supper In A Toronto Hotel

A meeting of the Toronto Branch of the Flesherton Old Boys' and Girls' Association was held at the office of Mr. Burton E. Field, secretary of the organization on Friday evening last, and it was decided to hold a banquet at the Victoria Hotel, Toronto, on Friday, Jan. 14th, 1938. All members in good standing as of Jan. 7, 1937, will receive a complimentary ticket, and will be charged $1.00 for additional members of his family or friends whom he brings with him. We are having a turkey dinner, which costs $1.00 per plate, so that we stand to lose on this venture, but hope to revive considerable interest and secure a number of new members. Each non-member who attends will pay $1 per person, but will automatically become a member of the Association as a result, and it is hoped to make him or her a permanent member this way.

Mr. Field states that arrangements have been made with the C.P.R. to show four films entitled "Canadian Mountain Majesty," "Happy Hunting Grounds," "Voyageur Trails," (Fishing on the French River) and "Ski Time in the Rockies," after which a half hour will be devoted to a discussion of Association affairs, and further time alloted to a general get-together of the members. Some further details have to be worked out yet, but further word of these will be given later.

Mr. Field informs us that many of the Flesherton residents in Toronto have changed their addresses and not notified him, hence they are unable to receive invitations to the social gatherings and the activities of the Association. He would be pleased to have changes of addresses sent to him.

Twins Joined Church

A unique event took place in St. John's United Church at the Sunday morning service, when two sets of twins were among the fifteen who were taken into membership in the church. These were Eileen and Loreen Johnson, daughters of Mr and Mrs. Wm. Johnson, and Oscar and Austin McKee sons of Mr. and Mrs. J. McKee This is the first time such an event has occurred in the history of the church and is worthy of mention.
