CASH MUSIC STORE
OF
HORACE WATERS,
No. 333 Broadway, New York.

OPPOSITION TO MONOPOLY.
Music at Greatly Reduced Rates.

NOTWITHSTANDING the combination of music dealers to keep up the prices of non-copywright music, against the interests of native composers, and their refusal to extend to Mr. Waters the courtesies of the trade, he is making immense sales—having abundant evidence, that he has public countenance and support, in his opposition to the Great Monopoly, and in his efforts to aid native talent, and to adopt the National Currency. His stock of American and European music is immense, and the catalogue of his own publications is one of the largest and best selected in the United States. He has also made a Great Reduction in the prices of Pianos, Melodeons and Musical Instruments of all kinds. Superior toned 6½ octave pianos for $175, $200 and $225, in interior of a good quality, and instruments as strong and as durable as those which cost $500. Pianos of every variety of style and price up to $1000, comprising those of ten different manufactories: among them the celebrated modern improved Horace Waters' Pianos and the first premium Æolian Pianos of T. Gilbert & Co's make, (owners of the Æolian patent). Second-hand pianos at great bargains. Price from $40 to $150. Melodeons from five different manufactories, including the well known S. D. & H. W. Smith's melodeons, (tuned the equal temperament,) the best make the United States. Prices from $45 to 150. Smith's double bank, $200. Each Piano and Melodeon guaranteed. The best terms to the trade, schools, &c.: 12½ per cent. discount to clergymen and churches. All orders promptly attended to. Music sent to all parts of the country, post-paid, at the reduced rates. General and select catalogues and schedule of prices of Pianos forwarded to any address free of charge.

Testimonial of the Horace Waters' Pianos.

New York, December 12th, 1854.

HORACE WATERS, ESQ., 333 BROADWAY:

Dear Sir—Having examined your Piano Fortes from scientific and appropriate tests, I am enabled to form a satisfactory judgment of their merits, and it is with pleasure that I can speak of them as among the most celebrated and improved makes of the day.

For power, brilliancy and richness of tone, elasticity of touch, and beauty of finish, they will not suffer in comparison with those of any other manufacturer, and those desirous of obtaining a really good Piano Forte—one that will prove an equivalent for their means, will find such in your beautiful instruments.

THOMAS BAKER,

R. A. M. Leader of Jullien's Band and arranger of Jullien's popular Repertoire of dance music; formerly manager of the publishing department of the great music house of Jullien & Chappels, London, and now Musical Director & Conductor at Niblo's Garden.

For power, brilliancy and richness of tone, elasticity of touch, elegance and durability of make, they are in advance of any other pianos in the United States, being the result of long experience and a series of experiments.—N. Y. DISPATCH.

The treble is clear, pure, beautiful, and very melodious, the bass is deep, rolling, and sonorous; the middle part is rich and sympathetic, and possesses the power of singing, *i. e.* of uniting the sound of each tone, in a degree but rarely achieved.—HENRY C. WATSON.

Your instruments are a sensible improvement upon American pianos, and an honor to the skillful manufacturer. There is no doubt but they will be appreciated by the public, and all admires of true merit.—OSCAR COMETTANT.

For power tone, depth of bass, and brilliancy of treble, together with accuracy of touch, they are equal to any make I am acquainted with, and I cordially recommend them to those wishing to purchase.—V. C. TAYLOR.

They are fully equal to any of the kind I have seen in the United States, and far superior to those of a similar make I saw in England.—GEO. W. MORGAN.

I take great pleasure in pronouncing them instruments of a superior quality, both in tone and touch.—AUGUST GOCKEL.

Our friends will find at Mr. Waters' store the very best assortment of music and of pianos to be found in the United States, and we urge our southern and western friends to give him a call when they go to New York.—GRAHAM'S MAGAZINE.

We consider them worthy of special attention, from the reasonant and exceedingly musical tone which Mr. Waters has succeeded in attaining.—N. Y. MUSICAL WORLD & TIMES.

Horace Waters' Piano Fortes are of full, rich, and even tone, and powerful.—N. Y. MUSICAL REVIEW.

In the production of Pianos it is probable that Mr. Waters has eclipsed all competitors. The recent improved Pianos which he has presented to the public, have become universally admired for their delicate tone, as well as their superior finish and elegance, and have in every respect, received the univeral commendation of musicians and amateurs.—TIMES & MESSENGER, N. Y.

Your new Square Pianos, sir, are of such a clearness and equality of tone throughout, that they very successfully compete with the voluminous and expressive Grand Piano.—VANDERWEYDE.

The Editor of the SAVANNAH REPUBLICAN, Savannah, Ga., speaking of the Piano Fortes kept by Messrs. J. W. Morrell & Co. of that city, says:

"It will be seen that their stock comprises instruments of every grade of excellence, from the well known manufacturing establishments of Chickering & Son, Horace Waters, H. Worchester, Nunns & Clark, and Bacon & Raven. It might well be supposed, that in so large a collection there would be some very fine instruments. But there is one which, for beauty of finish and richness and brilliancy of tone, equals, if, does not excel, anything of the kind we have ever seen. It is from the establishment of Horace Waters. Being constructed of the best and most thoroughly seasoned material, and upon improved principles, it is capable of resisting the action of every climate, and of standing a long time in tune. The keys are of pearl, and the recess for the finger-board is inlaid with mosaic, while the legs are most elaborately carved, and the whole instrument finished up in a style of great excellence and beauty. And yet its chief merit lies in the power, brilliancy, and richness of its tone, and the elasticity of its touch.

TO THE CITIZENS OF KINGSTON

IMPORTANT NOTICE.

E. W. PALMER would respectfully inform the Public that he has secured the agency of Professor James McClintock's family Medicines, of which he has just received a full supply and which he is prepared to furnish wholesale and retail at the Proprietor's prices. Professor McClintock's fame as an eminent Physician needs no comment here. His medicines are the prescriptions adopted in his private practice and as such are invaluable in all cases where it is inconvenient to call in a physician.

Their sale has been unprecedented in the United States, where they have effected thousands of cures and no case of failure is yet recorded. At this season we would call especial attention to one of the most remarkable of the remedies, namely:—

Dr. McClintock's Pectoral Syrup

the best and safest Medicine ever used for BRONCHITIS, CONSUMPTION,

And all Diseases of the Lungs and Air Passages. For any of these forms of disease, showing themselves in

COUGH, TICKLING OF THE THROAT, SENSE OF TIGHTNESS

in the Throat or Chest, spitting of Blood difficulty of Breathing, Hoarseness or loss of Voice, Hectic Fever, Night Sweats, &c. This great remedy is unparalleled for success in the above complaints. It purifies the blood of all scrofulous taint; it heals ulceration; it destroys tubercles in the lungs: it regulates the bowels, checks night sweats and strengthens the stomach; it stimulates the vital powers, and gives vigor to the whole system; it quiets nervous excitement, relieves pain in the chest, soothes the cough, promotes expectoration, and at the same time affords a delicate nourishment. It contains no opium in any form, and agrees perfectly with the most delicate patient.

Dr. McClintock's Pectoral Syrup is put up in elegant Flint Glass Bottles, containing one pint each, and is sold at only 5 shillings per bottle, or six bottle for £1 5s.

A most important article at this changeable season is also

Dr. McClintock's Cold and Cough Mixture.

Colds and recent Coughs, especially if accompanied by fever or inflammatory excitement, require a remedy different in character from the Pectoral Syrup, which is so valuable in chronic complaints. The

Cold and Cough Mixture.

Is precisely the cure for recent Coughs and irritation of the Throat and Lungs. It is

ESPECIALLY VALUABLE FOR CHILDREN

As a preventive of Croup. No family in our climate should be without this efficient remedy, which, if taken on the first symptoms of cold, would prevent many an attack of Bronchitis, and a

FATAL ISSUE IN CONSUMPTION.

It is put up in neat flint glass bottles, and is sold for fifteen pence a bottle.

☞ No Opium in any form contained in this Mixture.

Dr. McClintock's Remedies for Rheumatism, Neuralgia, &c.

These excruciating diseases are radically cured by taking Dr. McClintock's Rheumatism Mixture in doses of a teaspoonful three times a day. We have seen the worst cases relieved by it in 24 hours. For external use we have never known so powerful and penetrating an application as Dr. McClintock's Rheumatic Liniment. For swelled limbs, bruises, internal pains, cramps, chilblains, stiff joints, toothache, and other painful complaints, where we have seen it tried, it acts with magical effect. These remedies are sold at two shillings and sixpence per bottle.

Mr. McClintock's Dyspeptic Elixir.

Headache, Dizziness, Heartburn, Palpitation, and all the disagreeable symptoms arising from imprudence in diet, or from indigestion, may be promptly cured by Dr. McClintock's Dyspeptic Elixir, the result of thirty years experience in medical practice. This is now for the first time made public, though it has cured thousands of cases of confirmed Dyspepsia. Price in Bottles, 5 shillings.

Dr. McClintock's Tonic Alternative Syrup.

This remedy is not only delightful to the taste, but perfectly safe and rapid in its effects. It stimulates the liver and other glands to natural action, gives tone and new vigor to all the functions, and enables them to throw off all morbid and unhealthy accumulations.

During the extensive practice of Professor McClintock, one of the most celebrated Physicians in Philadelphia, thousands of cases of Scrofula, Erysipelas, Scurvy, Salt Rheum, Tetter, Skin Diseases, of all kinds, Ulcers, Cancers, Pimples, Boils, and Rheumatism, together with Syphilitic and Mercurial diseases in all stages, were cured by the free use of Dr. McClintock's Tonic Alternative Syrup. For children it is perfectly safe, and from its pleasant taste can be easily given. Those who are troubled with any of the above complaints, should take it regularly, Spring and Fall. Price 5 shillings, in large bottles. Six bottles for £1 5s.

Dr. McClintock's Rheumatic Mixture.

A purely vegetable remedy for internal use, for the cure of Rheumatism, Gout, &c. Price two shillings and sixpence.
