(Last week's Items)

We are glad to welcome to this community Mr. and Mrs. Alvin Sammonds who have recently moved into Mr. Alfred Hawton's house on the 12th line.

Congratulations to Miss Viva Miller of Gibraltar and Mr. Robert Teal of Collingwood who were married last week and for whom a shower was held at the home of the bride's parents Mr. and Mrs. Geo. Miller on Wednesday evening.

With an attendance of forty the Community Club meeting at the home of Mrs. Chestor Long on Wednesday, December 1 was one of the most enjoyable of the year. The president opened the meeting with the usual devotional exercises. Some time was then spent in discussing plans for the coming Christmas season, and a committee was appointed to look after the forwarding of Christmas hampers and gifts to the needy The ladies realized $20.00 from the sale of the woollen Afghan and Mr. J. E. Keenan of Owen Sound was the holder of the lucky ticket. Prizes were awarded to those whose efforts were responsible for the large sale of tickets. 1st prize Miss Irene Hudson a woollen cushion trimmed with crochet in colors, 2nd Mrs Chester Long, a mirror, 3rd Miss Doris Conn, a framed picture, 4th Miss Charlotte Richardson and 5th Miss Evelyn Hawton each a picture. The election of officers was the final item of business. Mrs. J. T. Davidson was urged to continue as president but upon declining was tendered a hearty vote of thanks for her untiring efforts during the year which with the splendid co-operation given by all members succeeded in making the meetings so interesting and worthwhile. The election of officers resulted as follows -- Pres. Mrs. Jas. Fawcett, Vice-Pres. Mrs. John Brown, Secretary Miss Evelyn Hawton, Treasurer Miss Irene Hudson, Buying Committee Mrs. Herb. Hawton, Mrs. T. Davidson, Sick Committee Mrs. J. Brown, Mrs. Alex McMullen. A social half hour was then spent and at 5.30 the hostess and her daughters served lunch. The next meeting will be held on January 5 at the home of Mrs. Alex Mullin.

Mr. and Mrs. John Brown spent a day last week with Mrs. Brown's mother, Mrs. Taylor, at her home near Markdale. Mrs. Taylor was 90 years old December 4 and although confined to her bed for over two years still retains all her faculties, and is quite cheerful and enjoys the company of her family and friends.

Mr. and Mrs. John Black spent a few days at the Royal Winter Fair.

Sick or half-sick animals are a drag on your efforts to make farming pay. It is comparatively simple to prevent your stock from getting many of the ailments that lay them up, or lessen their market value.

A few day's treatment with Pearson's Condition Powder will do wonders, for it is a tested and proven specific for keeping farm animals in prime condition.

Live Stock Report

(By Dunn & Levack, Toronto)

With only about 1700 cattle for the opening market Monday morning, the trade showed some improvement and the prices were somewhat better on the cattle of choice quality. A few fancy baby beeves were in demand for the Christmas trade, which sold at from 8.00 to 9.00. There was no improvement on the sale of heavy steers as the demand seems limited just now. The fact that the reduced tariff on Canadian cattle entering the United States will become effective January 1st, is expected to be helpful to the market as a whole. However, our American representatives advise caution in not over-loading their markets with Canadian cattle, until the outlet is established on American markets.

Choice heavy steers sold Monday at from 7.00 to 7.50, with a few extra choice at 8.00; fair to good from 5.50 to 6.50. In the butcher section, a few extra choice steers sold at 6.50, but the bulk of the sales of good to choice ranged from 5.50 to 6.00; fair to good from 4.50 to 5.25; common to medium 3.75 to 4.25. Choice baby beeves brought from 8.00 to 9.00, with those of medium to good quality from 5.50 to 7.50. Stockers and feeders were very slow of sale. The cow market has improved, with choice light heifery cows selling from 4.25 to 4.50 and choice fat cows from 3.75 to 4.00; fair to good from 3.25 to 3.75; common to medium 2.50 to 3.00; canners and cutters 2.00 to 2.40. Choice butcher bulls from 4.00 to 4.50; fat heavy bulls 3.75 to 4.00; bolognas 3.00 to 3.50.

Supplies of lambs were fairly heavy for the present outlet and the market opened slow. A few lots of choice lambs brought 8.00, with the bulk of the truck lambs selling at 7.50. Choice butcher sheep sold at from 4.00 to 4.50. Calves held steady, choice from 9.00 to 10.00; fair to good from 8.00 to 9.00; common to medium 5.50-7.50.

Following last week's sharp advance in hog prices, supplies were very much too heavy for Monday's market and trading was very slow, truck deliveries selling on the basis of from 8.25 to 8.35. The prospects for the balance of the week are uncertain, but it is expected the market will be better for next week and the latter part of the month.

Sometimes it doesn't take a very smart man to tell when professed wisdom is only mouth deep.
