SPECIAL NOTICE.

THE GREAT AMERICAN HAIR TONIC.

Bogle's Celebrated Hyperion Fluid,

For the Growth and Preservation of the Hair, is well known to be without a rival on this Continent.—Hundreds of imitations have started into an ephemeral existence since the introduction of this unrivalled Hair Restorative, and their doom been sealed, whilst Bogle's Hyperion Fluid, with a popularity never attained by any other article, goes on "conquering and to conquer." There is no malady that can effect the hair but can be cured by this incomparable preparation. To ladies it is invaluable; and on children's heads it lays the foundation of a good head of hair. It is now patronised by Her Majesty the Queen of Great Britain, and commanded an extensive sale throughout Europe.

BOGLE'S AMERICAN ELECTRIC HAIR DYE, Converts RED or GREY Hair into a beautiful Black or Brown, the moment it is applied, literally dyeing the hair without staining the skin, and leaves the hair soft and glossy, without injuring its texture in the least—a decided superiority over all other Hair Dyes.

Bogle's Amôle Shaving Compound

Renders that usually unpleasant operation (shaving) a decided luxury.

Bogle's Hebeaiona

Removes Freckles and Tan from the face in the shortest possible time, and is acknowledged to be the very best article for Beautifying the Complexion.

To be had, wholesale and retail, of

W. BOGLE,

277 Washington Street, Boston, U. S.

And by all the Druggists and Perfumers throughout Canada, the United States and Great Britain.

CONSIDERING the quantity of all powerful patent medicines that glut our country from the other side, it is wonderful that we should find an invalided person in the Province; but a little time will tell on them as it did on the powerful Sarsaparilla, which is now out of date, as are many other nostrums of the kind. As if our own worthy medical men here were not able to prescribe for our natives. Prevention is better than cure.

A few important directions on the Philosophy of Health.

Use coarse food; as few assortments as possible; prefer Salt meat to fresh in this wild country so far off from the influence of the Ocean. Don't crowd the stomach too much; nor eat late at night. Keep the bowels regular, and you will not want the Doctor so often. Also the vast revenue for patent drugs will be saved. There is not an evil that we are subject to but God has provided a remedy for in our own soil. You will find this fountain of health at the subscriber's medical store in this city, with many certificates of cures performed on your own neighbors; and believe no more of those fictitious certificates from other countries.—The Botanic Medicines are going their way. A few more years will revolutionise the world, and save thousands from the deadly effects of poisonous drugs.

OPPOSITION TO MONOPOLY.

Music at Greatly Reduced Rates

NOTWITHSTANDING the combination of music dealers to keep up the prices of non-copywright music, against the interests of native composers, and their refusal to extend to Mr. Waters the courtesies of the trade, he is making immense sales—having abundant evidence, that he has public countenance and support, in his opposition to the Great Monopoly, and in his efforts to aid native talent, and to adopt the National Currency. His stock of American and European music is immense, and the catalogue of his own publications is one of the largest and best selected in the United States. He has also made a Great Reduction in the prices of Pianos, Melodeons and Musical Instruments of all kinds. HORACE WATERS, ESQ., 333 BROADWAY:

Dear Sir—Having examined your Piano Fortes from scientific and appropriate tests, I am enabled to form a satisfactory judgment of their merits, and it is with pleasure that I can speak of them as among the most celebrated and improved makes of the day.

For power, brilliancy and richness of tone, elasticity of touch, and beauty of finish, they will not suffer in comparison with those of any other manufacturer, and those desirous of obtaining a really good Piano Forte—one that will prove an equivalent for their means, will find such in your beautiful instruments.

THOMAS BARKER,

R. A. M. Leader of Jullien's Band and arranger of Jullien's popular Repertoire of dance music; formerly manager of the publishing department of the great music house of Jullien & Chappels, London, and now Musical Director & Conductor at Niblo's Garden.

For power, brilliancy and richness of tone, elasticity of touch, elegance and durability of make, they are in advance of any other pianos in the United States, being the result of long experience and a series of experiments.—N. Y. DISPATCH.

The treble is clear, pure, beautiful, and very melodious, the bass is deep, rolling, and sonorous; the middle part is rich and sympathetic, and possesses the power of singing, *i. e.* of uniting the sound of each tone, in a degree but rarely achieved.—HENRY C. WATSON.

Your instruments are a sensible improvement upon American pianos, and an honor to the skillful manufacturer. There is no doubt but they will be appreciated by the public, and all admirers of true merit.—OSCAR COMETTANT.

For power tone, depth of bass, and brilliancy of treble, together with accuracy of touch, they are equal to any make I am acquainted with, and I cordially recommend them to those wishing to purchase.—Y. C. TAYLOR.

They are fully equal to any of the kind I have seen in the United States, and far superior to those of a similar make I saw in England.—GEO. W. MORGAN.

I take great pleasure in pronouncing them instruments of a superior quality, both in tone and touch.—AUGUST GOCKEL.

Our friends will find at Mr. Waters' store the very best assortment of music and of pianos to be found in the United States, and we urge our southern and western friends to give him a call when they go to New York.—GRAHAM'S MAGAZINE.

We consider them worthy of special attention, from the reasonant and exceedingly musical tone which Mr. Waters has succeeded in obtaining.—N. Y. MUSICAL WORLD & TIMES.

Horace Waters' Piano Fortes are of full, rich, and even tone, and powerful.—N. Y. MUSICAL REVIEW.

In the production of Pianos it is probable that Mr. Waters has eclipsed all competitors. The recent improved Pianos which he has presented to the public, have become universally admired for their delicate tone, as well as their superior finish and elegance, and have in every respect, received the universal commendation of musicians and amateurs.—TIMES & MESSENGER, N. Y.

Your new Square Pianos, sir, are of such a clearness and equality of tone throughout, that they very successfully compete with the voluminous and expressive Grand Piano.—VANDERWEYDE.

The Editor of the SAVANNAH REPUBLICAN, Savannah, Ga., speaking of the Piano Fortes kept by Messrs. J. W. Morrell & Co. of that city, says:

"It will be seen that their stock comprises instruments of every grade of excellence, from the well known manufacturing establ
