One way to save time is not to start an argument with a man with deep prejudices.

With wars, as with other catastrophes, it is good that so many that were expected never happened.

## Osprey Council

Osprey Municipal Council met in final session in the Orange Hall, Maxwell, on Wednesday, Dec. 15th, with all the members present.

This is usualy a busy day for all concerned, as a large number of ratepayers take the opportunity of paying their taxes and also transacting any business they might have with the Council, the greater part of which was getting road pay sheets straightened out and having their cheques issued for the same. However, everything went smoothly along and by midafternoon the greater part of the rush was over and the general business was taken up in earnest and the slate was practically clean by six o'clock.

Matters dealt with were: Mr. A. Hutchinson, the Deputy-Reeve, again presented the case of the arrears of taxes which are charged against lot 2, con. 11, and which have been on two different occasions discussed before. It is in regard to payments which have been made to our former treasurer and whch claims are made that proper credits have not been given. The Clerk-Treasurer explained that all receipts, vouchers, etc., which have been presented to him have been duly credited and upon this not satisfying the parties concerned, had called in the assistance of the manager of the Bank of Toronto at Feversham to make a check of payments, which resulted in him verifying the Clerk-Treasurer's statement. It was explained that unless further evidence of payments made can be produced by the parties concerned, the arrears as shown are the amounts still owing. The members all expressed their opinions as, that it was unfortunate that of the many similar cases which have had to be dealt with in the same manner during the past three years, that this is the first, to their knowledge, that a satisfactory settlement cannot be arrived at.

Mr. Carl Moore of Badjeros wrote asking for payment of a road through his fields for the past two years. As this is a procedure which Council frowns upon, yet it is well known that Mr. Moore's fields were badly cut and trampled by traffic and that fences were torn down and broken, so a payment will be extended to him. The Road Superintendent was instructed to purchase a quantity of snow fence and have it erected to try and remedy conditions at this paricular place.

By-law No. 23, authorizing the payments of school moneys and telephone rates and tolls was passed; also By-law No. 24, appointing Deputy Returning Officers and Poll Clerks, as follows: No. 1, Hy. K. Jackson and Robt. Blakey; No. 2, C. W. Long and George Morrison; No. 3, E. Wright and Wm. Davidson; No. 4, C. E. Edwards and Wm. Service; No. 5, Archie McIntyre and John McKinnon; No. 6, R. Cameron and M. P McLean; No. 7, Wm. Norman and Albert Moore; No. 8, Neil Winters and Jas. Winters; No. 9, Jas. Davidson and Wm. Bewill.

## Carol Singing In Town Friday Night

The schools of the township, who have been under musical training by Miss Madge Lucas, will gather in town on Friday evening of this week, Christmas Eve., at 8 o'clock for carol singing on the square. This should be a delightful feature of the Christmas season and of much enjoyment to everyone. Every person in the district is invited to come to town that evening and join in the singing of the carols.

It may be quite as well that people don't go around telling everything that they think. The world seems quite exciting enough as it is.

"Are all men fools?" asked the wife after a slight disagreement with her husband.

"No, my dear," replied her husband, "some men are bachelors."
