DOCTOR HOOFLAND'S
CELEBRATED
GERMAN BITTERS,
PREPARED BY
DR. C. M. JACKSON,
GERMAN MEDICINE STORE,
No. 120 Arch St., one door below Sixth Philadelphia.
Their power over the above diseases it not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.
These Bitters are worthy the attention of Invalids. Possessing great virtues in the rectification of the liver and lesser glands, exercising the most searching power in weakness and affections of the digestive organs, they are withal safe certain and pleasant.
READ THE TESTIMONY;
Capt. Daniel Abbott, Brooklin, Maine, July 1853, says: "I was taken sick one year ago, last April, upon my passage from Havana to Charleston, S. C. At the latter place I took medicine and procured a physician, but for ten days could obtain no relief, no sleep, or appetite. At last taking up a newspaper having your advertisement of "Hoofland's German Bitters" in it, I sent for some immediately, this was about 10 o'clock, at 11 o'clock I took the first dose, and another at 6 o'clock. The effect was so rapid on me that I had a good appetite for supper, and rested well that night, and the next day found me a well man. I have not been without your medicine since, having been sailing between Baltimore, Charleston and the West India Islands ever since. I have now given up going to sea, and reside in this place, where you should have an agency, as you could sell large quantities of it."
Jos. B. Hall & Co., Presque Isle, Aroostook Co., Maine, April 24, 1854, say: "We herewith send you a certificate of a cure performed by the use of *only one bottle* of the German Bitters, we think Mr. CLARK to be a man of veracity, and have no doubt of the truth of his story.
Messrs. Jos. B. Hall & Co.—Gentlemen—In answer to your inquiries I will state that my daughter, aged about 16 years, has been complaining of a pain in her side, for six or seven years, and about the first of January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pains between her shoulders and in her breast. From reading a number of cures performed by "Hoofland's German Bitters" I was induced to try it in her case, and sent to your store and purchased *one bottle*. She had taken it but a few days when she began to improve, and now after taking one bottle, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure entirely to the German Bitters. WILLIAM CLARK,
Salmon Brook, Aroostook Co., Me.
You should bear in mind that these Bitters are ENTIRELY VEGETABEL, thereby possessing advantages over most of the preparations recommended for similar diseases.

DR. G. W. STONE'S
MESMERIC NERVE RESTORATIVE.
THIS compound nervine was discovered and revealed to Dr. Stone by a celebrated Clairvoyant whose wonderful powers of second-sight were developed and exhibited by him, in London, during the spring and summer of 1841. The efficacy of this newly discovered remedy in restoring to healthy action and increasing the vital energies, has been well tested and proved to a demonstration, by the proprietor, in his treatment of
NERVOUS DISEASES.
During three years practice in Europe, where hundreds can testify to astonishing and almost miraculous cures performed by it. In addition to the magical powers of the ingredients it is highly charged with Mesmeric Fluid, being, in accordance with the directions of the Clairvoyant, powerfully Mesmerised by Dr. Stone, thus combining with its medical virtues the aid of Mesmerism, by which alone some of the most remarkable cures have been performed ever known. It is a specific for every Neurotic disease, and may be relied upon as a certain cure for Rheumatism, Neuralgia, Paralysis, Tic Doloreux, Nervous Headache, Pain in the side or Stomach, and General Nervous Debility.
DR. STONE'S
Cough, Consumption, & Bronchitis Elixir.
Dr. S. would call the attention of the public to his invaluable remedy for Coughs, Colds, Consumption, and Bronchitical affections. It will give immediate relief where the most severe Cough exists, and in a few days will cure the most troublesome cold. As a prevention and cure for Consumption, it has never been equalled. It constitutes no poisonous ingredients and may be given to the most delicate child without fear or risk. This medicine has been tried successfully by hundreds of cases the past winter, and no family should be without it. Price Fifty cents.

The great success of this Institution in Europe, and the numerous Policies, issued by the different Agencies in Canada, evidently show that the advantages of Life Assurance are daily becoming more and more appreciated by those who feel the necessity of making some provision for their families, or securing the amount of debts due *by* or *to* them in case of premature death.
The income of the Company, independently of the large Subscribed Capital, is about Eighty Thousand Pounds, Sterling, per Annum, and of this a great part is continually accumulating for the payment of losses.
A Party effecting an Assurance with this Company, may do so for a fixed sum, payable at his or her death, without participating in the profits, and thereby secure *an immediate Bonus* by not paying more than is absolutely required to provide for the risk.
Among others, the following Improvements on the system usually adopted are recommended to the attention of the Public.
A Table (No. 2) of Increasing Rates of Premium, peculiarly advantageous in cases where Assurances are effected by way of securing loans of debts, "a less immediate payment being required on a Policy for the whole term of life than in any other Office; and the holder having the option of paying a periodically increasing rate, or of having the sum assured diminished, according to an equitable scale of reduction."
"A Table (No. 4) of Decreasing Rates of Premium, on a novel and remarkable plan; the Policy-holder having the option of discontinuing the payment of all further Premiums after TWENTY, FIFTEEN, TEN, and even FIVE years; and the Policy still remaining in force,—in the first case for the full amount originally assured, and in either of the three other cases, for a portion of the same according to a fixed and equitable scale endorsed upon the Policy.
All claims payable within THREE MONTHS after proof of death
No proof of Birth is required at the time a claim is made; the age of the Assured being, in every case, admitted in the Policy, cannot, under any circumstance, be afterwards called in question.
Policies effected by Parties on their own lives are not rendered void in case of death by Duelling or the hands of Justice. In the event of suicide, if the Policy be assigned to a *bona fide* Creditor, the sum assured will be paid without deduction; if the Policy be not assigned, the full amount of Premiums received thereon will be returned to the family of the Assured.
The necessary forms, and every requisite information, as to the mode of effecting Assurances, may be obtained either by letter or personal application to
