The Great Restorative.

Fever and Ague Cured by Dr. M'Lane's Liver Pills.

Mr. Jonathan Hougham, of West Union, Park County, Illinois, writes to the proprietors that he had suffered greatly from a severe and protracted attack of Fever and Ague, and was completely restored to health by use of the Liver Pills alone. These Pills unquestionably possess great tonic properties, and can be taken with decided advantage for many diseases requiring invigorating remedies; but the Liver Pills stand pre-eminent as a means of restoring a disorganized Liver to healthy action; hence the great celebrity they have attained. The numerous formidable diseases arising from a diseased Liver, which so long baffled the skill of the most eminent physicians of the United States, are now rendered easy of cure, thanks to the study and perseverance of the distinguished physician whose name this great medicine bears—a name which will descend to posterity as one deserving of gratitude. This invaluable medicine should always be kept within reach; and on the appearance of the earliest symptoms of diseased Liver, it can be safely and usefully administered.

☞ Purchasers will please be careful to ask for Dr. McLane's Celebrated Liver Pills, and take none else.—There are other Pills, purporting to be Liver Pills, now before the public. Dr. M'Lane's Liver Pills, also his Celebrated Vermifuge, can now be had at all respectable Drug Stores in the United States and Canada.

For Sale by E. W. Palmer, Kingston, C. W. 53

Few are aware how frequently Publishers are compelled to insert among their advertisements, statements which they can neither sanction or believe.

A pleasant exception to this disagreeable necessity are the advertisements of Dr. J. C. Ayer's Cherry Pectoral and Pills, which will be found in our columns. We have published for him before, and always with the feeling that in so doing we in no wise lend ourselves to deceive or mislead the public, for we have had indisputable proof that his words are strictly true, with abundant reason to believe that his medicines will do all they promise, and all that can be reasonably expected from any medicine. His Cherry Pectoral is too well known in this community to need any commendation from us, and his Pills we are credibly informed are not inferior to his Pectoral.—[Providence Mirror, R. I. 53

There are few things which afford us greater pleasure than sitting down to write a notice of the celebrated Hoofland German Bitters, because we are fully conscious we are conferring a public benefit, and our heart tells us that by our notices may have been induced to take these Bitters, and been rescued from death by dyspepsia, liver complaint, &c., for the cure of which it is certain. It is prepared and sold only by Dr. C. M. Jackson, at the German Medicine Store, No. 120 Arch Street, Philadelphia. See advertisement.

Holloway's Ointment.—A Miraculous Cure of Ulcerous Sores.—Augustus Cook, a compositor, of Cape Town, Cape of Good Hope, was afflicted for a long time with scrofulous sores on his arms and legs, his case in the end became so desperate, that it appeared evident he must forsake his employment. A friend, however, persuaded him to use Holloway's Ointment, and to take the Pills according to the printed directions, which he did. After a short time, he found himself considerably better, and by persevering with these remedies, in a few weeks he was completely cured, and is now able of work with renewed vigour.

SPECIAL NOTICE.

THE GREAT AMERICAN HAIR TONIC.

Bogle's Celebrated Hyperion Fluid,

For the Growth and Preservation of the Hair, is well known to be without a rival on this Continent.—Hundreds of imitations have started into an ephemeral existence since the introduction of this unrivalled Hair Restorative, and their doom been sealed, whilst Bogle's Hyperion Fluid, with a popularity never attained by any other article, goes on "conquering and to conquer." There is no malady that can effect the hair but can be cured by this incomparable preparation. To ladies it is invaluable, and on children's heads it lays the foundation of a good head of hair. It is now patronised by Her Majesty the Queen of Great Britain, and commands an extensive sale throughout Europe.

BOGLE'S AMERICAN ELECTRIC HAIR DYE, Converts Red or Grey Hair into a beautiful Black or Brown, the moment it is applied, literally dyeing the hair without staining the skin, and leaves the hair soft and glossy, without injuring its texture in the least—a decided superiority over all other Hair Dyes.

CRIDIFORD'S NUTRITIVE CREAM,

FOR STRENGTHENING AND NOURISHING THE HAIR.

THIS article has been before the Public and in use by the Subscriber for many years—in England, as well as since his residence in Canada. Wherever it has been used, it has invariably met with the highest commendations, as, in connection with its strengthening and nutritive qualities, it imparts luxuriance, and a natural gloss to the hair equal to any other now in use.

The Nutritive Cream is the discovery solely of the Proprietor, who warrants entire satisfaction in all cases where properly used. Parties having made use of it in England, have, owing to its superiority, frequently sent to Kingston for a supply—Hundreds in this City can testify to its excellence.

For sale at Cridiford's Hair Dressing and Perfumery Establishment, King Street, at prices from 1s. 3d. to 8s. 9d.

ELEGANT PERSONAL REQUISITES

Under the Patronage of Royalty and the Aristocracy throughout Europe.

And universally preferred and esteemed.

The successful results of the last HALF CENTURY have proved beyond question that

ROWLANDS' MACASSAR OIL

Possesses peculiarly nourishing powers in the restoration, and improvement of the Human Hair, and when every other specific has failed.

This celebrated Oil is now universally acknowledged to be the cheapest, and superior to all other preparations for the Hair. It prevents it from falling off or turning grey—strengthens weak hair—cleans it from Scurf and Dandriff—and makes it beautifully soft, curly, and glossy. In the growth of the *Beard, Whiskers* and *Mustachios* it is unfailing in the stimulative operation. For children it is especially recommended, as forming the basis of a beautiful head of hair.

IMPORTANT CAUTION.

To prevent the substitution of Spurious Imitations for the genuine article by unprincipled shopkeepers, A. Rowland & Sons have caused their signatures to be engraved on the Government Stamp affixed to each bottle, without which none are genuine. Ladies will be very careful to see that the signature of A. Rowland & Sons is on the Stamp affixed to each bottle, before purchasing, as some unprincipled shopkeepers have attempted to palm off other articles upon them as being equally as good as Rowlands' Macassar Oil. The genuine Oil is in general demand, and this attempt to imitate it is made in the hope of gaining on the reputation of the genuine article.—The genuine article is in a green wrapper, with the signatures of A. Rowland & Sons, 20, Hatton Garden, London, engraved on the Government Stamp attached to each bottle. Price 2s. 6d., 4s., 6s., 8s., and double quantity, 21s. Family Bottles, 10s. 6d. and 21s. each.

A BEAUTIFUL COMPLEXION,

AND

SOFT & FAIR HANDS & ARMS,

Are fully realized and sustained by the use of

ROWLANDS' KALYDOR.

An Oriental Botanical Preparation, which, by its action on the pores and minute secretory vessels of the Skin, promotes a healthy tone so essential to its general well-being and the beauty of its appearance. *Freckles, Tan, Pimples, Spots, Discoloration,* and other *Cutaneous Visitations* are eradicated by the KALYDOR, and give place to a radiant bloom and transparency of Complexion.

*** The words "Rowlands' Kalydor" are on the wrapper, and "A. Rowland & Sons, 20, Hatton Garden," on the Government Stamp, affixed on each bottle.—Price 4s. 6d. and 8s. 6d.

Sound and White Teeth are not only indispensably requisite to a pleasing exterior, in both sexes, but they are peculiary appreciated through life as highly conductive to health and longevity. Among the various preparations offered for the Teeth—

ROWLANDS' ODONTO,

OR PEARL DENTIFRICE,

stands unrivalled. Prepared from Oriental Herbs with unusual care, this compound will be found to eradicate all tartar and concretions, and impart a pearl-like whiteness to the enamelled surface, remove spots of incipient decay, render the gums firm and red, fix the Teeth firmly in their sockets, and from its aromatic influence impart sweetness and purity to the breath.—Price 2s. 9d. per box.

Caution.—The words "Rowlands' Odonto" are on the Label, and "*A. Rowland & Sons, 20, Hatton Garden,*" engraved on the Government Stamps, affixed on each box.

Sold by Perfumers & Chemists & Druggists. 1

CASH MUSIC STORE OF HORACE WATERS,

No. 333 Broadway, New York.

OPPOSITION TO MONOPOLY.

Music at Greatly Reduced Rates

NOTWITHSTANDING the combination of music dealers to keep up the prices of non-copywright music, against the interests of native composers, and their refusal to extend to Mr. Waters the courtesies of the trade, he is making immense sales—having abundant evidence, that he has public countenance and support, in his opposition to the Great Monopoly, and in his efforts to aid native talent, and to adopt the National Currency. His stock of American and European music is immense, and the catalogue of his own publications is one of the largest and best selected in the United States. He has also made a Great Reduction in the prices of Pianos, Melodeons and Musical Instruments of all kinds. Superior toned 6½ octave pianos for $175, $200 and $225, in interior of a good quality, and instruments as strong and as durable as those which cost $500. Pianos of every variety of style and price up to $1000, comprising those of ten different manufactories; among them the celebrated modern improved Horace Waters' Pianos and the first premium Æolian Pianos of T. Gilbert & Co's make, (owners of the Æolian patent). Second-hand pianos at great bargains. Price from $40 to $150. Melodeons from five different manufactories, including the well known S. D. & H. W. Testimonial of the Horace Waters' Pianos.

New York, December 12th, 1854.

Horace Waters, Esq., 333 Broadway:

Dear Sir—Having examined your Piano Fortes from scientific and appropriate tests, I am enabled to form a satisfactory judgment of their merits, and it is with pleasure that I can speak of them as among the most celebrated and improved makes of the day.

For power, brilliancy and richness of tone, elasticity of touch, and beauty of finish, they will not suffer in comparison with those of any other manufacturer, and those desirous of obtaining a really good Piano Forte—one that will prove an equivalent for their means, will find such in your beautiful instruments.

THOMAS BAKER,

R. A. M. Leader of Jullien's Band and Arranger of Jullien's popular Repertoire of dance music; formerly manager of the publishing department of the great music house of Jullien & Chappels, London, and now Musical Director & Conductor at Niblo's Garden.

For power, brilliancy and richness of tone, elasticity of touch, elegance and durability of make, they are in advance of any other pianos in the United States, being the result of long experience and a series of experiments.—N. Y. Dispatch.

The treble is clear, pure, beautiful, and very melodious, the bass is deep, rolling, and sonorous; the middle part is rich and sympathetic, and possesses the power of singing, *i. e.* of uniting the sound of each tone, in a degree but rarely achieved.—Henry C. Watson.

Your instruments are a sensible improvement upon American pianos, and an honor to the skillful manufacturer. There is no doubt but they will be appreciated by the public, and all admires of true merit.—Oscar Comettant.

For power tone, depth of bass, and brilliancy of treble, together with accuracy of touch, they are equal to any make I am acquainted with, and I cordially recommend them to those wishing to purchase.—V. C. Taylor.

They are fully equal to any of the kind I have seen in the United States, and far superior to those of a similar make I saw in England.—Geo. W. Morgan.

I take great pleasure in pronouncing them instruments of a superior quality, both in tone and touch.—August Gockel.

Our friends will find at Mr. Waters store the very best assortment of music and of pianos to be found in the United States, and we urge our southern and western friends to give him a call when they go to New York.—Graham's Magazine.

We consider them worthy of special attention, from the resonant and exceedingly musical tone which Mr. Waters has succeeded in obtaining.—N. Y. Musical World & Times.

Horace Waters' Piano Fortes are of full, rich, and even tone, and powerful.—N. Y. Musical Review.

In the production of Pianos it is probable that Mr. Waters has eclipsed all competitors. The recent improved Pianos which he has presented to the public, have become universally admired for their delicate tone, as well as the superior finish and elegance, and have in every respect, received the univeral commendation of musicians and amateurs.—Times & Messenger, N. Y.

Your new Square Pianos, sir, are of such a clearness and equality of tone throughout, that they very successfully compete with the voluminous and expressive Grand Piano.—Vanderweyde.

The Editor of the Savannah Republican, Savannah, Ga, speaking of the Piano Fortes kept by Messrs. J. W. Morrell & Co. of that city, says:

"It will be seen that their stock comprises instruments of every grade of excellence, from the well known manufacturing establishments of Chickering & Son, Horace Waters, H. Worchester, Nunns & Clark, and Bacon & Raven. It might well be supposed, that in so large a collection there would be some very fine instruments. But there is one which, for beauty of finish and richness and brilliancy of tone, equals, if it does not excel, anything of the kind we have ever seen. It is from the establishment of Horace Waters. Being constructed of the best and most thoroughly seasoned material, and upon improved principles, it is capable of resisting the action of every climate, and of standing a long time in tune. The keys are of pearl, and the recess for the finger-board is inlaid with mosaic, while the legs are most elaborately carved, and the whole instrument finished up in a style of great excellence and beauty. And yet its chief merit lies in the power brilliancy, and richness of its tone, and the elasticity of its touch.
