Mrs. R. Richardson

The funeral of the late Mrs. Robert Richardson was held on Wednesday of last week from the home of Mr. Emerson Wickens, and was largely attended by sorrowing relatives and friends. Her pastor, Rev. G. R. Service, of St. John's United church conducted the services at the house and cemetery. He preached a comforting sermon and took as his text Hebrews 11: 13 "These all die in faith and God has prepared for them a city." "The hymns "Safe in the Arms of Jesus" and "Jesus Saviour Pilot Me," were repeated with music accompanying played softly.

A large number of beautiful floral tributes surrounded the casket, among them being a spray from L.O.L. 509, Orange Valley, and sprays from the neighbors.

Among those from a distance who attended the funeral were Mr. and Mrs. Geo. Campbell, Mrs. Wm. Jackson, Mrs. J. McCullough, Mrs. Herb Kennedy and Mr. Bougard, all of Toronto, Mrs. Ted Henson of Barrie, Mr. Reg. Mann and Mrs. John Beecroft, both of Owen Sound.

The pallbearers were: Messrs. Wm. Hutchinson, Howard Graham, Fred Boland, Emerson Wickens, Thomas Sled and Jacob Lever.

Live Stock Report

(By Dunn & Levack, Toronto)

Nearly 4,000 cattle arrived for Monday's market and with a good demand all classes of cattle held steady. Export buyers for shipment to the United Kingdom contributed considerable strength to the market as a whole, while the outlet to American markets was confined mostly to veal calves.

Choice heavy steers brought from $6.00 to $6.50; fair to good from $5.25 to 6.00; common to medium 4.00 to 5.00. In the butcher section, choice handy weight steers and heifers sold at from 5.25 to 5.75, with a few fancy up to 6.00. Baby beeves were slow of sale, with the bulk of the sales being made at from 5.00 to 7.00 and a few fancy calves up to 8.00. Good stockers and feeders were in demand at from 4.00 to 4.25; fair to good from 3.25 to 3.90; common to medium 2.75 to 3.25; canners and cutters 2.25 to 2.65. Choice butcher bulls brought from 4.00 to 4.50; bolognas from 3.65 to 4.00.

In the small meats, the lamb market opened slow under heavy supplies, with the general quality on offer not good. Good to choice lambs sold at 7.75 to 8.00. Best butcher sheep 5.00. The calf market opened strong, choice from 10.50 to 11.00; fair to good from 9.00 to 10.00; common to medium 6.00 to 8.50.

Supplies of hogs were light, the market held strong at 8.50 for truck deliveries. Should supplies become heavy for the balance of the week, it is quite probable that prices will work lower.

Harold Kerr Sentenced

Harold Kerr, 47-year-old Euphrasia tax collector, was sentenced to three years in Kingston penitentiary. He was convicted on charge of conversion by theft by Judge G. W. Morley in county criminal court at Owen Sound on Tuesday. The judge denounced municipalities which paid meagre salaries to men in positions of trust and did not have regular audits of tax collection rolls.

Kerr was short $11,296.07 and his counsel, in arguing for a lenient sentence after his client had pleaded guilty, said that only one audit had been taken in the 20 years Kerr had held the job. Kerr, he said, was paid a salary of $175 in recent years, less than before.

"The fact that there were but two audits, the last one bringing out this matter," said Judge Morley, does not excuse you Kerr."

"But it does show carelessness on the part of township officials. Your salary of $175 was meagre, and I think townships and municipalities should be urged to pay larger salaries to men put in positions of trust.

"When I say that I think every municipality should annually have the tax rolls audited by an outside accountant, I would like that statement to be made very public.

"I was implicated alone," Kerr said. "No one else had anything to do with it."

On Saturday night the rules of the League were revised, list of players passed and a schedule drawn up with two groups. Lost Semi-Pro. Game

Flesherton's Semi-Pro hockey team played their first game of the season in Dundalk arena on Monday night. Flesherton managed to squeeze in a few minutes practice, which was their first, before the game and all seemed eager to go. In the first period, in fact throughout the whole game, there was plenty of slashing and rather rough hockey. D. Hopkins served the frst penalty for boarding and then A. Hopkins and D. Wilson got the gate for trying to start a free for all. Dundalk scored the first goal midway through the second period and shortly after D. Hopkins and Wilson got major penalties for a private feud. Next Spanhouse served a penalty for tripping but he came right back to score near the end of the period. Flesherton disputed this goal but to no avail. In the third period T. Banks was relieved of the pads by A. Hopkins and immediately after the face off Banks sailed down alone to score and shortly after Banks again scored from left wing but the referee called the play back on an off-side. D. Hopkins was again sent off and Langdon scored the final goal and the game ended 3-1 in Dundalk's favour but no doubt the Flesherton team will do better when they get a few practices.

Dundalk — Goal J. Wellwood
Defence Spanhouse, H. Wellwood
Forwards Mills, Lyons and Langdon
Alternates Tyndall, Ritchie, Moody and Wilson.

Flesherton — Goal T. Banks
Defence D. Hopkins, B. Carrothers
Forwards M. Piper, J. Banks and B. Leavell.

Alternates—D. Morgan, J. Hopkins, L. Henderson and A. Hopkins.
Referee — Mel Thompson, Dundalk.

Ontario Seed Grain

After a careful survey of the seed situation for the spring of 1938, the Department finds that there are sufficient oats and barley in the province to look after the seed requirements. This is dependent on every farmer taking immediate steps to have the best of his grain cleaned and set aside for his seed. Many appear to think that because their grain this year is off color and a little under standard weight that it will not make suitable seed, but tests already made show that when this off-colored and underweight grain has been thoroughly cleaned up to a 50 per cent cut in some instances, good seed was secured which germinated as high as 90 per cent. If this work is done now the cleaned-out grain can be used for feed.

By following out some such policy there will be no great shortage of seed next spring. Many farmers have a fanning mill of some description, with a little repair and an extra screen or two, will clean grains. The correct screens, of course, are important, and should any farmer be in doubt, the Department will be glad to furnish this information on request, Where farmers live within driving and trucking distance of power cleaning plants that have scourers and carter disc machines, it will pay them to have their cleaning done at one of these plants.

What is most important is that the farmers start now so that the cleaning and germinating can be done properly, and not leave it until a spring rush develops. Germination tests will indicate the suitability of seed.

Flesherton Lost Two Games This Week

Flesherton Centre Grey League have not had much luck during the past week when they dropped two League games and are now safely occupying last place in the schedule. From the looks of things the players are not in condition, as in both games they appeared to be in their old time form, but faded toward the last of each game. Friday night last they lost a close game to Dundalk 2-1 and at the end of the first period were leading by one to nothing. Dundalk put on the pressure in the second and netted two fast goals to take lead and win the game. No scoring in the last frame. Boyd scored the only counter when he took his own rebound to slam the rubber home. M. Dean of Shelburne refereed and gave Flesherton a raw deal right from the beginning, the boys protested his decisions in the first period, so the beefing was not from a defeated team. It was his last game that he will ever referee with a Flesherton team playing.

Markdale won Monday night's game 5-2 in a rousing exhibition that produced some good hockey. Patton made the first tally for Flesherton in the first on a pass from McTavish, and in the second McCutcheon made it two to nothing on a solo effort. Flesherton stopped there and Markdale tied the score before the period was ended and in the third secured three more for a safe lead. George Boyd, the star centre player was absent through illness. Delbert Smith has been a disappointment this year as he is not playing the hockey he is capable of, and which he displayed last year. Markdale has displayed great power n their attack this year and are rightly holding down first place.

Flesherton entertains Shelburne on Friday evening of this week, when they hope to change the defeats into victories. It will be a game that will be worth while watching, so make a point to attend.
