## STARTLING, BUT TRUE!

### THAT EVERY WOMAN SHOULD KNOW.

READER, are you a husband or a father? a wife or a mother? Have you the sincere welfare of those you love at heart? Prove your sincerity, and lose no time in learning what causes interfere with their health and happiness not less than your own. It will avoid to you and yours, as it has to thousands, many a day of pain and anxiety followed by sleepless nights, incapacitating the mind for its ordinary avocation and exhausting those means for medical attendance, medicines and advertised nostrums, which otherwise would provide for declining years, the infirmities of age and proper education of your children.

How often it happens, that the wife lingers from year to year in that pitiable condition as not even for one day to feel the happy and exhilarating influence incident to the enjoyment of health, arising from ignorance of the simplest and plainest rules of health as connected with the marriage state, the violation of which entails disease, suffering and misery.

"And must this continue? Must this be? Is there no remedy? No relief? No hope?"

The remedy is by knowing the causes and avoiding them, and knowing the remedies and benefiting by them.

These are pointed out in

**THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION,**

BY DR. A. M. MAURICEAU,

PROFESSOR OF DISEASES OF WOMEN.

*One Hundredth Edition* (500,000) 18*mo.*, *pp.* 250.

[cts, FINE PAPER, EXTRA BINDING, $1,00.]

A standard work of established reputation, found classed in the catalogues of the great trade sales in New-York, Philadelphia, and other cities, and sold by the principal booksellers in the United States. It was first published in 1847, since which time

FIVE HUNDRED THOUSAND COPIES

have been sold, of which there were upwards of

*One Hundred Thousand Sent by Mail,*

attesting the high estimation in which it is held as a reliable popular Medical

BOOK FOR EVERY FEMALE,

the author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands, both in person and by letter.

Here every woman can discover, by comparing her own symptoms with those described, the nature, character, cases of, and the proper remedies for her complaints.

The wife about becoming a mother has often need of instruction and advice of the utmost importance to her future health, in respect to which her sensitiveness forbids consulting a medical gentleman, will find such instruction and advice, and also explain many symptoms which otherwise would occasion anxiety or alarm, as all the peculiarities incident to her situation are described.

How many are suffering from obstructions or irregularities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice? Many suffer from *prolapsus uteri* (falling of the womb,) or from *fluor albus* (weakness, debility, &c.) Many are in constant agony for many months preceding confinement. Many have difficult if not dangerous deliveries, and slow and uncertain recoveries. Some whose lives are hazarded during such time, will each find in its pages the means of prevention, amelioration and relief.

It is of course impracticable to convey fully the various subjects treated of, as they are of a nature strictly intended for the married or those contemplating marriage.

In consequence of the universal popularity of the work, as evidenced by its extraordinary sale, various impositions have been attempted, as well on booksellers as on the public, by imitations of title page, spurious editions, and surreptitious infringements of copyright, and other devices and deceptions; it has been found necessary, therefore, to

CAUTION THE PUBLIC

to buy no book unless the words "Dr. A. M. MAURICEAU, 129 Liberty Street, N. Y." is on (and the entry in the Clerk's Office on the back of) the title page; and buy only of respectable and honorable dealers, or send by mail, and address to Dr. A. M. Mauriceau.

☞ Upon receipt of One Dollar, "THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION" is sent (*mailed free*) to any part of the United States, the Canadas and British Provinces. All letters must be post-paid, and addressed to Dr. A. M. MAURICEAU, box 1294, New-York City. Publishing Office, No. 129 Liberty Street, New York.

## Holloway's Pills.

SURPRISING CURE OF A CONFIRMED ASTHMA, AFTER FIVE YEARS' SUFFERING.

*The following Testimonial has been sent to Professor Holloway, by a Gentleman named Middleton, of Scotland Road, Liverpool.*

SIR,—Your Pills have been the means, under Providence of restoring me to sound health after five years of severe affliction. During the whole of that period, I suffered the most dreadful attacks of Asthma, frequently of several weeks' duration, attended with a violent cough, and continual spitting of phlegm intermixed with blood. This so shook my constitution that I was unfitted for any of the active duties of life. I was attended by some of the most eminent medical men of this town, but they failed to give me the slightest relief. As a last remedy I tried your Pills, and in about three months they effected a perfect cure of the disease, totally eradicated the cough, and restored tone and vigor to the chest and digestive organs.

I am, Sir, your obedient Servant,
(Signed) H. MIDDLETON.

Dated Jan. 1st, 1853.

A PERMANENT CURE OF A DISEASED LIVER OF MANY YEARS' DURATION.

*Copy of a Letter from Mr. Gamis, Chemist, Yeovil, to Professor Holloway.*

Dear Sir,—In this district your Pills command a more extensive sale than any other proprietary medicine before the public. As a proof of their efficacy in Liver and Billious Complaints I may mention the following case. A lady of this town with whom I am personally acquainted for years was a severe sufferer from disease of the Liver and digestive organs; her medical attendant assured her that he could do nothing to relieve her sufferings, and it was not likely she could survive many months. This announcement naturally caused great alarm among her friends and relations, and they induced her to make a trial of your Pills, which so improved her general health that she was induced to continue them until she received a perfect cure. This is twelve months ago, and she has not experienced any symptoms of relapse, and often declares that your Pills have been the means of saving her life.

I remain, Dear Sir, yours truly,
Nov. 23rd, 1853. (Signed) J. GAMIS.

*An Astonishing Cure of Chronic Rheumatism, after being discharged from the Hospital Incurable.*

Copy of a Letter from Mr. W. Moon of the Square, Winchester.

To PROFESSOR HOLLOWAY,

Sir,—I beg to inform you that for years I was a sufferer from Chronic Rheumatism, and I was often laid up for weeks together by its severe and painful attacks. I tried every thing that was recommended, and was attended by one of the most eminent Surgeons in this town; but obtained no relief whatever, and fearing that my health would be entirely broken up, I was induced to go to the County Hospital, where I had the best medical treatment the Institution afforded, all of which proved of no avail, and I came out no better than I went in. I was then advised to try your Pills, and by persevering with them was perfectly cured, and enabled to resume my occupation, and although a considerable period has elapsed I have felt no return whatever of the complaint.

I am, Sir, your obliged Servant,
(Signed) W. MOON.

Oct. 8th, 1852.

*An Extraordinary Cure of Dropsy, after Suffering for Eighteen Months.*

Copy of a Letter from Mr. G. Briggs, Chemist, Goole, dated February 15th, 1853.

To PROFESSOR HOLLOWAY,

SIR,—I have much pleasure of informing you of a most surprising cure of Dropsy, recently effected by your valuable medicines. Captain Jackson of this place, was afflicted with Dropsy for upwards of eighteen months, to such an extent that it caused his body and limbs to be much swollen, and water oozed as it were from his skin so that a daily change of apparel became necessary, notwithstanding the various remedies tried and the different medical men consulted, all was of no avail, until he commenced using your Pills, by which, and a strict attention to the printed directions, he was effectually cured, and his health perfectly re-established. If you deem this worthy of publicity, you are at liberty to use it.

I am, Sir, yours respectfully,
(Signed) G. BRIGGS.

*These celebrated Pills are wonderfully efficacious in the following complaints:—*

## CHERRY PECTORAL

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

We invite the attention of the Public to the Certificates appended below, and bespeak for them that candid consideration which their honest frankness deserves.

Men in such stations as many who voluntarily bear witness to the efficacy and value of CHERRY PECTORAL, do not wantonly trifle with, or distort facts, nor overstate their convictions. Judge then, whether this is not the medicine to trust when you must have relief for the throat or lungs; judge too, whether every family ought not to have it by them as a safeguard against the everywhere prevailing enemy, which steals with fatal frequency upon almost every flock and carries off the lamb from many a home?

Jackson, C. H., Jackson City, O., 20th Nov., 1852.

DR. J. C. AYER,

Sir—The CHERRY PECTORAL is much inquired after. Several of our best Physicians have used it, three of them in their own cases, and always with the happiest effects. The numerous patent medicines always before them, lead to incredulity in regard to every new remedy; and it is only after undoubted evidence of value in any article, that anything like a general confidence can be excited.

The unrivalled excellence of this combination of agents, (in the CHERRY PECTORAL,) proved beyond all cavil by repeated trial under their own observation, has compelled medical men to proclaim abroad its usefulness. It is beyond all doubt the best general remedy we have for the Pulmonary Affections of this climate, at the same time sedative and expectorant—a rare combination of properties.

In the hope that it will prove its own reward, I subscribe myself.

Respectfully your obt. servant,
JAS. H. C. MILLER, M. D.

Allegan, Mich., 10th Jan., 1853.

Dear Sir—No one, *no not one*—man, woman or child—can be found to deny that the CHERRY PECTORAL is all that it claims to be. There is much used in this vicinity although not known until recently. The community should know its virtues.

Yours truly,
JOHN R. KELLOGG, M. D.

*Let gentlemen of the Legal Profession mark this case.*

Williamsburg, L. I. Sept. 3, 1854.

DR. J. C. AYER,

Dear Sir—Over application for the past three years to my duties as an advocate brought on some eight months ago a severe irritation of the bronchial tubes, which was a constant annoyance to me, and fast becoming a source of great apprehension. Every remedy tried failed to even relieve me, till I used your CHERRY PECTORAL. This has not only relieved me, but as I trust, wholly cured me. I care nothing for the reputation of advocating Patent Medicines, and this is at your service. I shall recommend it to members of the bar and others whom I may meet, labouring under similar indispositions.

Yours truly,
R. F. JONES.

South Paris, Me, Aug. 18, 1850.

I have no hesitation in saying, that I regard AYER'S CHERRY PECTORAL as decidedly the best remedy within my knowledge for the cure of chronic bronchitis, coughs, and all diseases of the lungs.

M. A. RUST, M. D.

Montgomery, Ala., October 4, 1749.

DR. J. C. AYER,—Sir: I have used your admirable compound extensively in my practice, and find it to surpass, by far, any other remedy we have for curing diseases upon the lungs.

Your obedient servant,
R. B. JONES, M. D.

What yet remains to convince the most incredulous that the Cherry Pectoral is all that it purports to be, viz: an unequalled remedial agent for all diseases of the Throat and Lungs. The experience of years, has proven it to be such, and we submit it to the people, believing that its virtues will fully maintain its reputation.

Sold by E. W. Palmer; E. H. Parker, and all Druggists in Kingston and Vicinity. 285

CONSIDERING the quantity of all powerful patent medicines that glut our country from the other side, it is wonderful that we should find an invalided person in the Province; but a little time will tell on them as it did on the powerful Sarsaparilla, which is now out of date, as are many other nostrums of the kind. As if our own worthy medical men here were not able to prescribe for our natives. Prevention is better than cure.

*A few important directions on the Philosophy of Health.*

Use coarse food; as few assortments as possible; prefer Salt meat to fresh in this wild country so far off from the influence of the Ocean. Don't crowd the stomach too much; nor eat late at night. Keep the bowels regular, and you will not want the Doctor so often. Also the vast revenue for patent drugs will be saved. There is not an evil that we are subject to but God has provided a remedy for in our own soil. You will find this fountain of health at the subscriber's medical store in this city, with many certificates of cures performed on your own neighbors; and believe no more of those fictitious certificates from other countries.—The Botanic Medicines are going their way. A few more years will revolutionise the world, and save thousands from the deadly effects of poisonous drugs.

REVIEWS.

"Decidedly the best and most useful book the kind."—[Pioneer.

"The information conveyed therein is really essential to those who contemplate marriage."—[Record.

"It contains precisely the information too often studiously kept from the young and thoughtless. However, the knowledge *must* come *some* time, and happy is the person who does not become its possessor too late.—[Politician.

Dr. De Ross is one of the very few legally qualified physicians who through the medium of the public press have ventured to introduce appropriate remedies for the diseases treated upon in the above work, the peculiarities of which from long practical experience in the most celebrated institutions of this country and the continent, he has had perhaps unusual opportunities of observing. The necessity for sound practical judgment in such serious cases must be obvious, hence the inference that the greatest amount of benefit may be most reasonably expected at the hands of those members of the medical profession who have made these complaints their particular study, and to those only who possess the requisite qualifications can confidence be safely extended.

Persons at a distance may be successfully treated by forwarding a correct detail of their case, with a remittance of £1 per Post Office Order payable at the Holborn office or otherwise, when Medicines and advice will be forwarded to any address securely packed from observation.

*THE GREAT EUROPEAN REMEDY*

For Exhaustation, Nervousness, Debility and all those Diseases for which Mercury, Copaiba, Sarsaparilla &c. are not only employed in vain, but too often to the utter destruction of the sufferer's health.

DR. DE ROOS' CONCENTRATED GUTTÆ VITÆ, OR VEGETABLE LIFE DROPS,

are recommended to all those who have injured themselves by early excesses, and brought on Spermatorrhœa or Nocturnal Emissions, Nervousness, Weakness, Languor, Low Spirits, Aversion to Society, Study or Business, Timidity, Trembling and Shaking of the Hands and Limbs, Indigestion, Flatulency, Shortness of Breath, Cough, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, &c.

Price 4s. 6d., 11s., and 33s. per bottle. The £5 packages, by which £1 12s. are saved, can be had from the Establishment only, on receipt of the amount per Post Office order, or otherwise.

DR. DE ROOS' COMPOUND RENAL PILLS, as their name Renal (or the Kidneys) indicates, are a most safe and efficacious remedy for the above dangerous complaints; Discharges of any kind, and Diseases of the Urinary Organs generally, which if neglected, frequently result in stone in the bladder, and a lingering painful death.—They agree with the most delicate stomach, strengthen the digestive organs, increase the appetite, improve the general health, and will effect a cure when other medicines have utterly failed. 1s. 4½d., 2s. 9d., 4s. 6d., 11s., and 33s. per box, through all Medicine vendors.

☞ Beware of the recommendation of spurious or other articles by unprincipled vendors, who thereby obtain a larger profit. To protect the Public against FRAUD, Her Majesty's Hon. TO THE CITIZENS OF KINGSTON

IMPORTANT NOTICE.

E. W. PALMER would respectfully inform the Public that he has secured the agency of Professor James McClintock's family Medicines, of which he has just received a full supply and which he is prepared to furnish wholesale and retail at the Proprietor's prices. Professor McClintock's fame as an eminent Physician needs no comment here. His medicines are the prescriptions adopted in his private practice and as such are invaluable in all cases where it is inconvenient to call in a physician.

Their sale has been unprecedented in the United States, where they have effected thousands of cures and no case of failure is yet recorded. At this season we would call especial attention to one of the most remarkable of the remedies, namely:—

*Dr. McClintock's Pectoral Syrup*

the best and safest Medicine ever used for

BRONCHITIS, CONSUMPTION,

And all Diseases of the Lungs and Air Passages. For any of these forms of disease, showing themselves in

COUGH, TICKLING OF THE THROAT, SENSE OF TIGHTNESS

in the Throat or Chest, spitting of Blood difficulty of Breathing, Hoarsness or loss of Voice, Hectic Fever, Night Sweats, &c. This great remedy is unparalleled for success in the above complaints. It purifies the blood of all scrofulous taint; it heals ulceration; it destroys tubercles in the lungs: it regulates the bowels, checks night sweats and strengthens the stomach; it stimulates the vital powers, and gives vigor to the whole system; it quiets nervous excitement, relieves pain in the chest, soothes the cough, promotes expectoration, and at the same time affords a delicate nourishment. It contains no opium in any form, and agrees perfectly with the most delicate patient.

Dr. McClintock's Pectoral Syrup is put up in elegant Flint Glass Bottles, containing one pint each, and is sold at only 5 shillings per bottle, or six bottle for £1 5s.

A most important article at this changeable season is also

*Dr. McClintock's Cold and Cough Mixture.*

Colds and recent Coughs, especially if accompanied by fever or inflammatory excitement require a remedy different in character from the Pectoral Syrup, which is so valuable in chronic complaints. The

*Cold and Cough Mixture.*

Is precisely the cure for recent Coughs and irritation of the Throat and Lungs. It is

ESPECIALLY VALUABLE FOR CHILDREN

As a preventive of Croup. No family in our climate should be without this efficient remedy, which, if taken on the first symptoms of cold, would prevent many an attack of Bronchitis, and a

FATAL ISSUE IN CONSUMPTION.

It is put up in neat flint glass bottles, and is sold for fifteen-pence a bottle.

☞ No Opium in any form contained in this Mixture.

Dr. McClintoch's Remedies for Rheumatism, Neuralgia, &.

These excruciating diseases are radically cured by taking Dr. McClintock's Rheumatism Mixture in doses of a teaspoonful three times a day. We have seen the worst cases relieved by it in 24 hours. For external use we have never known so powerful and penetrating an application as Dr. McClintock's Rheumatic Liniment. For swelled limbs, bruises, internal pains, cramps, chilblains, sore joints, toothache, and other painful complaints, where we have seen it tried, it acts with magical effect. These remedies are sold at two shillings and sixpence per bottle.

*Mr. McClintock's Dyspeptic Elixir.*

HOLLOWAY'S OINTMENT

*A most Astonishing Cure of Scrofulous Ulcers,—A case certified by the Mayor of Boston.*

Copy of a Letter from J. Noble, Esq., Mayor of Boston, Lincolnshire.

To PROFESSOR HOLLOWAY,

Dear Sir,—Mrs. SARAH DIXON of Liquorpond Street, Boston, has this day deposed before me that for a considerable period she was severely afflicted with Scrofulous Sores and Ulcers in her arms, feet, legs, and other parts of her body: and although the first of medical advice was obtained, at the cost of a large sum of money, she obtained no abatement of suffering, but gradually grew worse.

Being recommended by a friend to try your Ointment, she procured a small pot, and a box of the Pills, and before that was all used, symptoms of amendment appeared. By persevering with the medicines for a short time longer, according to the directions, and strictly adhering to your rules as to diet, &c., she was perfectly cured, and now enjoys the best of health. I remain, Dear Sir, yours truly,

(Signed) J. NOBLE.

*An Extraordinary and Rapid Cure of Erysipelas in the Leg, after Medical Aid had Failed.*

Copy of a Letter from Mrs. Elizabeth Yeates, of the Post Office, Aldwick Road, near Bognor, Sussex, dated Jan. 12th, 1853.

To PROFESSOR HOLLOWAY,

Sir,—I suffered for a considerable period from a severe attack of Erysipelas, which at length settled in my leg, and resisted all medical treatment. My sufferings were very great and I quite despaired of any permanent amendment, when I was advised to have recourse to your Ointment and Pills. I did so without delay, and am happy to say the result was eminently successful, for they effected a radical cure of my leg, and restored me to the enjoyment of health. I shall ever speak with the utmost confidence of your medicines, and have recommended them to others in this neighbourhood similarly afflicted, who derived equal benefit.

I am Sir, your obliged and faithful Serv't,
(Signed) ELIZABETH YEATES.

*A Dreadful Diseased Ancle Cured after being given up by the Faculty, at Malta, and Portsmouth Hospitals.*

The following important communication has been forwarded to Professor Holloway for publication, by Mr. B. Dixon, Chemist, King-st., Norwich.

Copy of a Letter from Captain Smith, of Great Yarmouth, dated January 19th, 1853.

To Mr. DIXON,

Dear Sir,—I send you the particulars of a cure effected by Professor Holloway's invaluable medicines:—Mr. John Walton, late in Her Majesty's Service, in the British Fleet at Malta, had a very bad ulcerated ancle, and after having been in the Malta Hospital for six months, was sent to England as an invalid to Portsmouth Hospital, where he remained an inmate for four months, there, as at Malta, refusing to have the limb amputated, he was turned out incurable. He then came to Yarmouth and was under a medical gentleman for about three months, but his ancle became so much worse that all hope was lost. At this period, by my advice, he tried Holloway's Ointment and Pills, which by unremitted application, healed all the ulcers, and restored him to perfect health and strength.

I remain, Dear Sir, yours very truly,
(Signed) JOHN SMITH.

*Surprising Cure of a Bad Breast, Nervous Debility, and general Ill Health.*

Copy of a Letter from Mr. T. F. Ker, Chemist, &c., Lower Moss-lane, Manchester, dated Feb. 12th 1853.

To PROFESSOR HOLLOWAY,

Dear Sir,—I have great pleasure in forwarding to you the particulars of a very extraordinary cure of a bad breast, effected solely by the use of your celebrated Ointment and Pills. Mrs. Martha Bell, of Pitt-street, in this Town, had been for a considerable time labouring under nervous debility, loss of appetite, and general ill health, occasioned by ulcerated wounds in the breast. She had had much experience in the use of all the known remedies for the cure of ulcers, but without any beneficial result, in fact she had nearly lost all faith and hope of a cure being effected. In this distressing and painful condition of body and mind, she was pursuaded to have recourse to your invaluable Ointment and Pills, which she immediately did, and in the course of a very short time the effect produced was most astonishing; her appetite was speedily improved the sores and ulcers in the breast gradually healed, and the nervous excitement of her system was wholly removed.

I remain, Dear Sir, yours faithfully,
(Signed) T. FORSTER KER.
