Oh yes! The Proton Bears are again on the war path. We were afraid they were going to hibernate, this winter, but it took the Semi-Pro. Hockey League to bring them into action. They played their first game against Dundalk last Friday night. While they were defeated 8-3, it was actually the first hockey game for some of them and for many of them the first hockey game played on a rink.

Proton Station hockey team has almost a new line-up this year. One or two of the old team remain to give the others inspiration and encouragement, so when the boys get experience and practice they will likely hold their own with the other teams in the League. The morning after the game we asked one of the boys how he got along at the game, and he said "Just fine as long as our wind lasted, which was just until the end of the first period. They know their limitations and will likely improve. Success, boys.

COUGHS, DISTEMPER, BROKEN WIND

have met their master in ZEV—made by the makers of Buckley's Mixture. Stockmen, poultry breeders, etc., who have used ZEV say it is positively "sure fire" relief for all respiratory diseases in horses, cattle, sheep, pigs, poultry and dogs. It is amazing how quickly it gets results in the most stubborn cases. In fact, we guarantee ZEV to do in a day or two what it took old-fashioned remedies a month to do.
