Live Stock Report

(By Dunn & Levack, Toronto)

On Monday about 4,000 cattle were offered for sale, including about 1,000 head left over from last week. The market opened very slow and the buyers were bidding from a quarter to a half lower.

Export buyers took care of a few loads of heavy steers at from 5.50 to 5.75, with a few extra choice up to 6.00. Best butcher cattle brought from 5.00 to 5.25; fair to good from 4.50 to 5.00; common to medium 3.75 to 4.25. Good to choice baby beeves brought from 6.50 to 7.00, with those of medium to good quality from 5.00 to 6.25. Stockers and feeders were very slow of sale. Choice butcher cows sold at from 3.50 to 4.00; fair to good from 3.00 to 3.50; common to medium 2.50 to 2.75; canners and cutters 2.00 to 2.50. Choice bulls 3.75 to 4.25; good weighty bolognas from 3.50 to 3.75.

In the small meats, the lamb market held active and steady, choice ewes selling from 8.00 to 8.25. Heavy lambs discounted $1.00 per cwt. Choice butcher sheep brought from 4.50 to 5.00. The calf market was slow at from 50 to 1.00 lower, choice calves sold at from 9.50 to 10.00, with a few very fancy calves up to 10.50; fair to good calves from 8.00 to 9.00; common to medium 6.00 to 7.50.

Following last week's sharp advance in hog prices, the market was inclined to be slow, but salesmen were successful in selling Monday's hogs on the basis of 8.75 for truck deliveries. The market closed weak and the prospects look lower for the balance of the week.

Semi-Pro. Team Lost Game To Proton 4-2

Flesherton's Semi-Pro entry went down to defeat for the second time this season when the Proton Redwings turned them back by a 4-2 score on Monday night. Flesherton started out in glorious style and while the ice remained firm held the Proton team in their own end of the rink. The first line of Piper-Leavell-Banks made it hot for goalie Blackburn but great goal tending mixed with some luck kept them off the score sheet until midway through the first period when Piper banged one home. In short order Leavell put Flesherton two up when he raced in to shove the puck into the net as Blackburn tried to clear. In the second period Proton took the lead by scoring three fast goals but by this time the soft ice was telling on the light Flesherton forwards and slackened their pace. Again in the third period Flesherton carried the play but couldn't score and finally McCannel coasted down to score and the game ended in Proton's favour 4-2.

Proton: Goal, Eldon Blackburn; defence, Hodgins and White; centre, P. Sims; wings, H. Sims and McCannel; alternates, Earl Blackburn, Badgerow, Bannon, Halliday, Wauchope, and Stainsby.

Flesherton: Goal, A. Hopkins; defence, D. Hopkins, B. Carrothers; centre, B. Leavell; wings, M. Piper and J. Banks; alternates, D. Morgan, L. Henderson, J. Hopkins and F. Graham.

A COMPETENT SALESMAN

Anyone who undertakes to sell anything to the public must be prepared to answer questions and answer them well and intelligently. The salesman who can't tell the people the things they want to know about the articles he is selling is not likely to get any large trade. He may be very smiling and cordial, but if he has to keep answering "I don't know," he is not helping much to sell the goods.

People have to do something more in stores than hand over goods and tell the prices and take the money. Very frequently there will be no money to take, if the salesman can't give the information he is expected to know, he would better begin studying the goods he is handling.

Flesherton 5, Dundalk 5

Flesherton and Dundalk played a 5-5 tie game here Tuesday evening which was full of excitement. All the play was wide open from start to finish, both teams travelling at a furious pace, which thrilled the large crowd to the tips of their toes. Acheson led off with Dundalk's first goal after a pile up in front of the net and before many minutes had elapsed Copeland put Dundalk two up. Flesherton came back strong and evened the count with goals by Gorrel on a nice pass from Smith and one by McCutcheon after Boyd had pulled Sims out. Two penalties were handed out to Dundalk.

In the second period each team again scored twice, the first goal by Ross, followed by one from Smith, who played his best game of the season as he patrolled his old familiar centre ice lane. Baechler put Dundalk in the lead again, but this was soon chopped down when the Patton-Boyd-McCutcheon combination drew goalie Sims out of the net and Patton eased the puck in. Phillips drew a penalty.

The third period went scoreless and in the overtime Dundalk again went in the lead when Ferris, after making a catch, dropped the puck right on Acheson's stick, as if inviting him to score if he wished. Boyd came back fast and after stickhandling his way through the entire team drove a hard shot past Sims that was impossible to stop, which ended the scoring after ten minutes of overtime had been played.

Flesherton boys played excellent hockey all the way, with Boyd, Smith, Ferris and Johnson showing up exceptionally well. Both forward lines clicked well, with the result that the scoring points were fairly evenly divided. Flesherton's last game in the schedule is in Chatsworth on Friday night and if they can win will be almost sure of a play-off berth.

Flesherton Won 7-3

Flesherton's senior hockey team took the fast Shelburne team to the tune of 7-3 on Friday night in a Centre Grey League schedule game, and thus drew closer to a play-off berth . Only six penalties were handed out by Referee Singleton of Markdale, three to each team. Immediately after the face-off Boyd stick handled his way in on goalie Rayburn and Gorrell netted the rebound on a fine play. Shelburne came back fast and Banks evened the count after a hectic scramble in the Flesherton defence area. Boyd engineered a play and scored on a solo effort after he had pulled the goaler to the side and shot into the empty net. Patton got credit for the next on a pass from Boyd. Play was lightning fast and the Flesherton forwards breaking up many Shelburne rushes. Paget finally beat Ferris cleanly on a pass from Saunders, and near the end of the period Smith put Flesherton out ahead by two goals when he scored from a face-off near the Shelburne net . Score 4-2 end of first round.

In the second period Shelburne forced the play most of the time and were finally rewarded when McCauley counted with an assist to Saunders. Ferris played a great game in the Flesherton net as he did everything but the "Big Apple" to stave off the Shelburne rushes.

Midway through the third period McCutcheon scored when the Flesherton first line worked its way in on Rayburn, Boyd and Patton receiving well-earned assists. Dargavel scored on a long shot from centre ice that fooled Rayburn, and while Shelburne tore in to cut down the Flesherton lead, McCutcheon got his second in the period when he took a neat pass from Boyd. End of inning and game, Flesherton 7, Sherburne 3.

For this game Smith was moved from the Boyd-Patton line to team with Dargavel and Gorrel and was placed at centre ice, his old position last year when he lead the league in scoring honors. It worked well as he scored one goal and worked hard all night. McCutcheon teamed up well with Patton and Boyd, and although he has seen many winters in hockey here, he was travelling just about as fast as of old.

Flesherton's last scheduled game of the season will be played in Chatsworth this Friday night. They are a tough team to take on their own ice.

Shelburne — Goal, Rayburne; defence, Woods, Firth; centre, Saunders, wings, Irwin, Paget; alternates, G. Banks, Rolston, Rutledge, Fisher, K. Banks.

Flesherton— Goal, Ferris; defence, Phillips, Johnson; centre, Boyd; wings, F. Patton, McCutcheon; alternates, Smith Gorrell, Dargavel, Akitt.

Referee—Singleton, Markdale.

A WEE VISITOR

A little boy called on his aunt who lived next door. "Hello Aunt Sue," he greeted her, "nice day." Then after a minute's embarrassed pause, he came to the point, "Aunt Sue, I smell something that seems like pie with raisins in it."

"Yes, Billy, I have some mince pies, but they're for company."

He pondered this and then suggested hopefully, "I came to make a little bit of a visit myself."

High School Notes

We are shortly to have an intermural hockey league in the school and the staff and executive of the Boys' Athletic Society have drawn a group of four teams. Games are to be played Friday afternoons from 4 to 5 p.m. The main benefit of this league is that every boy, regardless of his ability to play hockey, is given a chance to play anyway. We are looking forward to some interesting games being played. The staff and executive are to be commended for their keen interest in the forming of this schedule.

And now an item of outstanding interest! On Thursday, Feb. 3, the High School Athletic Society is having a skating carnival in the Flesherton rink. A hockey game will beplayed between the Dundalk and Flesherton school hockey teams and our boys are anxious to redeem that defeat they suffered recently. The game alone should prove exceptionally interesting and then there will be a broomball game between the high school team and the town's boys' team. A skating party will be held afterward and a refreshment booth will be opened. This promises to be an evening of outstanding interest, so please keep the date open.

On Friday afternoon of this week Middle School will take the spotlight when they present the first Literary Society meeting of 1938. Miss McClean and her students are preparing an excellent program which, no doubt, will prove very interesting. There will be selections by the Middle School, and "Rythm Rascals," a very amusing skit will be presented. These numbers, with others of equal interest, promise an excellent program, which will commence at 3 p.m. sharp. All parents and friends are cordially invited to attend.

On Thursday evening of this week our two hockey teams will be the guests of our Thornbury rivals in two friendly games. Thornbury was defeated by both our teams last year and are anxious to turn the tables, but our teams are confident of winning and repeat the feat performed last year. We wish both teams the best of luck.

Until next week, cheerio!
