KIMBERLEY

Sympathy of the community is extended to the family and relatives of Mr. Archie McLean, who passed away in Warren, Ohio, on Jan. 31st. Mr. McLean resided in this community for many years and was held in very igh esteem by all. Mr. and Mrs. D. L. Weber and Wayne, also Mr. and Mrs. Art Wardman of Toronto attended the funeral. For many years Mr. and Mrs. McLean have visited regularly with their family and other relatives here. These happy visits will be greatly missed by their hosts of friends.

P. S. Rangers played a snappy game of hockey with the married men on Saturday afternoon—score 6-3 in favor of the Rangers. It afforded the spectators plenty of thrills and amusement, as the less practised married men tried to cope with the active and speedy swarms of youngsters, who literally "ganged up" on the puck carrier.

Mrs. John Haynes, who has recently purchased the Wodehouse store from Mr. Clive Dolan, expects to take possession about the 15th of this month.

The Board of Management of the Kimberley skating rink held a successful drive for funds and labor, and now have electric lights installed, which will be a decided improvement. We are hoping the weather man gives us a few more weeks of wintry weather, as the recent thaws and rains are hard on open air rinks. A good thick bed of ice has made future skating possible if frosty weather continues. Anticipating a carnival soon.

The Women's Institute met recently at the home of Mrs. R. Chard and the ladies donated $15 toward electric lights for the skating rink, also $3 to Rangers hockey team to assist them in buying goalie pads. Very interesting papers on home decorating and reading were given, after which a dainty lunch was served.

The Ladies Aid of the United Church was held at the home of Mrs. Chas. Graham on Feb. 1st. After plans had been laid for a supper and concert to be held early in March, a 10 cent tea was served by Miss Elsie Graham, assisted by Mrs. Carl Carruthers and Miss Mary Proctor.

Since the thaw last week end the first cars since Christmas have been over the county road from Kimberley to Flesherton via Eugenia. Trucks hauling logs to Durham still go the valley road, following the route proposed for the new road, for which a deputation waited upon the County Council recently.

CENTRE LINE

We are having plenty of changes in the weather now, and during the past week there were four days of rain. A thunder storm blew over on Sunday and it is freezing now. At present the roads are almosts impassable with ice and soft snow banks.

Church service was not held at Mt. Zion on the last Sunday in January. While the pastor arrived there were only two of the church members and adherents who attended. Yesterday was Mt. Zion's turn to miss a service. We expect to have church next Sunday at 3 p.m.

In spite of the wet day on Thursday last a sleigh load of Wareham young people drove to Dundalk in the evening to skate at the arena, and after a couple of hours skating Miss Ila Fell entertained the young folk at her studio. All returned home in the early hours of the morning well pleased with their evening of pleasure. Victor Osborne was the winner of the lucky ticket at the rink, receiving a box of chocolates.

Mrs. Florence Lyons has returned home after visiting her sister, Mrs. Emerson Simmons, of Drayton.

Mr. Ernie Little gave a party to a number of friends on Friday night last. Miss Mabel Fawcett and girl friend of Duncan attended the dance.

We extend our sympathy to Mrs. Jas. Hopps and other friends of Mrs. Beatty, who passed away recently at her home near Hatherton.

ROCK MILLS

The thaw has left the roads very icy and difficult for travelling.

Mrs. Chas. Sensabaugh of Owen Sound is visiting with her parents, Mr. and Mrs. Harry Paton.

Mr. and Mrs. Harold Best of Toronto spent the week end with relatives here.

Mr. Laurie Betts had a radio installed last week.

Miss Sadie Foster has returned home from Toronto.

Mrs. Harold Osborne and daughter of Feversham spent the week end with her sister, Mrs. Ned Croft.

Miss Bessie Russell is still confined to her bed. We trust she will soon be able to be up and around again.

Trucks from Durham are again hauling lumber from the mill here to the furniture factory in Durham.

The Ladies' Aid will hold their monthly meeting at the home of Mrs. Dick Clark on Wednesday, Feb. 16th. Lunch committee — cake, Mrs. Art Porteous; sandwich, Mrs. E. Russell.

Mr. Wes Littlejohns of Orange Valley spent the week end at the home of Jas. Russell.

Mrs. Art Porteous is on the sick list.

BUCKINGHAM

The big thaw the first of the week has greatly diminshed the depth of snow and, we believe, out-did the proverbial January thaw. Several rolls of thunder were heard, which, if occurring in winter was supposed to presage "summer hunger," but which has come to be regarded merely as "an old saying.'

Miss Irene Hudson leaves Monday to spend a month in Toronto.

We wish to offer congratulations to the recent groom and bride, Mr. and Mrs. Ross Robinson (nee Evelyn Hawton) who were married Jan. 29th.

The Ladies' Community Club held its February meeting at the home of Mrs. J. T. Davidson on Wednesday of last week, with an attendance of 24 including visitors. After the usual opening exercises the buying committee brought for the approval of the members an order of warm clothing for a needy family in an adjoining community, also some clothing donated by a member. A letter was read expressing appreciation for a box of groceries which had been sent to the same home some time ago. One quilt top was sold and the blocks for another completed. At the close of the meeting both the secretary and the treasurer tendered their resignations, the former permanently and the latter only temporarily. Mrs. W. J. Conn was appointed secretary and Mrs. J. Brown will take over the duties of the treasurer for a few months. All then enjoyed a dainty lunch served by the hostess. Mrs. Jas. Fawcett invited the members to her home for the next meeting on March 2nd. Cake com., Mrs. Jas. Hudson, Mrs. Herb Hawton and Mrs. A. Mullin.

Miss Merle Davidson left recently to spend several months in Toronto.

On Friday evening a large crowd gathered at the home of Mr. and Mrs. Alfred Hawton and presented the recent groom and bride, Mr. and Mrs. Ross Robinson, with a miscellaneous shower. Dancing and cards were enjoyed until lunch, after which a table laden with gifts was placed in the centre of the dinnig room and Mr. and Mrs. Robinson invited to chairs and an address was read by Mr. Jas.Fawcett, which was signed on behalf of the friends and neighbors by Stewart McMullen and Bruce Mullin. Mr. Robinson expressed thanks for his wife and himself in a few well chosen words, and extended an invitation to visit them in their new home. Dancing was resumed for an hour, everybody apparently having spent a very pleasant evening.

Fifteen thousand young people have left Manitoba in the last five years and it would be interesting to know where they have managed to find employment.
