- 8.11 Letter. June 24, 1921. From M.E. Currie to The Board of Education, S.S. No. 11 Esq.
Dear Sirs, With the end of June the time for re-engagement comes again and I respectfully invite your consideration of an increase in salary of \$100, making my salary for the ensuing year \$1200. I am not forgetful of the fact that there is a drop in wages in other lines of work but the fact remains that Teachers' salaries were not what they ought to be when wages in other lines were soaring almost daily. Besides there is a great deal of responsibility as well as work in the management of a school of such size. Hoping you may see fit to view my request favourably, I am, yours sincerely, M.E. Currie.
- 8.12 Statement. *Prospective Enrolment for School Year beginning September 01, 1921*.
Sr. Room - Present enrolment- 43.
There are 2 in Entrance Class and there are only 2 more who say they are not coming back. I receive 9 from Miss Wright and 1 newcomer. - 49. There are 3 of whom I am doubtful, though they say they are coming back - 46 at least.
Jr. Room - Present enrolment - 49 or 50.

Miss Wright - promotes 9 and expects to get a young class of 7 - 47 or 48.

Total - 96 or 97.

- 8.13 *List of needed Repairs, 1921. Notes. The top panes of one back window in each room were frosted once but some of the panes have been replaced by new ones and they are not frosted. The morning sun streaming in through the clear pane is often troublesome. The bottom panes of each front window require frosting too.*
The windows have not been washed for a long time. I think they were not done last summer.
There are 3 broken panes, two broken by the caretaker in closing. The other by Thomas Haines and he paid 50 c. as is the rule.
The smoke pipe is badly streaked with chimney wash.
We have had one broken seat for a long time and if my class runs to 48 or 49 I shall need it badly.
The stones in the wall behind the steps into the basement are falling out.
We ought to have fastenings of some kind on the windows.
- 8.14 *Letter. July 07, 1921. Board of Trustees, S.S. No. 11, Esquesing to Miss M.E. Currie, Georgetown.*
Dear Madam:- At a meeting of the Board of Trustees of S.S. No. 11 held at the School House on the evening of July 5th, 1921, your letter of June 24th regarding increase of \$100.00 in salary for the coming year was read.
After due discussion it was decided unanimously that, on account of the tendency toward lower prices on all commodities and consequently the tendency towards a drop in wages and salaries in all lines, and also considering the fact that we are obliged to spend upwards of \$600.00 in painting and repairs, we cannot grant the increase asked for and the undersigned was instructed to write you to this effect.
We note what you say in reference to prospective enrollment for year beginning 1st September and we thank you for the same. We quite agree that there is considerable responsibility with the

management of a school the size of ours and may say that we appreciate your services.

We have also gone over the note which you sent us and action is being taken to have the necessary repairs made. We respectfully request that you write us at an early date advising whether or not you are willing to re-engage for the coming year at a salary of \$1100.00. Yours very truly,
