Ceylon 3, Springhill 2 In Overtime Game

Last Wednesday night Ceylon and Springhill played a sudden death game to determine who was entitled to second place in Group B of the League. On Tuesday night Ceylon had lost to Springhill by a wide margin and the lads from the hill were anxious to make it two straight. The first period went scoreless as both teams checked hard and played great hockey despite the soft ice. Only one penalty was handed out and this to Garnet Teeter of Springhill for boarding.

In the second period Springhill carried the play and were rewarded with two goals by W. Best and G. Teeter, the latter a solo effort. Penalties in the second went to Muir, R. Best and Clark. Ceylon came out in the third period determined to tie it up and they held Springhill behind their own line until E. Plester scored unassisted, then Marshall took a pass from Garfield Teeter to whip a hot one past Partridge, who all evening was tossing them out in great style. Both teams tried hard for the winning goal but to no avail during schedule time. In the overtime each team was playing their cards carefully and were waiting for the breaks. After 25 minutes of play B. Plester, who was left uncovered on the left wing, picked up a loose puck at centre and worked his way past the Springhill defence to score for Ceylon and win the game. Referee George Boyd, Flesherton.

Ceylon Ties Proton

Ceylon pulled a surprise party on Monday night when they held the wild and woolly Proton Bears to a 1-1 tie on the latter's own ice. Referee Soper handled the game well and dished out only two penalties, the first to Hodgins and the second to E. Plester. In the second period Hodgin's long shot from centre ice eluded Stuart in the Ceylon net to give Proton the lead. Ceylon steadied down and checked those flashy Proton forwards right off their feet. Archibald was in several times but his speedy shot couldn't pick the net. In the third period B. Plester laid a perfect pass on to Marshall's stick and the right winger's shot didn't lose any time until it was parked behind Blackburn and this ended the scoring. Ceylon plays Proton again in Flesherton arena on Friday night, so let's all be on hand to cheer these Ceylon puck chasers on into the finals.

During the past week Flesherton has struggled with a real problem of navigation. A thaw which lasted from Saturday afternoon until Sunday night, made the highways almost impassible for travel, and the sidewalks were in a worse condition, with nobobdy attempting to use them. Everyone who was obliged to go out, ook to the streets for it. There were innumerable tumbles, but we have not heard that any bones were broken. The siege wound up with a heavy rain storm Sunday evening. On Tuesday morning the thermometer was waltzing around the zero mark.

Markdale 4 Dundalk 4

High School Hockey

Last Thursday night Flesherton high school entertained Thornbury high school to a couple friendly games of hockey. Two weeks previously the same two teams had broken even in Thornbury when the girls won 2-0 and the boys lost 8-0.

The girls' game proved to be the main drawing card as those damsels would try anything once in order to keep their rivals from scoring. In the first period both teams were having their share of the play but Flesherton was getting more shots on goal. Near the end of the period "Mike" Patton scored after stickhandling through the entire Thornbury team. Ruth Turney received the only penalty of the period when she tried to crown Helen Abbotts with her stick. Both teams were missing the passes and hitting the opposing players instead quite frequently in the second. McVicar and Abbott drew penalties for tripping but no damage was done while they were in cold storage. Thornbury opened up in the third period and drew within one goal of the locals when Marj. Gordon scored on a pass from Onalee Oldfield but they could not get the equalizer and the game ended in the locals favour 2-1.

T. H. S. Goal, Audrey Henderson; defence, Jewel Penrose, Agnes Foster; centre, Dot. Martin; wings, Helen Abbotts, Onalee Oldfield; alternates, Louise Parkinson, Marj. Gordon, Louise Harvey, Betty Running and Nora Pinch.

F. H. S. Goal, Bernice Leavell; defence, Anna McVicar, Evelyn Leavell; centre Dorothy Patton; wings, Kay Bannon, Jean Proctor; alternates, Winnifred McConkey, Dot. Welton and Ruth Turney.

Flesherton boys really turned the tables on Thornbury when they hung up a 7-1 defeat on the visitors. Before the game was many minutes old Morgan sank one into the twine and was followed shortly by one from Banks. Morgan and McTavish drew penalties. In the second period McTavish made one of his typical rushes and hugging the boards he charged through the whole team to slide a low one into the net. Smith followed shortly with a close-in shot that Taylor had no chance on. McCracken took a pass at the blue line from Henry and lifted a high one into the net. In the third period McTavish and McCracken counted again but at the same time Piper, Archibald and Neely drew penalties. It looked as if Leavell was going to get a much-deserved shut out but late in the last stanza Myles' long shot slid under his body and thus Thornbury averted a shutout.

T. H. S. Goal, Taylor; defence, Neely, Low; centre, Myles; wings, Gibson, Keast; alternates, D. Neely, A. Lougheed, B. Lougheed, H. Graham.

F. H. S. Goal, Leavell; defence, Graham, McTavish; centre, Smith; wings, Piper, Archibald; alternates, Morgan, Banks, Henry, McCracken. Referee, George Boyd.

Shelburne Takes First Game 3-1

Shelburne's speedy Centre Grey team took Flesherton for a 3-1 ride on Monday evening before the largest crowd in the arena this year. It was the first game of the semi-finals and the Shelburne team was in high form while Flesherton didn't seem able to buckle down and go to work. The ice was keen and these two teams put up a good brand of hockey although Flesherton was passing poorly and blowing their chances to score.

The locals had the first good chance to take the lead when Boyd got in the clear but his shot went through the end of the rink instead of the twine. McCauley laid a perfect pass across to Saunders and the lad from Durham came tearing in only to have Ferris block his shot neatly. Flesherton's second line of Dargavel, Smith and Gorrell made things hot for the boys down the line but could not get one past Rayburne. Boyd got in again but he shot right into Rayburne's pads. Firth drew the first penalty when he tripped Smith as he was rushing in over the blue line, but despite the one-man advantage the home team just couldn't get going. Early in the second period Woods, travelling at a rare clip, rushed the length of the rink and his shot from the right boards gave his team the lead.

Rolston got Shelburne's second penalty when he dumped Dargavel into the boards. Flesherton's second line was out when Saunders fought his way into Ferris' castle to give Shelburne a 2-0 lead. The Flesherton defence seemed to fall apart on this play and shortly after Akitt and Phillips collided when they tried to sandwich Fisher. Boyd laid a pass from the corner out to Patton and "Dutch" made sure of this one when he lifted it over Rayburne's prone form to give Flesherton new hope.

Just as the third period got under way Johnson drew Flesherton's first penalty for giving a Shelburne forward a rough ride into the boards, but Ferris saved the day many times when he was called upon to stop all kinds of shots that were well-labelled every time. Johnson came back on and Saunders got the gate for tripping. Flesherton tried a power play when they shot on five forwards but all to their own grief when Banks checked McCutcheon at the goalmouth and banged the puck in past a startled Ferris. Johnson drew another penalty and Shelburne sat back and enjoyed their two goal lead as they let the local lads do all the work. The game ended 3-1 with Flesherton hanging on to the short end of the pole.
