Trout Season Earlier

Since May 1st, the usual date for opening the speckled trout fishing season, falls on Sunday this year, D. J. Taylor, Deputy Minister of Game and Fisheries, has announced that the season will open on Saturday, April 30th.

If the department's plans are not amended later, Mr. Taylor has acceded to the request of camp owners and outfitters in Northern Ontario to add ten extra days to the maskinonge season, thereby opening the season on June 20 instead of July 1st. The department turned down the request to have the black bass season also open on June 20, as careful study has proven that bass are not through spawning in some waters until after July 1st.

ENGAGEMENT

The engagement is announced of Miss Beatrice Aileen Hopkins, only daughter of Mr. W. D. Hopkins and the late Mrs. Hopkins of Flesherton, to Mr. William Ray Richardson, son of Mr. and Mrs. Alex. Richardson of Proton. The marriage to take place the latter part of the month.

Flesherton Woollen Mill Being Rebuilt

It is with a great deal of pleasure that we announce that the Flesherton Woollen Mills will again commence operatioins within the next two months, if the plans of the owner work out as expected. Mr. John Nuhn has announced that he intends erecting a large frame building 30x90 feet on the site of the old mill destroyed by fire one year ago this past February. Mr. Nuhn has purchased the machinery from the woollen mill at Hornings Mills, which he has brought to Flesherton for use in the mill here. He will continue the use of the building he reconstructed last summer, known as the old egg "factory," as an office and warehouse for the retail trade. Nuhn's yarn and woollen goods have been in use over a wide area for many years and it is with a graet deal of pleasure that Mr. Nuhn's decision to rebuild has been received by the public in general and the citizens of Flesherton in particular.

Unveiling And Picnic On Civic Holiday

At a largely attended meeting of the business men of the village in the town hall on Tuesday night it was decided to hold the unveiling of the new war memorial in conjunction with the Flesherton Old Boys' and Girls' Association picnic in Flesherton on Civic Holiday, August 1st. An invitation will be extended to the 147th Battalon Association, Toronto branch, to join in the celebratioins here that day and assist, with other veterans, in the unveiling of the memorial that day. Plans have been drawn up for the dedication ceremony, but as these are not final we will leave it to a later date before we announce them officially. The half holiday question was discussed and it was decided to hold the half holiday each Thursday afternoon from the first Thursday in May to the last Thursday in October, the stores remaining open Wednesday nights during this period. Dr. Milne gave a talk on the pasteurization of mlik, which has been made compulsory for use in the towns and cities of Ontario, but not in the villages or rural communities.

G. A. McTavish was again elected president of the Old Boys' and Girls' Association at the election of officers. Messrs. F. H. W. Hickling and D. McTavish were elected as Honorary Presidents and J. O. Dargavel as Vice President, W. Turney, secretary and F. H. W. Hickling treasurer. An invitation is to be extended to the Toronto branch to celebrate in Flesherton Civic Holiday.

IN MEMORIAM

LITTLE — In fond and loving memory of our dear wife and mother, Eliza Ann Little, who passed away April 12th, 1935.

We often think of her, though we are left alone,
For memory is the only friend that we can call our own.
Like ivy on the withered oak, when all things decay,
Our love for her will still keep green and never fade away.

Husband, Son and Daughter.

Well Known Resident Of Vandeleur Passes

John Irving Graham of Vandeleur, a widely known and highly respected farmer, passed away on Friday afternoon, April 1, at the home of his son, W. R. Graham, on the highway south of Markdale. He was in his 85th year and had been ill and confined to his bed for less than two weeks, suffering from troubles incident to old age.

The late Mr. Graham was born in Dumfrieshire, Scotland, in 1853, and came while very young with his parents, Mr. and Mrs. Andrew Graham, and older members of the family to Canada. After a brief period with friends in Innisfil, Simcoe county, the family came on to Nottawa. Later, about 1855, they arrived in Artemesia township and settled on a bush farm, part of the present Graham farm at Vandeleur.

Of a family of six, four sons and two daughters, Mr. J. I. Graham, the second youngest, was the last to pass on. All lived to a good old age, four reaching the mid-eighties and two the late seventies.

Mr. Graham was one of the foremost farmers of his day. For over 50 years he has been a breeder of purebred Shorthorn cattle, and was also intensely interested in producing the best varieties of fruits and vegetables, especially apples. For many years he was a director of the Ontario Fruit Growers' Association and for many years judged fruit, flowers, vegetables, etc., at agricultural fairs. He was a past President and Honorary Life Director of Markdale Agricultural Society, and was for many years a director of the Flesherton and East Grey Agricultural Society. For over 40 years he was Secretary-Treasurer of the Farmers' Institute and travelled throughout the county with the speakers conducting meetings. Previous to that he was secretary of the Grange, an early organization among farmers for their mutual benefit.

For a number of years he served on the Artemesia Municipal Council. He was also county weed inspector and it was his proud boast that there wasn't a weed, apple, or flower growing in the county that he couldn't name. He was passionately fond of flowers and his garden was one of his hobbies. He loved one sport and that was baseball and he was a clever left-hand pitcher for one of Vandeleur's ball teams in his younger days. He was a member of Vandeleur Court of the Canadian Order of Foresters and acted as recording Secretary for many years.

In 1887 Mr. Graham was married to Miss Margaret Blair of this locality, who predeceased him about one year and a half ago. Surviving are four sons and two daughters, namely: Howard I. Graham of Vandeleur; Wilfred R. south of Markdale; David A. of Kimberley; Russell of the 7th line, Euphrasia; May of Vandeleur, and Mrs. R. Freeman (Annie), townline A. and E. There are also 14 grandchildren.

An upright Christian man, Mr. Graham was a life-long member of the Vandeleur Methodist Church, now United, in which for many years he was a member of the Official Board, Superintendent of the Sunday School and teacher of the Bible class. He was a life-long temperance advocate and held a 50-year honor medal from the Sons of Temperance.

The funeral took place on Monday, April 4th and was largely attended. Service was held in the Vandeleur Church and was conducted by the pastor, Rev. H. S. Warren, after which the remains were placed in the vault in Markdale cemetery. The pallbearers were six neighbors and were: Messrs. W. J. F. Hutchinson, Thos. Shannon, Elmer Warling, Fred R. Boland, Lundy Johnston and Frank Davis.

The floral tributes were a pillow from the family and sprays from the grandchildren; Markdale Agricultural Society; Vandeleur Women's Institute and Ladies' Aid; Mr. and Mrs. W. R. Burnett and Mr. and Mrs. J. Holley. These were borne by six grandsons. Friends from a distance who attended the funeral were: Mr. J. J. Thompson and Mrs. Bert Parker of Toronto; Mr. and Mrs. F. Graham of Walkerton; Mr. Samuel McDevitt, Mr. and Mrs. Wallace Webb and Mrs. Lowery of Schomberg.—Markdale Standard.

This is the pruning season so let's get started at lopping off some of the dry branches in the top-heavy governmental machinery.

Lanktree-Roberts

The marriage of George Leslie Lanktree of Collingwood to Miss Nellie Doris Roberts second youngest daughter of Mr. and Mrs. David Roberts of the 12th line, Osprey, was solemnized at the Baptist parsonage on Saturday, April 9th, at 4 p.m. Rev. Fred Ashton was the minister. The bride was becomingly attired in light navy blue sheer satin with navy accessories. Miss Vivian Roberts, sister of the bride, and Mr. Gordon Lanktree, brother of the bridegroom, attended the young couple. After the ceremony the bridal party returned to the home of the bride's parents where the wedding supper was served to the immediate relatives. Mr. and Mrs. Lanktree will reside at their home on the 8th line of Osprey.

Hobbs-McClennan

A very happy event took place on Monday, March 28, at 2 p.m. in the chapel of the Pilgrim Holiness Bible School at Proton Station in the presence of a large gathering when Christena Margaret Anna McLennan, second daughter of Mr. and Mrs. John McClennan, Elmwood, Ontario, was united in marriage to Rev. Harold Hobbs, son of Mr. and Mrs. Earnest Hobbs, Massey Station, Ontario, with Rev. H. H. Shaw, pastor of the church, officiating.

The wedding music consisted of Morrison's "Meditation" and Lohengrin's bridal chorus and was played by Miss Gertrude Irish.

The bride entering the chapel on the arm of her mother looked lovely in a white crepe gown with flowing veil and carried a bible with roses and white streamers. The bride's only attendant was her sister, Miss Clara McClennan of Elmwood, who was becomingly gowned in rose crepe with white hat and accessories. The groom's attendant was his brother, Mr. Frank Hobbs of Massey Station. During the signing of the register Mr. Irwin McIntyre sang "O Love that will not let me go."

An informal social hour in the dining room followed the ceremony when gifts were presented and an impromptu program of sacred songs and music was enjoyed, consisting of special vocal numbers by Mrs. Gordon Acheson, Proton; Miss Myrtle Watson, Durham; Mr. Paul Wilcox, Wiarton; and Mr. Allen McGuire, Toronto and instrumental numbers by Miss Ruth Sherson, Proton.

The gift from Proton and district friends was a beautiful dinner set and a substantial cash donation, a token of the high esteem in which this young couple is held. Many valuable individual gifts were also in evidence. Fitting replies were made by the happy couple after which a buffet luncheon was served.

Rev. Hobbs is district superintendent of the Ontario district of his church.

Village Purchased Fire Equipment

Flesherton village council has seriously taken into consideration the lack of fire protection and on Monday purchased a truck from Meaford on which is mounted the fire fighting equipment. This truck has been in use in the town of Meaford for the past eight years and has given entire satisfaction. The equipment consists of two 40 gallon chemical tanks, two hand chemical tanks, 200 feet of hose, a hoop ladder, and an extension ladder. There is also a search light and a siren mounted on the truck.

Messrs. G. B. Welton and Alfred Down were in Meaford on Monday examining the truck and equipment and at a special meeting of the council on Monday evening recommended that the truck be purchased, a motion being passed to that effect. The truck will not be delivered until a new outfit is purchased by Meaford as it is being used at the present time for any fires that may occur. Flesherton has been without sufficient protection in case of fire for many years and the purchase of the truck and equipment will fill a long-needed want, an act which will have the approbation of all citizens.
