The New York *Times* complains that the reporters give too much attention and description to the toilettes of Widow Van Cott and other lady preachers. It has a bad effect, the *Times* says, as the lady preachers are thereby encouraged to devote a large portion of their minds to their dresses, leaving a mere moiety for their exhortations.

Silver ore has been discovered in northwest Arkansas, thirteen miles from Fayetteville. The deposit is silver and copper mixed, between strata of slate, and an experienced miner states that it is equal in richness and extent to the silver mines of Nevada. Some of the metal extracted from the rocks was forwarded to St. Louis and pronounced to be nearly pure silver. The ore is said to be very abundant.

ART OF ADVERTISING.—Horace Greeley, of New York, says:—The most successful business men in this city are those who have advertised liberally and constantly. A small advertisement constantly appearing is better than a display column occasionally.

TRANSIENT ADVERTISEMENTS.—The large circulation of the DAILY NEWS renders it the natural medium for the publication of all small and transient advertisements, as well as larger announcements. Advertisements of religious notices and Sabbath services; situations wanted; situations vacant; houses for sale; houses to rent; houses wanted; board and lodging; rooms wanted; board wanted; articles lost; articles found; cattle wanted; cattle for sale; cattle strayed, &c., when set close, inserted for 25c ents each insertion, payable only in advance. When displayed, a proportionate price will be harged.

MARINE PROTESTS.—Printed forms, for the use of Notaries Public, much facilitating the drawing up of Protests in casesof disaster to vessels. For sale at the Daily News Office.

PROGRAMMES & POSTERS, Steamboat and Excursion Bills and Tickets, executed expeditiously at the DAILY NEWS STEAM PRINTING HOUSE, Princess Street.

TO A YOUNG MERCHANT.—When you pay more for the rent of your business house than for advertising your business, you are pursuing a false policy. If you can do business, let it be known."—FRANKLIN.
