No Money to be paid until the Work is delivered.—This notice is given for the reason that unprincipled men have on several occasions canvassed for and collected moneys *in advance*, on account of Books which they falsely represented me as being about to publish.

Persons desirous of aiding in the Publication of the CANADIAN DOMINION DIRECTORY for 1870–71 will please send in their Orders for SUBSCRIPTIONS and ADVERTISEMENTS to

JOHN LOVELL, *Printer and Publisher.*

Montreal, May, 1869.

EFFECT OF ADVERTISING.—It is amusing at times to observe the stores of the merchants who don't advertise; to see the anxious proprietors looking into the streets and see the people go by, wondering why they don't come in, while the stores of their neighbours who do advertise are thronged with customers. Some people will learn by observation, others will not.—*Daily Palladium.*

ADDRESS
TO THE
NERVOUS AND DEBILITATED,
WHOSE
SUFFERINGS HAVE BEEN PROTRACTED FROM HIDDEN CAUSES,
AND WHOSE CASES
REQUIRE PROMPT TREATMENT TO RENDER EXISTENCE DESIRABLE.

IF you are suffering or have suffered from Involuntary Discharges, what effect does it produce upon your general health?
Do you feel weak, debilitated, easily tired?
Does a little extra exertion produce palpitation of the heart?
Does your liver, or your urinary organs, or your kidneys, frequently get out of order?
Is your urine sometimes thick, milky or flocky, or is it ropy on settling?
Or does a thick scum rise to the top?
Or is a sediment at the bottom after it has stood awhile?
Do you have spells of short breathing or dyspepsia?
Are your bowels constipated?
Do you have spells of fainting, or rushes of blood to the head?
Is your memory impaired?
Is your mind constantly dwelling upon this subject?
Do you feel dull, listless, moping, tired of company, of life?
Do you wish to be left alone, to get away from everybody?
Does any little thing make you start or jump?
Is your sleep broken or restless?
Is the lustre of your eye unbrilliant?
The bloom on your cheek as bright?
Do you enjoy yourself in society as well?
Do you pursue your business with the same energy?
Do you feel as much confidence in yourself?
Are your spirits dull and flagging—given to fits of melancholy? If so, do not lay it to your liver or dyspepsia.
Have you restless nights? Your back weak, your knees weak, and have but little appetite, and you attribute this to dyspepsia or liver complaint?

NOW, READER,

Self-Abuse, Venereal and Sexual Diseases Badly Cured, and Excesses,

are all capable of producing a weakness of the generative organs. The organs of generation, when in perfect health, make the man. Did you ever think that these bold, defiant, energetic, persevering, successful business men, are always those whose generative organs are in perfect health? You never hear such men complain of being melancholy, of nervousness, of palpitation of the heart. They are never afraid they cannot succeed in business; they don't become sad and discouraged; they are always polite and pleasant in the company of ladies, and look you and them right in the face—none of your downcast looks, or any other meanness about them. I do not mean those who keep the organs inflamed by running to excess. These will not only ruin their constitutions, but also those they do business with or for. How many men, from badly cured Venereal diseases, from the effect of Self-Abuse and excesses, have brought about that state of weakness in those organs that has reduced the general system so much as to induce almost every other disease—idiocy, lunacy, paralysis, spinal affection, suicide, and almost every other form of disease which humanity is heir to, and the real cause of the trouble scarcely ever suspected, and have doctored all but the right one.

Diseases of these organs require the use of a Diuretic.

N. Y. S. VOL. INSTITUTE,
Corner of Fifth Avenue and 76th Street,
Central Park.
(A Home and School for the Sons of Deceased Soldiers.)

DR. H. T. HELMBOLD,

Two bottles only of the package of your valuable Buchu presented to the Institute have been used by the children, and with perfect success. In the case of our little Lieutenant A. J., his pride is no longer mortified, and he is free from the daily morning anathemas of the chambermaid who has charge of his bedding. I feel that a knowledge of the result of our use of your Buchu with the children under our charge may save many a Superintendent and Matron of Boarding Schools and Asylums a great amount of annoyance, and many a poor child suffering more from *weakness* than from habit, may be spared punishment, that is (not knowing it as a weakness instead of a bad habit) most unjustly inflicted upon them. Thanking you on behalf of the children, and hoping others may be alike benefitted,

I am, respectfully yours,
COL. YOUNG,
General Sup't and Director.

GREAT SALT LAKE CITY, UTAH,
Jan. 28, 1868.

Mr H. T. HELMBOLD,

Dear Sir—Your communication requesting our terms for advertising was duly received, but from a prejudice I had formed against advertising "cures for secret diseases," it was left unanswered. During an accidental conversation in a drug store the other evening, my mind was changed on the character of your Buchu. It was then highly commended for other diseases by two physicians present. Inclosed please find our rates of advertising

Yours, &c.,

HELMBOLD'S EXTRACT BUCHU, established upward of 18 years, prepared by H. T. HELMBOLD, Druggist, 594 Broadway, New York, and 104 South 10th Street, Philadelphia, Pa. Price $1,25 per bottle, or 6 bottles for $6,50, delivered to any address. Sold by all Druggists everywhere.

Special Notices.

The Great English Remedy!
SIR JAMES CLARKE'S CELEBRATED FEMALE PILLS,

Prepared from prescription of Sir J. Clarke, M.D. Physician Extraordinary to the Queen.

THIS well known remedy is no imposition, but a sure and safe remedy for Female Difficulties and Obstructions, from any cause whatever; and though a powerful remedy, it contains nothing hurtful to the constitution.

To MARRIED LADIES it is peculiarly suited; it will, in a short time, bring on the monthly period with regularity.

In all cases of Nervous and Spinal Affections, Pain in the Back and Limbs, Heaviness, Fatigue on slight exertion, Palpitation of the Heart, Lowness of Spirits, Hysterics, Sick Headache, Whites, and all the painful diseases occasioned by a disordered system, these Pills will effect a cure when all other means have failed.

These Pills have never been known to fail where the directions on the 2nd page of pamphlet are well observed.

For full particulars, get a pamphlet, free, of the agent.

SPECIAL NOTICE.

Sir James Clarke's Female Pills are extensively counterfeited. The genuine have the name of "JOB MOSES" on each package. All others are worthless.

N.B.—One dollar and 12½ cents for postage, enclosed to NORTHROP & LYMAN, Newcastle, Ont., General Agents for Canada, will insure a bottle of the *genuine*, containing Fifty Pills, by return mail. Sold by all Druggists in Kingston, and medicine dealers everywhere.

FOR SUMMER COMPLAINT,
DIARRHŒA, DYSENTERY AND CHOLERA
Or any other form of bowel disease in children or adults,

PAIN-KILLER
Is a Sure Remedy.

The promptness and certainty with which it acts, in relieving all kinds of pain, make it eminently worthy its name, PAIN-KILLER,—a name easily understood, and not easily forgotten. As, in curing Cholera, it shows itself master of all the minor forms of that disease, such as Cholera Morbus, Dysentery, Summer Complaint, Diarrhœa, &c.; so in controlling Diptheria, and other maglignant diseases,—which it has repeatedly cured,—it asserts its power over all the milder and more common forms of these complaints.

Obtain only Perry Davis Vegetable Pain-Killer, all others are counterfeits and imitations.

Price: 15, 25 and 50 cents per bottle.

Perry Davis & Son,
PROPRIETORS,
June 8. Montreal.

PHYSICKING HORSES.—Many persons physic their horses frequently—especially every spring. This is a great error, and one which has caused the loss of many valuable horses, as physic, as it is usually given, often produces inflammation of the bowels, which generally proves fatal; it also weakens the horse and thus renders him more liable to disease, or less able to throw it off—what is required is a medicine which will operate gently upon the bowels, and act upon the liver and lungs, removing all obstructions therefrom, purifying the blood and enabling all the organs to do their work without over-taxing any, which is accomplished by the use of "Darley's Condition Powders" and Arabian Heave Remedy"—it is always safe and certain. Remember the name, and see that the signature of Hurd and Co. is on each package.—Northrop and Lyman, Newcastle, Ont., proprietors for Canada. Sold by all medicine dealers.

CONCENTRATION the great principle. The system of infinitesimal doses of medicine diffused in gallons of injurious stimulants exploded. All useless material discarded. The active principle only of the most powerful and efficient remedies known concentrated in a small convenient form. HABITUAL CONSTIPATION CURED. All diseases of the Stomach, Liver, and Bowels permanently relieved by using Dr Colby's ANTI-COSTIVE AND TONIC PILLS, Sugar-Coated. Recommended by the Medical Profession.

SUCCESS begets envy. Hence the efforts of certain vendors of Liniment to decry JACOBS' RHEUMATIC LIQUID. Wherever introduced, it drives all others from the market. Pain positively annihilated by its use. We have not room to enumerate the virtues accorded to it by the thousands who have used it. No medicine ever invented is capable of more extended application. It has hundreds of imitators, but not one RIVAL. *Beware of Counterfeits.*

GLAD TIDINGS FOR ALL.—Those who have no hair may have it. Those who have plenty, may preserve and beautify it. Those who are losing it may have its loss arrested. The hair strengthened, beautified, restored, by using HUNT'S EMPIRE HAIR GLOSS, *cheapest, cleanest, best.* Don't rest till you have tried a bottle. Sold by all Druggists.

HEALTH IS STRENGTH.—To prevent or conquer disease is one of the grandest attainments ever aimed at by man; and Bryan's Pulmonic Wafers will as sure cure coughs, colds, tickling in the throat and pulmonary complaints, as war and pestilence will destroy. Severe colds if not attended to sooner or later lead to incurable consumption, and the strength of the strongest soon fails if neglected. The readiest and best means known for the cure of these complaints is "Bryan's Pulmonic Wafers," which have been thoroughly tried for the last twenty years, and have never been known to fail. Singers and public speakers will also derive great benefit from the use of them. Sold by all medicine dealers, at 25 cents per box.

THE IRISH CHURCH CONFERENCE.

A deputation from the Irish Church Conference, which recently held its session in Dublin, was presented before the House of Lords on Saturday, the 29th ultimo, when the following address was made:—

May it please your Lordships—We appear before you as a deputation from the Irish Church Conference, lately convened in Dublin by the Archbishops of the Irish provinces of the United Church of England and Ireland. That Conference was elected by the clergy and laity of every parish throughout Ireland. We, therefore, speak, not as mere individuals, but with full authority as elected and delegated by the Irish Church.

Addressing your Lordships in this capacity, we earnestly beseech your Lordships not to sanction the principle of the Irish Church bill by reading it a second time, and that for the following reasons:—

1. Because its object is to dissolve the union between Church and State in one component part of the United Kingdom, by legislation which must be termed exceptional, inasmuch as it creates a difference between the constitution of Ireland and that of the remaining portion of the United Kingdom.

2. Because it will tend to subvert that parochial organization, by which the ministrations and consolations of religion are extended throughout the length and breadth of the land, to rich and poor, the many or the few, without distinction.

3. Because the dissolution of the union between Church and State in Ireland will inevitably lead to the same result throughout the entire United Kingdom, and thus the poor of the nation will everywhere be left unprovided with those services of religion which cannot be adequately secured to them except by territorial endowments.

4. Because the bill utterly ignores the vested rights of the Protestant laity of Ireland, rights by which a very considerable portion of them was induced to settle in that country, thereby redeeming from barbarism what are now its fairest and most prosperous districts.

5. Because the Bill strikes at the royal supremacy in matters ecclesiastical in Ireland, undermines the Act of Settlement, and virtually annuls the Act of Union between England and Scotland and the Act of Union between Great Britain and Ireland, by repealing clauses which are distinctly declared in these acts to be essential, fundamental and perpetual, and which we therefore believe it to be beyond the moral competence of Parliament to repeal.

6. Because by destroying a title which has the prescription of three centuries, it strikes at the root of all prescriptive rights, and thereby unsettles the title to all property.

7. Because in seizing and sequestering the ecclesiastical property of Ireland for secular purposes it incurs the serious danger to which we have adverted without any allegation that that property has been misapplied or misused.

8. Because we do not believe that it is consistent with the dignity and stability of the empire to pass a measure which confiscates property to the amount of £16,000,000, and amounts to an alteration of the constitution of 1688, with a haste approaching to panic, and before the country at large has had time to understand and appreciate the real meaning of that which is proposed.

9. Because this measure will utterly fail in securing that pacification of Ireland which the people of England have been led to expect from it. Irish disaffection is quite irrespective of the existence and endowment of the Established Church in Ireland. This is proved not only by the broad facts of Irish history, but by the express and reiterated declarations of Irish agitators, to the effect that the disestablishment and disendowment of the Church will in no wise content them. The cry of Irish discontent is, Ireland for the Irish; and it the disaffected portion of the community regard this bill with any favour, it is only because they consider it in the light of an instalment. They believe that concessions extorted by fear will prevent the refusal of further and still more extravagant demands, and we are sure that the reading of this bill a second time in your lordships' house will confirm the notion which has taken possession of their minds, that the ownership of the land will be speedily transferred to them if they persevere in that course of violence and intimidation to which they ascribe the introduction of this bill and its success in the Lower House.

For all these reasons we, in the name of the laity and the clergy of the Irish Church whose representatives we are, do solemnly adjure your lordships in the exercise of
