Markdale defeated Flesherton by a 16-4 score Monday evening in Markdale at the opening of the Holland League schedule. Flesherton, being their first year in the league, showed lack of practice as the whole game was marred beautifully with errors by each and every player. Flesherton counted their runs in the first and sixth innings while Markdale added a few runs each inning except the second. A good sized crowd of fans witnessed the game. Flesherton's next game is with Holland Centre in Flesherton on June 6th. Games are to be played in the fair grounds and not at the high school as formerly announced.

Markdale — L. Thibadeau 1st; G. Dundas ss; E. Fitzsimmons p; N. Fitzsimmons c; A. Noble rf; V. Irwin 2nd; W. Burbee cf; K. White lf; R. Singleton 3rd.

Flesherton — T. Banks lf; B. Leavell cf; K. Betts 1st; E. Johnson 2nd; G. Teeter ss; A. Hopkins 3rd; R. Johnson c; D. Smith p; D. Morgan rf.

Umpires—G. Maher and R. Cook of Holland Centre.

NEWSPAPER VS. RADIO

The newspaper has many features that a radio has not. A newspaper can show what the people want to see. A newspaper can be bought more cheaply than a radio. The men who contribute to make a newspaper are very intelligent, quick and always on the job. A newspaper reflects these human characteristics. The men who make radios are not able to impart to their product anything of themselves.

A merchant would be better to put an advertisement in a newspaper because more people subscribe to the newspaper than possess radios. People who have radios usually subscribe to a paper as well. Thus a radio advertisement would not reach the greatest possible number of people.

GREY YOUTH GETS RARE BIRD

Shot while it was sitting on its nest, a duck hawk, one of the rarest of the hawk species, fell prey to the marksmanship of a Redwing youth's rifle last week. The bird, a cross between an eagle and a falcon, measured in wing spread five feet seven inchs. This is not considered a large specimen, but promises to be a fine exhibit when stuffed, it being now in Meaford for that purpose. The duck hawk, killed above, had its nest on a ledge about ninety feet up a rock cliff. Its youthful dispatcher, to reach the bird, had to navigate a perilously narrow ledge before he took aim.

The hawk had been accused of stealing chickens and consequently little sympathy is being felt over the shooting by the Relwing folk in general. It is estimated that there is one pair of duck hawks for every fifty thousand square miles.

COSTS EXCEED FINE IN COURT

An illustration of the unfair and unreasonable, if not un-British practice of Ontario courts, occurred in the police court here on Monday. A man named Duggan was fined $20 and costs for assaulting his father. When he came to settle he found the costs amounted to $25.20, or a little more than 25 per cent of his original sin. For this the Bench is not responsible, although it might, at times, ease the costs in the system. Again let it be said that a fine should be a fine and nothing more. The court officials are all well paid and being supposed to be bodies superior to the ordinary person who appears before them as a violator, why should the sinners or the offenders be doubly soaked to pay salaries and other expenses. Magistrates could do a lot worse than move toward the elimination of the so termed costs.

In the case in point Duggan was fined for assaulting his father. Despite the fact that the pater sought a withdrawal of the charge, the court evidently thought that a lesson might have a good effect and it may. —Collingwood E.—B.

SOUTH GREY MAY BE ENLARGED

The reduction of membership in the Legislature from ninety to seventy, announced some months ago by Premier Hepburn, will directly affect this riding as South Grey is at present close to the minimum in population. With fewer members, one constituency in this district is almost certain to be abolished, as was the case in the Dominion redistribution when Bruce was given only one member and the south-east corner of the county added in with South Grey as Grey-Bruce. Whether the new territory to be added to the present South Grey will be from Dufferin, North Wellington or Bruce is not known as yet but we believe the government would be well advised to include the portion of Bruce now in this riding for Dominion purposes, making the riding similar in both houses.—Durham Review.
