Live Stock Report

(By Dunn & Levack, Toronto)

With an unexpected heavy supply of cattle on Monday, a larger percentage of which was off pasture, the market opened slow and buyers were bidding much lower prices, especially on grass cattle. Some of the best stable cattle sold at steady prices, while those of medium quality were lower. Cows, which have featured the market for some time, were fully $1.00 lower than a week ago.

Choice stable fed weighty steers brought from 7.00 to 7.50; fair to good from 6.00 to 6.75. Choice stable fed butcher steers and heifers brought from 6.50 to 7.00, with a few extra prime at slightly higher prices; fair to good from 5.50 to 6.25; common to medium 4.50 to 5.25. Choice baby beeves were in good demand at from 7.50 to 8.50, while those of medium quality sold at lower prices accordingly. All cows were lower, choice from 4.50 to 5.00; fair to good from 3.50 to 4.25; canners and cutters 2.50 to 3.00. The bull trade was lower, choice light butcher bulls from 4.50 to 5.00; choice heavy bulls 4.25 to 4.50; bolognas mostly 4.00.

The lamb market held strong, choice spring lambs selling at 13c. However, should supplies become heavier, prices will work lower. Choice light butcher sheep 3.50 to 4.00. The calf market held steady, choice mostly 8.00, with a few extras up to 8.50; fair to good from 7.00 to 8.00; common to medium 5.00 to 6.50.

Following last week's quick advance in hog prices, the market reacted somewhat on Monday, most of the sales being made on the basis of 10.25 for truck deliveries. The general feeling is that there is a firm tone to the market as a whole.

Victory For Flesherton

Flesherton won their first game at home on Monday evening when they decisively trounced the Holland Centre team by a score of 29-10. Flesherton got seven runs in the first inning, four in the second, seven in the fourth, eight in the fifth and three in the sixth, while Holland Centre counted three in the third, five in the fourth and two in the sixth. Each team got one walk. Home runs were plentiful with the local squad collecting five of the seven. Teeter got two homers and Johnson, Betts and Smith each got one. Brawley for Holland Centre got two homers for his team. The home team collected thirty-three hits for twenty-nine runs and Holland Centre had seventeen hits for ten runs. All the boys played good ball and deserve credit for their victory. The next home game is with Walter's Falls on June 15th, so let's see a good crowd out to give the boys the support they deserve.

Holland Centre — Henderson, Cook, Brawley, Troughton, Maher, Hampton, Sutcliffe, McKennett, Jackson.

FARM LAND VALUES

For the third year in succession, average values of occupied farm lands in Canada are estimated at $24 per acre. Farm land values have been declining since 1928 when they were reported at $38 per acre. A low point of $23 per acre was reached in 1934 and an increase to $24 occurred in 1935 since when the values have remained the same.

These are four ordinaries, an air mail and a special delivery stamp. The lower denominations in the series were issued a year ago. All bear portraits of George VI and are in regulation size.

The six stamps and their values are as follows: ten cents, Memorial Chamber, Peace Tower, Parliament Buildings, Ottawa; twenty cents, Fort Garry Gate, Winnipeg; fifty cents, entrance of Vancouver harbor; one dollar, Chateau de Ramezay, Montreal; six cents air mail, scene on the Mackenzie River, Northwest Territories; and twenty cents special delivery, Canadian coat of arms.

To meet the wishes of first day cover collectors, particularly those living outside of Canada, arrangements are being made to provide selected stamps to the city post office at Ottawa, where requests for first day covers will be attended to. Self-addressed covers should be sent to the District Director of Postal Services, Ottawa. Remittance must be made by postal money order, payable to the receiver general of Canada.
