IN MEMORIAM

PORTEOUS — In loving memory of our dear wife and mother, Selina Porteous, who passed away June 26th, 1934.

Sheltered by the Rock of Ages,
Anchored on that golden shore,
In the loving arms of Jesus
Rest, our mother, evermore.
We think of her in silence
Her name we oft' recall,
But there's nothing left to answer
But her picture on the wall.
Ever remembered but sadly missed by
—Husband and Son.

Fierce Electric Storm

One of the worst electric storms this year struck this district Thursday afternoon of last week but there was not a great amount of damage done. The Cedarville United Church was struck twice while the Centre Grey District Women's Institute was in session. One lady was so badly shocked that she was rendered unconscious. Considerable damage was done to the building which will be repaired at once.

One bolt of lightning struck some of the telephone and electric wires, putting telephones out of use and burning the fuses on transformers. Several street light bulbs exploded and the shaded globes broken. Several trees were struck by the lightning and an exciting time was spent by the populace for a while. The electric storm was accompanied by a deluge of rain, causing the withdrawal of the garden party to have been held that evening by St. John's United Church.

Weekly Press Met At Dundalk Friday

Miss Agnes Macphail M.P. for Grey-Bruce was the guest speaker at the annual convention of the Perth, Wellington and Dufferin District Press Association meeting at Dundalk on Friday afternoon. She gave a splendid non-political address to the newspapermen and informed the gathering she had great faith in the weekly press and what it can accomplish. She compared our own country with Denmark and Sweden in regard to living conditions. Those countries appeared to be prosperous, one reason being that there are no partly demolished buildings on the farms as is so common here. The use of more paint in brightening up home conditions was also urged. She also gave other ways in which the weekly press could be used for community aid and leadership.

Mr. Geo. W. James, president of the C.W.N.A. and editor of the Bowmanville Statesman was also present and presented A. W. Wright, veteran editor of the Mount Forest Confederate and secretary of the District Association, with an autographed leather brief case on behalf of the Association. Mr. C. V. Charters, managing director of the C.W.N.A., also gave a short address at the luncheon and assisted in the discussion at the business session. Splendid addresses were given by various editors, relative to the successful conducting of their newspapers.

The ladies enjoyed a trip to Eugenia while their men folk were in conclave at the bowling club house.

The newly elected officers of the Association are: President, Frank McIntyre, Dundalk; Vice-president, Albert Reis, Milverton; Secretary-Treasurer, A. W. Wright, Mount Forest.

We wish to express to Editor McIntyre and Mrs. McIntyre our thanks for the splendid lunch provided at noon and for the reception accorded us visiting newspapermen.

An inquiry into the subject of whether men like women to color their finger-nails has developed very little beyond the fact that many women will continue to tint their nails anyway.

Warden's Banquet Was Well Attended

The annual banquet given by the Warden of Grey County was held in Flesherton on Tuesday evening, when Warden H. A. McCauley and Mrs. McCauley entertained the Grey County Council members, officials and other guests, among whom was Warden Henry Lantz of Bruce.

Following the toast to the King, Mayor Allan Stewart of Owen Sound proposed a toast to Canada and the Empire and stated that we should guard our proposed legislation so that there is no infringement on the rights of freedom which is the due of every citizen of the British Empire. Judge Morley responded to this toast and remarked that Canada, while not bound to assist Britain in any way, will come to her aid in time of need. Rearmament is necessary for defence, otherwise an aggressor country could come here and occupy the country as they did in Austria. He also stated that with various isms creeping into governments that we are going back to the day of pagan kings when ransom was demanded for the release of certain political prisoners. He finished with the thought that if we adopted Fascism in this country we would be setting back our clocks 150 years.

A toast to Grey County was proposed by Wm. McGregor, Reeve of Sydenham and responded to by ex-Wardens W. L. Taylor of Osprey, John Dolphin of Derby and Dan McTavish of Flesherton.

Agriculture was proposed by Mr. Patterson, Reeve of Egremont, to which response was made by F. R. Oliver, M.P.P., in a splendid address. He stated that agriculture must produce produce and only through that way could the war debt be wiped out. Raise the purchasing power of the farmer and it would reflect on prosperity throughout the Dominion. He pointed out that the farming people do not tolerate any isms as they have plenty of work to do and that we should cast them aside, and in conclusion stated that the tenets of democracy are being shaken by the inroads of fascism and communism, but that the farm people held true to the tradition of British ideals.

Reeve Rusk of Markdale proposed a toast to the guests, response being made by Warden Henry Lantz of Bruce and Reeve of Carrick, John Pedlar, Alf. Down, representing the Flesherton council and Rev. G. R. Service.

The toast to the Press was proposed by Reeve John Davis of Artemesia and response was made by George Dulmage of the Owen Sound Sun-Times, Frank Irwin of the Durham Chronicle and Frank McIntyre of the Dundalk Herald.

Reeve Emerson Brown of Collingwood had the pleasure of proposing the toast to the ladies and this was ably responded to by Mrs. Austin Ball, wife of the Reeve of Hanover.

The last toast of the evening was a toast to the Warden, which he accomplished in his usual flattering style, to which Warden McCauley replied, giving his opinion how County Councils of Ontario can work together so that taxation can be reduced. He stated that we have been going to the governments for grants and bonuses and that this idea is wrong, as each municipality should stand on its own feet and conduct their business in their own way. It was this that has brought the idea of the County Council Association of Ontario into being.

Mr. J. C. Mercer, treasurer of the County of Grey, was toastmaster.

A dance followed the banquet to the music of the Blue Bird Orchestra of Walkerton, and was attended by great numbers of local residents and other visitors.

MARRIED

Thos. Henry Dies After Long Illness

After a lingering illness of two years Mr. Thomas P. Henry, well known Artemesia resident, passed away at the home of his daughter, Mrs. A. E. Hopkins, at Meaford on Wednesday evening of last week. He had been suffering from an incurable disease for some time and had resided with his daughter for the past year. He was tenderly cared for by Mrs. Hopkins and displayed a wonderful fortitude and strength of character in the face of discouragement.

The late Mr. Henry was born in Philadelphia some seventy-eight years ago and as a young man came to Artemesia township and took up farming until his health collapsed and he was obliged to give up his work. Some forty-seven years ago he was united in marriage to Miss Mary Winters, daughter of Mr. and Mrs. John Winters of Maxwell, who predeceased him by some forty-three years. He is survived by one daughter and one son, Laura (Mrs. A. E. Hopkins) of Meaford and T. W. Henry of Chesley. He also leaves one sister, Miss Anne J. Wright, now residing in Chesley.

Deceased was very active in local affairs. He was a Past Master of Prince Arthur Lodge No. 333, A.F. and A.M., of which he served for three years as Master. His work in the Lodge room and his conduct as a Mason remains as a shining example to the younger members in the Order. He was never so happy as when he was attending Lodge and mingling with the members in friendly fraternization. He served on the Flesherton High School Board for many years with distinction and was well posted on educational matters. His keen mind on interpreting events of the day and a fund of ready wit and humor made him a pleasant companion at all times. These attributes were very noticeable when confined to his bed as, suffering intensely and nerves sorely tried, he was always appreciative of everything done for him. It was an inspiration to be calling on him and see the way he met his sufferings. While Tom Henry is gone from among us his memory will ever be green among those who knew him so well.

The funeral was held on Saturday afternoon. A short service was held at the home of his daughter in Meaford and at 3.30 a public service was held in St. John's United Church, Flesherton, which was filled with sorrowing friends. Rev. Frank A. Creighton of Meaford delivered a very comforting address from the text "Mark the perfect man and behold the upright: for the end of that man is peace," Psalm 37:37. Rev. G. R. Service, pastor of St. John's Church, assisted in the service. Following the religious service at the cemetery the commitment service of the Masonic Fraternity was read. There was a large attendance of the brethren who met to give their last farewell to one who was so distinguished among them.

The pallbearers were members of the Craft: Messrs. Thos. Fisher, D. McTavish, P. Muir, R. Piper, C. N. Richardson and W. G. Watson. Beautiful floral offerings surrounded the casket, testifying in a small degree the sympathy for the family and high regard for the departed. Interment was made in the family plot in Flesherton Cemetery.
