Neil Cameron Died After Long Illness

(By Our Ceylon Corr.)

Following an illness extending over a period of three years the last three weeks of which were attended with severe suffering, Mr. Neil Cameron passed away at his home on Stone's Line three miles north-west of Ceylon late Friday night.

The late Mr. Cameron was born on the Island of Coll, Scotland, sixty years ago and was the son of the late John Cameron and Katherine McDonald of that place. About 1907 he came to Canada and was employed around Alliston and Cookstown before coming to this locality. Eighteen years ago he settled on the Fletcher farm on Stone's Line and was married the following year to Miss Elsie May McLeod of Priceville who survives with three children, Isobel 17, Allan 15, and Janet 13 to mourn the loss of a devoted husband and father. Also surviving are two sisters and two brothers Mary (Mrs. Jas. Cameron) of Saskatoon, Sask., Janet, Island of Coll, Scotland. Jim of Battleford, Saskatchewan, and Donald of Glasgow, Scotland.

He was a member of the Presbyterian church and a U.F.O. in politics, a man of honesty and integrity who held his friendships wherever formed.

The late Mr. Cameron was an ardent lover of his homeland and a piper of outstanding ability. One of his dearest possessions was a set of pipes over three hundred years old and which had seen service in the Battle of Waterloo. He also taught two of his children the art of playing this instrument as well as others in the near community.

The funeral took place Monday from his late residence. Rev. Taylor of Markdale and Priceville circuit had charge of the service. To the sorrowing widow and children much sympathy is extended. Rev. Taylor delivered a comforting message to the bereaved ones. An unique and touching feature of the ceremony was "Lord Lovat's Lament" played on the deceased's bagpipes by Mr. Grant Muir at both the house and the grave, a fitting closing to the life of one whose kinfolk and homeland were ever entwined in his heart and home and work. Beautiful floral tokens were carried by Emerson Beaton, David and Douglas Standon, Gordon and Marvin Sturrick.

Friends and relatives from a distance who attended the funeral were, Messrs. Martin and Will McLeod of Tilbury, Mrs. Standon and two sons of Durham, Miss Annie Harrow of Owen Sound, Mrs. Ruppert and Mrs. Hoffman of Oakview Beach, cousins of Mr. Cameron, and Miss Jessie McLean of Alliston.

The pallbearers were Messrs. Wm. Beaton, Brady Irwin, Bert Irwin, I. B. Whittaker, Russel Purdy and Angus McCormick. Interment took place in Priceville cemetery.

David Whyte, Principal of the Toronto Normal School, has tendered his resignation to the Department of Education. He has not reached retirement age but is resigning because of ill health. He plans, it is understood, a holiday in California if his resignation is accepted.

Mr. Whyte is one of the province's outstanding educationists and has been connected with the Provincial Normal Schools for the last twenty-nine years, and has been teaching in public, high and Normal schools for nearly forty years.

He has assisted in the preparation and has edited and prepared many text books for the Department of Education. Among them are the Ontario High School Physical Geography and the nature-study text book now in use in Ontario schools.

He joined the staff of the Toronto Normal School as a master twenty-nine years ago, served for three years as Principal of the Hamilton Normal School, and returned to the Toronto Normal as its Principal nine years ago. Woollen Mill Operates

The Flesherton Woollen Mill commenced operating on Monday with the first batch of wool being put through the first process of manufacture into yarn. The first operation after the wool has been picked is running it through the carding machines, following which it is put through the finisher, where the wool is wound onto large spools which are then placed on the "mule" or spinning machine from which it emerges as yarn. These machines are considerably larger than the ones in the former mill destroyed by fire in February of last year and are capable of turning out two hundred pounds of wool a day. The citizens of Flesherton are pleased to know that the mill is again in operation and wish John the best of success in his business. The products of this mill are shipped all over Ontario as the Nuhn yarn was well known and the quality appreciated in many hundreds of homes.

PRESENTATION FOR MRS. H. RENNICK

On Saturday evening, July 16, a very happy time was spent at the home of Mr. and Mrs. Norm. The address was read by Mrs. Gordon Wauchope and the presentation made by Mrs. Steve Sutton and Mrs. Alf. Down. Mrs. Rennick replied in a few well chosen words on behalf of herself and husband.

Many Attend Funeral of Carl E. Atkinson

It was with deep regret that word was received here on July 12 of the passing of Carl Eugene Atkinson, son of the late Mr. and Mrs. Thos. Atkinson of Rock Mills. Deceased had spent several days in Markdale hospital before going to Lockwood clinic in Toronto on Saturday, July 9. On Sunday he was operated on and found to have the main artery of his body ruptured, being too weak to have the operation finished. Another operation was performed on Tuesday from which he did not rally.

Born at Rock Mills on October 22, 1892, he lived in that district until the age of twenty-five when he purchased a farm at Victoria Corners where he remained until a year ago last November when he purchsed a general store at Berkeley where he has since made his home. Two years ago he married Miss Mina Maude Edwards, a daughter of Mr. and Mrs. R. T. Edwards of Glenelg who survives with his three children, Alma eleven, Muriel four, and Eldon six who mourn the loss of a kind and loving husband and father. He also leaves one sister and one brother, Miss Ada of Flesherton and Lorne of Rock Mills. Carl will be greatly missed as he was of a kind and friendly disposition and had many warm friends throughout this district.

The funeral, the largest here in several years, was held on Thursday at 2 p.m. with service in the Berkeley United Church. The pastor, Rev Burnside, was assisted by Rev Wakefield .The pastor spoke very fittingly of the deceased, taking his text from Revelations 7:9. The choir rendered "Good Night Here, Good Morning Up There."

HAINES--THOMPSON

A quiet but pretty wedding was solemnized on Saturday, July 16, at three o'clock at the United Church parsonage, Heathcote, when Mabel Irene Bell, youngest daughter of Mr. J. H. Thompson and the late Mrs. Thompson, became the bride of Leonard Harry Haines, son of Mr. and Mrs. Geo. Haines of Kimberley. Rev. White performed the ceremony. Miss Udsula Thompson, sister of the bride, acted as bridesmaid while Mr. Carman Haines, brother of the groom, was best man.

The bride looked charming in a gown of white triple sheer made on long lines with white hat, shoes and gloves and carried a bouquet of pink roses. The bridesmaid wore a gown of white printed satin striped sheer with white accessories to match. After the ceremony the bridal party returned to the home of the bride's father where about forty immediate friends of the bride and groom partook of a sumptuous wedding supper. The bride's three storey wedding cake centred the table. Mrs. Comfort Thompson, Miss Ursula Thompson and Mrs. L. Rean were waitresses.

Amid showers of confetti and good wishes the young couple left for a short trip to Niagara Falls and other points. The bride wore a suit of rose crepe with white accessories.

We wish Mr. and Mrs. Haines many years of happy wedded life.

One man gets a two-year sentence for conversion of $140,000, another in the same province gets the same sentence for the theft of a club bag from a hotel. The Attorney-General does well to ask for a reconsideration of sentence in the Martin case.

Are Touring Europe

Ostend, Belgium, July 5

Dear Mr. Thurston and all,

We have been thinking of you people very much today because we have just completed a trip through the battlefields of Belgium and of France. It has been a most memorable day and brought more forcibly to our minds the hororr and futility of war. I will outline some of the places we visited from Ostend, covering about two hundred miles, Dixmude, Armientiers, Ypres, Kemmel Hill, passed near St. Julien and Hill Sixty, Vimy Ridge seeing the Canadian memorial and on to Arras. There were many other places as well which were headline names only a few short years ago.

Vimy Ridge was the most interesting. The entire part of it has been given to Canada,and is in exactly the same condition for the most part as it was in 1918, except to be grown over by grass and small trees. There the Canadian and German trenches, only about thirty yards apart, are still to be seen in a wonderful state of preservation. The ground is simply thrown up in huge mounds by the explosion of shells and mines. We were shown through the dug-outs of both trenches, dug many feet through chalk rock,, fitted up with electric lights and in much better shape than during the war. Old barb wire, rifles, helmets, shells and guns are still in evidence.

We passed many cemeteries, British, French, etc., and of them all the British are the most beautiful. By British I mean all those from the various parts of the empire. They are exceptionally well cared for by British gardeners. Roses are now blooming in profusion in all of them.

In Ypres we had an hour to spare so we hired a taxi and visited Arngrave in the new military cemetery, Renninghelst. Roses were blooming about the stone. We took two pictures which we will be very pleased to give you when we return.

Our trip, which we have just started, takes in Belgium, France, Holland, Germany (Austria), Switzerland, Italy (Rome and Naples). We hope to return on the Empress of Britain to Quebec about August 11. I am enclosing a poppy from Flander's Field.

Yours sincerely
Sam MacDonald

Union Church Services

Ideal weather tempted many to attend church last Sunday and the large congregations that assembled in the Baptist and United Churches. bore evidence of that fact. A noteworthy feature of last Sunday's congregation was the presence of many of our town visitors. This was indeed a real pleasure to the local churches. In the morning Rev. Ashton ministered in the Baptist church, his message being based upon "Paul's Passion for Souls." A very appropriate anthem was effectively rendered by the choir, "Firmly Stand for God" which was composed by Dr. C. R. Blackall, the music arrangement by W. H. Doane. The evening service was held in St. John's United and the evening subject by Mr. Ashton was "The Great Humiliation." The choir was assisted by Mr. and Mrs. Geo. Buchanan of Vandeleur who took the duet part of the anthem "Rock Of Ages" which was composed by A. M. Toplady and the musical setting by A. J. Showalter. This anthem was a very fitting part of the service and was beautifully rendered with Mrs. Blackburn at the organ. Next Sunday morning and evening services will be held in St. John's United Church at 11 a.m. and 7 p.m. No service in the Baptist Church next Sunday.

VISITING IN THE EAST

Chas. C. McLachlan, wife, and son, Charlie, of Vancouver, B.C., are visiting the former's brothers and sisters, Angus, John and Mrs. J. A. Beaton of Glenelg and Mrs. R. Park of Eugenia. It has been thirty-eight years since Mr. McLachlan last visited in this district and fifty years since he left to reside in the West. Charlie McLachlan is secretary of the Canadian Basket Ball Association and is at present attending meetings in the interest of basket ball in Toronto, New York and Montreal.

Preparations Made For Civic Holiday

Monday, August 1st, is a red letter day in the history of Flesherton when the annual picnic of the Old Boys' and Girls' Association and the unveiling of the memorial will be held in the park. The 147th Battalion Association will also hold their triennial gathering and banquet in Flesherton and are co-operating in the unveiling of the memorial.

The largest gathering of world war veterans ever held in Grey County will be seen here on August 1st. Already several hundred have stated that they will be here that day and many more will be in attendance. They will parade to the park from the rendezvous at the high school, accompanied by the Harriston band and will be in position for the unveiling at 4.45 a.m. Following the service they will pass the reviewing stand on market square where the salute will be taken by a prominent war veteran.

The 147th Battalion will hold a church service in the park at 9.30 a.m., followed by their march past with Lieut. Col G. F. McFarland, their old commander, taking the salute. It is expected that about four hundred former 147th men will be in the parade.

Splendid aquatic sports will commence at the pond at 10.30 a.m. with several members of the Toronto Mermaids and High Park swimming clubs giving exhibitions of fancy swimming and diving. Other competitions for local talent will be announced next week.

Featuring the afternoon program will be a softball game between the Robert Simpson Co. Ltd., girls' team from Toronto meeting the Wawanekas of Owen Sound. The Robert Simpson Co. team is being sent here free by the great Toronto department store officials and their action is appreciated by the local committee. This game will be followed by an exhibition baseball game between the Owen Sound Maple Leafs, leader of their group in the Bruce League, and the Meaford Knights of the Simcoe League, old rivals, and this should be well worth seeing. These two teams should attract a large crowd.

An amateur concert will be held in the skating rink commencing at 8 p.m., and should be well worth while as these events usually are. There will be five classes grouped according to age, with three generous prizes in each class. Advance entries may be left at "The Advance" office or entries may be made at the concert up to 8 p.m. on the evening. Applause will be considered in awarding the prizes. A large entry list is expected for the various events. Make your entry early so that the committee will have an idea of the extent of the program available.

Dancing will be held in the Memorial Park commencing at 12.10 a.m. Monday morning and continue to 4 a.m., and Monday night from 10 p.m. to 2 a.m. Music for dancing will be supplied by the Mildmay orchestra.

Sports for children will be held at the Park at 6 p.m. when all the kiddies are urged to compete in the various events.

IN MEMORIAM

In loving memory of our dear mother, Mrs. David Hincks, who departed this life July 22, 1926.

No one knows how we have missed you
Many times we have felt blue.
We lost our best and dearest friend,
Dear Mother, when we lost you.
What would we give her hand to clasp
Her patient face to see,
To hear her voice, to see her smile.
As in the days that used to be.
But some sweet day we'll meet again
Beyond the toll and strife.
And clasp each other's hand once more
In Heaven, that happy life.

Sadly missed by Husband and family.
