IMPORTANT NOTICE.

GREAT REDUCTION IN PRICE

OF THE

AMERICAN WATCH.

THE AMERICAN WATCH COMPANY of Waltham, Mass., being determined to place their several grades of Watches at prices within the reach of all parties and to effectually shut out all Swiss Counterfeit watches, have decided from this date to supply their Watches in the Dominion of Canada

AT THE NETT GOLD VALUE OF AMERICAN CURRENCY.

The Company by thus paying all duty, costs and charges on their watches into Canada, will supply to the people of the Dominion

The Cheapest Watches in the World!

The Watches are of all grades, from the finest Gold Watch made, adapted to any climate from the Tropics to the Poles, at a price to suit the wealthy connoisseur or for presentation, to the cheap Silver Lever, strong and serviceable, regulated to minutes, suitable to the Mechanic or Farmer, and quite as low in price as any moderate quality Swiss Watch. Our grades of

EXTRA HEAVY CASED WATCHES FOR RAILWAY ENGINEERS AND LUMBERMEN,

deserve particular attention in Canada, as nothing can equal them for the purpose. Our leading Watches

IN 18 CARAT GOLD CASES FOR LADIES AND PRIVATE GENTLEMEN,

at medium prices, will also be found very desirable.

We are frequently asked why we don't advertise prices, we reply that as we only supply the Trade, and as our Watches are now kept by most respectable houses, the public can rely on being served at a fair advance on the Manufacturer's List. Our trade marks are AMERICAN WATCH CO., APPLETON, TRACY & CO., WALTHAM WATCH CO., P. S. BARTLETT, WM. ELLERY, HOME WATCH CO. Guaranteed in all cases by special certificate (except the HOME CO., which is guaranteed by the seller). The purchaser should always require the guarantee, as there are Swiss Counterfeits for sale in some places.

BRITISH AMERICAN Commercial College.

NECESSITY FOR A THOROUGH MERCANTILE EDUCATION.

PRIZE PENMANSHIP.

SUPERIOR ADVANTAGES OFFERED.

THE IMPORTANCE OF A THOROUGH BUSINESS EDUCATION is pressing itself on the attention of commercial circles more and more every day, and its advantages are perhaps more emphatically shown by nothing more than by the vantage ground on which it places the *fully trained* clerk above the *imperfectly trained one*, when for a situation.

THE BRITISH AMERICAN COMMERCIAL COLLEGE has in full operations such a course of instruction as to give it *practical fitness* to do the work proposed.

An important characteristic of this Institution is its maturely organized ACTUAL BUSINESS SYSTEM, whereby the College is made a type or model not only of an extensive business house, but even of a large trading community.

Another distinctive feature of this College is that it attempts no extraneous teaching. Its work is ONE, and to the accomplishment of that work every effort is directed. Just as the University and Grammer School must be separate Instititution, so the Commercial College and the Elementary School must be distinct. Common sense and experience alike show that such a combination is not compatible with efficiency.

The time required to complete the full course varies considerably, according to the attendance, and ability of each student. Young men, however, are earnestly cautioned against the injurious practice of hurrying through the course from the mistaken idea that they will thus be gainers by the saving of money in the item of board. Infinitely more advantageous would it be to the student, since his full course of tuition is already paid for, to incur the comparatively small additional expense of a few weeks' board in order to make himself completely master of the course; and thus, by a small present outlay, qualify himself for some lucrative situation. The crudeness that such haste entails is highly detrimental, not only to the student himself, but also to the College where he graduates; and, besides, it brings opprobrium on Commercial College's generally. The common practise, therefore, of holding out this crowding system as an inducement to students is most deceptive and highly reprehensible.

We were again awarded the FIRST PRIZE at the late Provincial Exhibition, Kingston, for the best specimen of BUSINESS PENMANSHIP, and an EXTRA PRIZE for our SYSTEM OF WRITING.
