## Meat Preservation

Meat may be canned as successfully as fruits and vegetables. Besides giving a supply of fresh meat for emergencies, the canning of some of the meat butchered on the farm is a step in the direction of economy. Beef, which might otherwise be used more freely than necessary at the time of killing, can be saved for use in seasons when meat is difficult to obtain. The Dominion Department of Agriculture has issued full directions on this subject in a pamphlet "Home Preservation of Meats, Poultry, Fish and Soups," which may be obtained free on application from the Publicity and Extension Division of the Department at Ottawa.

## Markdale Lost To Home Team Friday

The local ball team proved themselves able to come through when they outplayed and outscored Markdale by 10-4 in five innings of good softball. Flesherton were forced to leave eleven stranded on bases to Markdale's four. Dargavel held the mound for Flesherton throughout and pitched a real good game, while Fitzsimmons and Irwin for Markdale just couldn't get down to true form. The local squad scored in every inning while Markdale counted in the second and fourth innings. Phillips made his first appearance on the team and although his batting eye was a little unsteady he was no sloucher on third base.

In the sixth inning Markdale tempers flared and in a few minutes fists were flying and the game drew to a close. The trouble started when Dundas blocked Banks while the latter was running from second to third. This peculiar play by Dundas was quite noticeable throughout the game and when Umpire McTavish warned him about it, the evening as far as ball was concerned ended to make room for a more exciting finish to an already thrilling game. Thibadeau of Markdale tried to take things in his own hands but was soon halted by Betts of Flesherton who really did a little damage in very few seconds. So it really looked like a double defeat for Markdale. Spectators crowded the field and Markdale were obliged to accept defeat for the evening. Flesherton's next game is with Holland Centre in Flesherton on Friday, July 22.

MARKDALE — H. Irwin, E. Fitzsimmons, Thibadeau, V. Irwin, Noble, Dundas, Singleton, White, N. Fitzsimmons.

FLESHERTON — Banks, Dargavel, Betts, Leavell, Phillips, Smith, McIntyre, Teeter, Johnson.

## Beard Caught Fire

One of Elmwood's old timers who sports a long beard was lighting his pipe recently when the lighted match made a contact with his whiskers, and in a moment the flames were shooting forth from the pipe-smokers chin. With the aid of some of Elmwood's fire fighters the flames were extinguished before the beard became a total loss. However, it was necessary for him to proceed to the barber shop for repairs, and Jack Knapp proceeded to get busy with shears and comb on the remaining whiskers. He managed to save enough hair to make the operation such a highly successful one that the old timer now looks twenty years younger and the chin no longer looms up as a potential fire hazard.—Hanover Post.

## Tenders Wanted

## Local and Personal

Mr. H. W. Kernahan was in Toronto the first of the week.

Mr. Thos. Brady of Lions Head spent the week end with his wife here.

A number from here enjoyed the Georgian Bay cruise on the Assiniboia on Friday last.

Mrs. Stewart McTavish and two children of Oshawa are holidaying in town.

Mr. and Mrs. W. H. Thurston are visiting with their daughter, Mrs. N. H. Durrant, at Mitchell.

Mr. Jack Cairns of Toronto spent the week end with his mother, Mrs. Geo. Cairns.

Mr. and Mrs. Stan Lewis of Detroit visited last week with Mr. and Mrs. J. A. Richards.

Mrs. John Nuhn is visiting her sister, Mrs. J. G. Coleridge, at Kingsville.

Miss Dorothy Welton returned home after holidaying with friends at Mt. Forest.

Mr. John Blakeley of Toronto is visiting his brother, Mr. Joseph Blakeley.

Mrs. J. H. Rennick of Orangeville spent the week end with her mother, Mrs. A. Alexander.

Mrs. Jas. F. Caushier of Hagerstown, Maryland, is visiting her sister, Mrs. Addie Alexander, and family.

Little Miss Wilma Williams of Feversham spent the past week with her cousin, Eleanor Williams.

Mrs. Alexander and son, Cecil, and Mrs. J. Caushier and Miss Macil Snell spent Sunday with Mr. and Mrs. H. Rennick at Orangeville.

Mr. and Mrs. F. W. Nicholson of Toronto are visiting the former's sisters, Mrs. J. H. Duncan and Miss V. Nicholson.

Mr. Royden McDonald left Tuesday to resume his work with the Hydro at Rat Rapids. Mrs. McDonld is remaining for a more extended holiday.

Mr. and Mrs. Bob Carrothers spent the week end in London. The former's father returned with them after a month's visit here.

Mr. and Mrs. Burton E. Field and son, Bruce, and Mr. Alfred Field accompanied by Mrs. Pope and Miss Pope of Toronto called Sunday on Mr. and Mrs. Jos. Field.

Mrs. F. J. Thurston and son, Barry, spent a couple of days last week with her sister, Mrs. A. McInnis, at Owen Sound.

Mr. D. McTavish and son, Stewart, are on a motor trip through Michigan and will return home by way of Sault Ste. Marie and Sudbury.

Mr. J. C. McLachlan, wife and son of Barrie were pleasant callers in town on Monday morning. They are on their holidays and intend taking a trip to Rouyn, Quebec.

This district has received plenty of rain during the past week. On Thursday morning there was a heavy shower and Saturday evening the clouds opened up in earnest and a regular cloudburst occurred. These rains would do an immense amount of good to the growing crops although some of the those with hay in the fields would suffer somewhat.

## ROUND AND ROUND

The farmer sells a load of wheat, and all the world grows fair and sweet.

He hums a couple of cheerful tunes and pays the grocer for his prunes.

The grocer who has had the blues, now buys his wife a pair of shoes.

This ten the shoeman thinks Godsent, and runs and pays it on the rent.

And Dr. Carver tells his frau that business is improving now.

He cheers her up and says, "My Dear, you've been quite feeble for a year;

I think you should have a rest; you had better take a trip out West."

She pays her board to Farmer Howe; he takes the bill and says I vow,

"Here is something that can't be beat, this is the bill I got for the wheat."

He hums a couple more cheerful tunes and goes and buys a lot more prunes.

There is one good thing anyway about a heat wave. It offers a logical excuse for printing pictures of pretty girls in sketchy bathing costumes.

A newspaper account of a disastrous wreck states: "The vessel sank with all on board except one lady passenger. She was insured for a large sum and loaded with pig iron."

## A SUGGESTION

A suggestion has been made by a merchant in a Western Ontario town that shops and places of business close sharp at 12.30 noon on Saturday of each week instead of keeping open to all hours Saturday night. He would have a national half-holiday proclaimed for every Saturday afternoon and a day and a half week end for the whole population. Farmers in the surrounding area could do their week's shopping and visiting on Friday night instead. Tired clerks and business men would have a chance to rest before Sunday and come back refreshed to start their next week's work. Here's an idea that in our opinion should appeal to every business man. At the present time in the majority of cities, towns and villages a mid-week half-holiday is observed but there is no doubt that the Saturday half-holiday would be much more acceptable to both employees and employers. It is to be hoped that the suggestion is considered and acted upon by the Retail Merchants' Association.—Sterling News Argus.

### SEEMS FOOLISH

"Dad, how can guns kick when they have no legs?" asked Bertie.

"Don't ask absurd questions," said his father.

"Guns haven't any legs, have they, dad?"

"Certainly not."

"Well then, what's the use of their having breeches?"

A few women are taking up law but the majority of them still get married and lay it down.
