SUGAR-COATED

ARE a safe and reliable remedy in all diseases of the Stomach, Liver and Bowels. They are no Quack Medicine [illegible] testimonials from imaginary people, but are the result of forty years experience of a regular physician and the extraordinary success is due to the fact that they answer exactly the purpose. The formula from which they are prepared is based on sound, scientific principles, and has received the unqualified approbation of the medical profession. They do not profess to be a cure-all, but for all diseases arising from any derangement of the Stomach, Liver and Bowels they form an effectual remedy. We have in our possession over one hundred testimonials from persons who have used them, some of the most highly approve of them, among which are the following:

BRITISH AMERICAN Commercial College

PUBLIC TESTIMONY.

From Messrs. A. M. N., Wholesale Hardware Merchants.

Toronto, Sept. 13, 1866.

Messrs. Musgrove & Wright,
B. A. Com. College, Toronto.

Dear Sirs—We have much pleasure in testifying to the order of training for commercial purposes obtained by the young men educated at your College.

We have now in our employment one of your graduates who, notwithstanding the fact that he never had any previous experience, has proved himself a most reliable, accurate, and efficient Book-keeper.

We may further state, that having had occasion to engage another office hand we gave a decided preference to one of your graduates. In short, we have no hesitation in saying, that as far as our experience goes, your course of training is eminently adapted to make a thoroughly efficient office man.

Yours truly,
LYMAN & MACNAB.

(From Morrison, Taylor & Co., Wholesale Provision Dealers.)

Toronto, May 21, 1867.

Messrs. Musgrove & Wright,
B. A. Com. College, Toronto.

Dear Sirs—We can eminently recommend your establishment to the business public, from which to select their Book-keepers. The young man in our employ bears testimony to the efficient system taught in your College, and the accurate habits derived therefrom, and though different houses pursue different methods, yet the general principles, rules, and varieties of commerce are so thoroughly inculcated by your system of tuition as to render the knowledge applicable to each new feature in each peculiar system.

Your efforts are worthy of every appreciation in founding a sound Commercial Emporium of the intelligent youth of Canada, and though occasionally students fail to become proficient, it can only be attributed to lack of ability on the student's part, and not the incapacity of the tutor. We shall ever give and advise preference to your pupils for an office, and feel glad to thus attest our experience of the same.

We remain, Gentlemen, yours, &c.,

The Subscriber obtained an extra prize on this Machine at the last Provincial Show at Kingston, Sept. 1856, for strength and durability, combined with lightness. This Machine cannot be excelled in the Province. The following gentlemen are now using this Machine of my manufacture, and I would refer purchasers to them, viz:—B. MOTHERS, READ THIS!

Holloway's Worm Tablets.

ARE a certain and safe remedy for Children and Adults. In the sad and melancholy fact that so many die in early childhood, death among children is due to causes which cannot be too deeply impressed on the minds of parents the necessity of watching their children. By so doing they will know the symptoms and true nature of worms, thousands of children might be saved from graves.
