Male mosquitoes are said to be vegetarians while the females thirst for blood. This is just one more case of the vegetarian living longer than the meat eater—if human beings have their way.

ENCORE

An actor decided to give up his career and become a doctor. This he did and in a short time was achieving a great deal of success.One day he was doing an operation for appendicitis, and, as usual, the operating theatre was filled with students taking hints.

The operation was so successfully performed that, at the end, the students broke into loud applause. The old actor spirit returned and the surgeon, after bowing his appreciation, hurried back and removed his patient'e tonsils as an encore.

MY CREED

Let us learn to be content with what we have. Let us get rid of our false estimates, set up all the higher ideals—a quiet home;vines of our own planting; a few books full of the inspiration of a genius, a few friends worthy of being loved and able to love us in turn; a hundred innocent pleasures that bring us no pain or remorse; a simple religion empty of all bigotry, full of trust and hope and love—and to such a philosophy this world will give up all the empty joy it has.

Live Stock Report

(By Dunn & Levack, Toronto)

On Monday the market opened with a fair demand for choice butcher cattle and cows, while all other classes were slow of sale. Export demand was lacking on heavy steers, and only a few of the extra choice kind made satisfactory prices.

Top weighty steers ranged from 7 to 7.50, fair to good from 6.25 to 7.00. In the butcher section choice handyweight steers and heifers were from 10 to 15 cents higher, selling from 6.25 to 6.50; fair to good from 5.50 to 6.00, common to medium 4.50 to 5.25. Choice baby beeves brought from 8.00 to 9.00, others downward to 6.50. Stockers and feeders were slow of sale and a quarter lower, choice light kind 4.25 to 4.75, feeders of heavier weights 5.00 to 5.25. The cow trade held steady, choice light heifery cows 4.75 to 5.00, choice fat cows 4.00 to 4.50, fair to good 3.25 to 4.00, canners and cutters 2.50 to 3.00. The bull trade was steady, choice 4.50, heavy bolognas 4.00 to 4.25, common light kind 3.50 to 3.75.

Choice ewe lambs sold at 9.50, and best butcher sheep 3.50 to 4.00. Calves were in good demand, choice from 8.00 to 8.50, fair to good 7.00 to 8.00, common to medium 5.50 to 6.50, grass calves 4.25 to 4.50.

There was no hog price settlement on Monday, as packers were bidding lower prices, and the prospects for this week looked uncertain.

For the next two weeks we continue our big sale of
