IN MEMORIAM

FALCONER — In loving memory of Robert Gerald Falconer who passed peacefully away to be with Jesus on August 16, 1937.

You are not forgotten, Gerald,
Nor will you ever be,
So long as life and memory last
We will remember thee.

Sadly missed by father, mother, brothers and sisters.

RECEIVED SHOWER

Mr. and Mrs. Wilfred Lever, recent groom and bride, were the recipients of many beautiful gifts at a shower held in their home on Thursday evening last. Miss Evelyn Brown read the address and a fine dinner sett from the friends and neighbors was brought to them, displayed on a table. A large basket was heaped with other gifts and these were unwrapped and shown to the gathering. The High Falls Hunt Club presented them with a heavy blanket, silk chesterfield pillow and a bed lamp. Neighbors provided splendid music for dancing which was enjoyed by all.

Summer Resort At Brewster's Lake

The development of Brewster's Lake in Osprey Township as a summer resort will shortly begin according to information we have received. The two hundred acre farm on which the lake is situated has been purchased from Mr. John Poole by Mr. Hank Pacey of Windsor who intends to erect a dance pavillion and develop it otherwise by erecting summer cottages and making a camp for tourists. Mr. Pacey is a son-in-law of Mr. John Robertson of Maxwell and is a prominent hotel owner in Windsor. Brewster's Lake is well known throughout this entire district and is a beauty spot that should be known far and wide. It occupies an area of some ninety acres and sometimes hundreds of people are to be seen there on a Sunday enjoying the pleasant surroundings. There is also good bass fishing in the lake. Mr. Pacey's venture will be watched with interest and with the hope that it will prove to be a paying venture for the new owner of the property and advertise the beauties to be found in the scenery of that district.

Joseph Sherwood Died Suddenly

(by our Eugenia Correspondent)

Our community was shocked to hear of the sudden passing of Mr. Jos. Sherwood, one of our highly esteemed citizens, at his home in the village on Thursday evening about five o'clock. He was in fairly good health and was going about his daily routine as usual. While carrying in an armful of wood just previous to getting his supper, he took a weak spell. falling and passing away almost instantly.

He was born in King Township 82 years ago and with his parents he moved to Kimberley later coming to Eugenia. In November, 1881, he married Miss Sara Hawkins who passed away ten years ago. After their marriage they resided for some time on a farm on the third line of Euphrasia Township after which they purchased a farm at Rock Mills where they lived for some time. Later they moved to the Hawkins farm on the eighth line where they resided a few years. Retiring from farm life they bought the fine brick residence from Mr. Robt. McMaster in the village where they lived until death. This happy union was blesesd with two children Lucy (Mrs. Donald McDonald) and Selena (Mrs. Jas. Porteous) both deceased.

The late Mr. Sherwood was a staunch Orangeman, being a member for sixty-five years. He was a member of the Presbyterian Church later the United. He was a kind neighbor and friend and will be greatly missed in the village.

The funeral was held on Saturday last. After a short service at the house the remains were taken to the church where a large number of friends and neighbors had assembled to pay their last tribute of respect to the deceased. His pastor, Rev. S. Elliott, officiated at the house, the church and the grave. The choir sang that beautiful hymn "Face to Face." The minister's message was impressive as well as comforting. He said "It is the hope of the wonderful life ahead that we seek here in our earthly life. Our evening hour would be dark only for that hope. Our life here is full of disappointments, sin, suffering etc., but our life up yonder is void of those things." We are happy to know that the life of Mr. Sherwood was pleasant. He was surrounded by grandchildren who loved him and he passed peacefully away leaving a beautiful memory behind. The closing hymn "Unto the hills around do I lift up my longing eyes" was sung.

Surrounding and on the casket were many floral tributes expressing love for the deceased and sympathy for the bereaved. They were: a pillow from the grandchildren; a wreath from his sister, Mrs. Mark; a wreath from Mr. J. Porteous, Joe and Rowena Porteous, Neil, Phyllis and Lucy MacDonald; a spray from Mr. and Mrs. John MacDonald and Mr. and Mrs. Sam MacDonald; a wreath from Mr. and Mrs. Chas. Quesnel and family; a spray from Mr. and Mrs. Fred Duckett and family; a wreath from L.O.L., Eugenia; a spray from Eugenia friends and neighbors; a spray from Mr. and Mrs. H. A. Tudor and family and a bouquet from Mr. and Mrs. Thos. Taylor.

Interment took place in Salem cemetery beside the remains of his wife.

Friends from a distance attending the funeral were: Mrs. Mark and son, John, and wife of Toronto, Mr. and Mrs. Peter Sherwood, Ceylon, Mr. and Mrs. Chas. Quesnel of Owen Sound, Mrs. McArthur and daughter, Gladys, of Ravenna, Mrs. Susan Doupe of Saugeen Junction, Mr. and Mrs. John MacDonald and Donelda of Codrington, and Mr. and Mrs. Sam MacDonald of Toronto.

Those left in sad bereavement are three brothers, Richard of Collingwood, John of Rock Mills and Peter of Ceylon, a sister, Mrs. Mark, of Toronto, seven grandchildren namely: John, Sam, Neil and Lucy MacDonald, Mrs. Frank Taylor (Selena MacDonald, Jos. Porteous and Mrs. Fred Duckett (Hazel Porteous), also one son-in-law, Mr. Jas. Porteous. There are seven great grandchildren. Mrs. C. Quesnel of Owen Sound is also sadly bereaved as the late Mr. and Mrs. Sherwood cared for her in her girlhood days. To all we extend our deepest sympathy.

The pallbearers were Messrs. John, Jacob and Duncan Williams, Wilfred Magee, Jas. Russell and Stanley Campbell, all L.O.L. members. The L.O.L. conducted a service at the grave.

How slender life's silken cord
How soon it is broken here,
Each moment brings a parting word
And many a falling tear.
So short and sudden was his call
No one thought his death so near,
It is only those who loved can tell
The sorrow of not saying a last
farewell.

Does College Education Pay?

You bet it pays. Anything that trains a boy to think, and think more quickly, pays. Anything that teaches a boy to get the answer before the other fellow is through biting his pencil pays. The first thing that any education ought to give a man is character, and the second thing is education.

There are two parts to a college education, the part you get in the shcoolroom from the professors and the part you get outside of it from the boys. The first can only make you a scholar, the second can make you a man.

The main thing is to get a start along the right lines. You are not expected to carry off all the education in sight. Leave a little for the next fellow, but form good mental habits which are clean and straight.

However, between three and four o'clock Sunday morning a fine display of falling meteors was observed by those who viewed them at that time. Scientists reported that the display was as brilliant as in past years.

FROG TRIED TO SWALLOW FROG

Mr. G. A. Schatte and son, Eric, of Wingham witnessed a peculiar incident when taking their boat out of the water. They heard an odd sound and looking around saw an immense-sized bull frog trying to swallow another frog, but owing to its size, could not get it down. They captured them and removed the frog from the other's mouth and both hopped away. Frogs live on insects, slugs and snails etc. and this was the first it was told of one trying to eat another.

Advice knows pretty much all there is to know about deaf ears.
